

February 15th

Thank you to those that were able to attend our family night on Wednesday. I was excited for the great turn out! Seeing the kids enjoy all the activities with their families always makes the planning worth it! IPTV has been great to our program this year; they've donated many of the items your child was working with this year!

We took a short break from pets this week and had some fun learning activities with Valentines this week. Of course the highlight was opening our Valentines and sharing candy with our friends! We learned about letter Vv. Thursday we were able to get outside and enjoy the sunshine too!

Friday we plan to have the K9 dog visit our classroom and answer the kids' questions about service dogs. Look for pictures on Edmodo.

Next week we'll start back with pets and finish up activities with J and N from all the snow days we had over the last two weeks! I hope to get back into a routine as well. We started discussing class pets at school and have asked all the teachers in the building if they have one. We'll start visiting those pets and asking questions to the classes about their pets.

Conference notes with dates and times will come home the beginning of March.

It was great to be back at school this week!

Mrs. Howard & The Preschool Team

March 11th & 14th - Conferences

March 12th - Spring Pictures

March 14th - No Preschool March 15th - No School
