

Prairie Grove School District Adopt-A-Door Program

In order to increase the safety of our children and faculty members while at school, Prairie Grove School District is inviting you to take part in the Adopt-A-Door program. Our goal is to install a Nightlock® door barricade device for emergency lockdown situations in every classroom throughout the district.

Adopt-A-Door is a great way for parents, family members and businesses to contribute to the safety of our students and staff. The cost to install these devices is \$50 per classroom. However, a donation of any amount would be greatly appreciated.

If you would like to sponsor a specific classroom, please fill out the form below. If that classroom has already been sponsored, your donation will be applied to another classroom. Donations can be made at any building office or at the central office.

Please let us know what classroom door you would like to sponsor:
