Lockport Township High School District 205 Fiscal Year 2017 Budget

September 19, 2016

Using This Document

This document has been developed so that the average citizen, unfamiliar with school finance, can easily understand the Fiscal Year 2017 Budget of Lockport Township High School District 205. This document will introduce you to District 205's elected School Board Members and Superintendent Dr. Todd Wernet. You will be able to review the Board Mission Statement and Goals for 2017, which this budget supports. This is followed by a written description of all of the current trends and conditions which impact the current budget as well as future budgets of District 205.

The overall budget and fund report sections move from the very general, in which revenue and expenditure summaries can be found, to the more specific, in which revenue and expenditure items are grouped in categories as required by the Illinois State Board of Education. You can also find the detail of every line item revenue and expenditure account of District 205. These sections include a starting and ending fund balance of all of the funds in District 205.

The final section of this document is ISBE 50-36 SB2017. This is the Illinois State Board of Education legal budget document, which all Illinois public schools are required to use and adopt. All of the financial statements in this document reconcile to the legal budget document. At the monthly meeting on September 19, 2016, the Board of Education of Lockport Township High School District 205 will be asked to approve this budget document.

From the Superintendent

Dear LTHS District 205 Community Member,

This year, we could not be more excited about new technology, our academic achievements and future planned projects that will further expand the educational opportunities at our District.

LTHS continues to flourish academically. For the 2015-16 school year, we proudly had two National Merit Finalists, two National Merit Semifinalists, and 113 Illinois State Scholars. Our students took more than 960 Advanced Placement Exams, and 80.2% scored a three or better on those

tests. Thanks to a new Illinois law, those students who scored a three or better automatically earn college credit. Because of our stellar AP program, LTHS, once again, was named one of America's Most Challenging High Schools by the Washington Post, which ranks schools based on the number of AP Certificate of Education tests given at a school each year.

Additionally, our activity and athletic programs continue to grow and succeed. Our athletes are conference contenders annually, and continue to advance deep into State competitions in most sports. In the 2015-16 school year, the Girls Bowling and Wrestling teams came in third at State; Boys Bowling Team earned fourth at state and we had an individual champion and second-place finisher in State Boys Track and Field. Also, our Marching Band and Concert Band won state in their respective classes.

This year we have opened a brand new STEM Learning and Innovation Lab, which is the first 4-D high school lab in the State! This latest technology was made possible thanks to our continued partnership with CITGO. CITGO is committed to providing innovative learning opportunities for our students and staff. The new lab will also be used by our feeder school districts and open to community members providing District 205 residents an opportunity to utilize it.

LTHS plans to remove the temporary classrooms housed in the mobile unit and build an addition onto East Campus. Over the past year, the District has been studying and researching various construction plans with the expectation to go out to bid in the fall. The new space will include additional multi-use classrooms, four new science labs and an updated College and Careers Department. All of which will be completed in time for the 2017-18 school year. More details and renderings can be found at www.lths.org.

Thanks to the support of our community District 205 continues to be successful. We are one of the lowest instructional spending high school districts in our area, with instructional spending at \$7,680 per student. Gov. Rauner has authorized a School Funding Reform Commission with a directive to recommend a change to the school funding formula for FY18. While less than 10% of our annual budget comes from the State, it is critical that these dollars are not reduced further increasing the local taxpayer responsibility. We will continue to communicate with our elected officials regarding this issue.

LTHS has added a Let's Talk communication tool on the front page of our web site. Let's Talk helps express opinions, provide input on topics that are important to you, and ask questions about District 205. We welcome any feedback on the content within this newsletter and any other topics not provided and a response will be received within one business day. If you don't ask for a response, please be assured that we are listening.

We look forward to hearing from you!

Sincerely,

Todd Wernet, Ed.D Superintendent

District Mission and Board Goals for Fiscal Year 2017

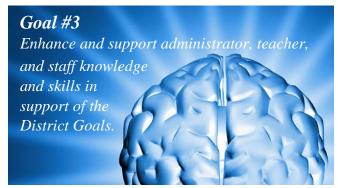

Mission Statement

Lockport Township High School District 205 will create a nurturing and challenging environment in which all students achieve success, develop personal responsibility, and become lifelong learners. We will promote a partnership with students, parents, businesses, and community; utilize effective teaching methods and current technology; and provide quality, comprehensive academic, career, and extracurricular experiences.

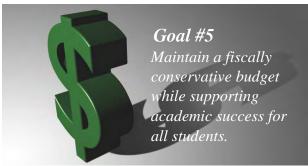

Go to http://www.lths.org/Page/750 for more information on the district's goals.

District 205's Demographics

Lockport Township High School District 205 was founded in 1908 and in May 2009 celebrated its 100th graduating class. The school District services students in grades nine through twelve residing in all of Lockport, Crest Hill, and Homer Glen, as well as a small portion of Orland Park, Lemont, and New Lenox. The District boundary includes over 62 square miles of land and services an estimated population of 100,000 people.

District 205 has two campuses, both in Lockport, Illinois.

The Central Campus is located at 1222 South Jefferson Street and East Campus is located 1333 East Seventh Street. Central Campus housed 896 freshmen during the 2015-16 school year, while East Campus housed 2,773 sophomores, juniors and seniors. The District also has a Transportation Facility at the corner of Division and Farrell in Lockport that houses 50 buses, 12 driver education vehicles, and 6 activity buses. The Lockport Township High School District 205 District Office Building is located at 1323 East Seventh Street.

District 205 currently employs 456.6 Full Time Equivalent Staff Members as well as a number of part-time and seasonal employees.

Licensed Teaching Staff:	237.6
Support Staff:	200.0
Licensed Administration:	13.0
Non-Licensed Administration:	6.0
AFL-CIO Union Members:	324.0

Budget Narrative and Overview

The purpose of this section is to highlight current conditions that have impacted the Fiscal Year 2017 Budget. These conditions may also have an impact on future budgets that the Board of Education and Administration will need to address.

Economic Outlook

The state of the local economy directly impacts Lockport Township High School District 205. A growing local economy means more new homes, more students, and a larger property tax base,

while an ailing economy means less students and a smaller tax base as property values decline. housing starts in District 205 have steadily declined from 2002-03 through 2008-09. At the low point in 2010-11, there were only 27 new housing permits issued. The decline in housing impacts developer fee revenue, student enrollment, and property tax revenue through new property growth. A decline in housing can also have an indirect impact on the School District's allocation of General State Aid.

The chart above shows the history of new housing starts in District 205. This data was obtained from the historical detail of District 205's developer fees. Based on this data, residential economic development within the LTHS 205 boundaries appears to be steadily increasing. Housing permits increased from 38 in 2013-14, to 74 in 2014-15, to 96 in 2015-16. In the first two months of 2016-17 the District has already received site contribution fees from developers for 47 lots.

In addition to new single-family homes, a new 292 unit apartment complex was completed in summer 2016 on Weber Road just north of Renwick Road in the small section of Romeoville that resides within the LTHS 205 boundaries. This complex has increased the number of students attending LTHS resulting in some bus route adjustments at the beginning of the 2016-17 school year.

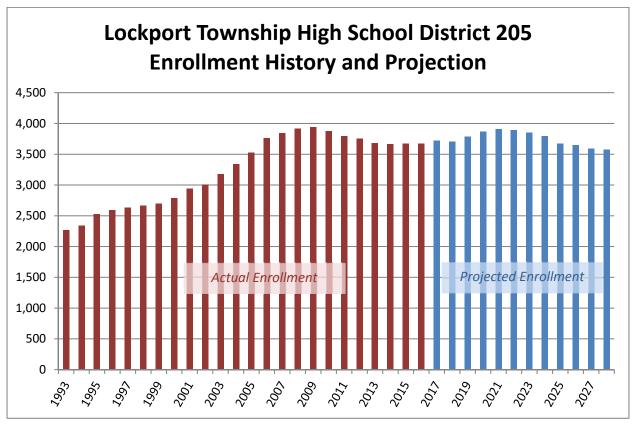

Commercial developments in Lockport are increasing as well. Panattoni Development Company plans to add a third building to its 355 Corporate Center development on 163rd Street along I-355 in 2017. The first two buildings of this development were completed in 2016 with United Parcel

Service and Illinois Industrial Tool being the two largest lessors. ML Realty Partners LLC has also recently leased the largest of its twelve planned buildings in the Heritage Crossing Corporate Center along I-355 between 143rd Street and 151st Street to RJW Logistics. LTHS District Administrators also learned about some future development plans for the City of Lockport's Downtown Tax Increment Financing (TIF) District at the annual Joint Review Board meeting for the TIF and pending development plans for the rest of the I-355 corridor along 159th Street in Lockport. District Administrators will continue to monitor all of these developments (residential and corporate) to plan for their impact on the District.

Student Enrollment

In the 2009 School Year, the district's enrollment peaked at 3,944 students. Since 2009 student enrollment has steadily declined through 2014. This downward trend in enrollment appears to have reversed with an increase of 8 students in 2015 and projected increases of 53, 78 and 83 students in 2017, 2019 and 2020, respectively. The large 2016-17 freshman class of 976 students supports the projected increase. This is the largest freshman class since 2008-09, when LTHS housed 997 ninth graders.

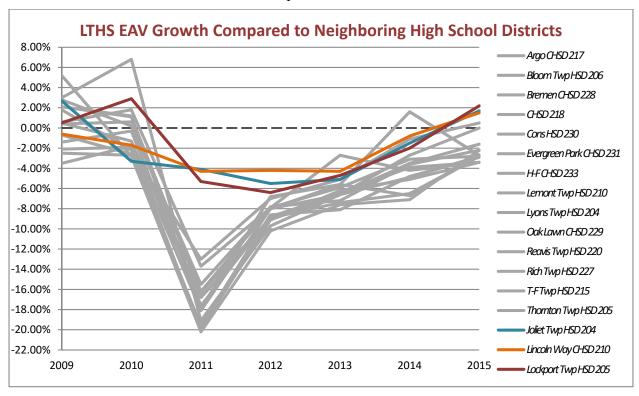

The chart below is from last year's enrollment projection. This projection will be updated upon completion of the Annual Fall Housing Report by the elementary feeder school districts, which is due by October 1 annually.

Significant changes in student enrollment effect many aspects of running a high school district, like classroom space and teaching staff. As a result, LTHS Administration continually monitors enrollment and looks to projections for guidance with facilities and staffing changes. Along with the desire to remove the temporary classrooms, enrollment was one of the factors considered in the development of plans for an addition to East Campus. See page Revenue Summary section on page 13 for more information on the proposed addition.

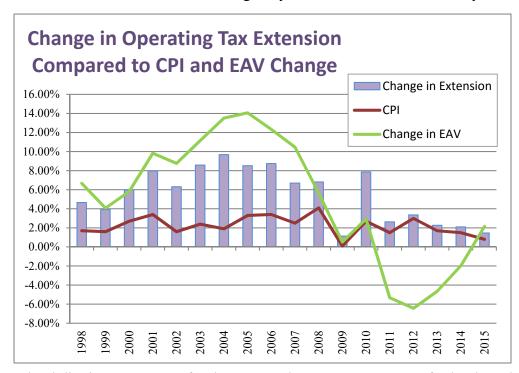

Local Revenue

The collection of local property taxes in Will County continues to be strong. In December 2015, District 205 received its final collection of 2014 property taxes. The 2014 Tax Year collection rate was 99.8%. Contrary to what one might think, recessions and high numbers of mortgage defaults do not result in an increase in uncollected property taxes. Property taxes are, in theory, 100% collectable. In the case of a mortgage default the bank takes ownership of the property and has the responsibility of paying the property taxes. If the owner of a property defaults on his/her tax payments, a lien is placed on the property and ownership cannot be transferred to a new owner until back taxes are paid. District 205 will continue monitoring its property tax collection rate, however no concerns are expected.

After four years of declining EAV, District 205's EAV increased 2.2% from the 2014 tax year to the 2015 tax year and is projected to increase over 4% for the 2016 tax year. Before property tax caps, increasing EAV would mean more revenue for the District as there was a direct relationship between the increase in revenue and the increase in EAV and vice versa. However, since the enactment of the Property Tax Extension Limitation Law (PTELL), the relationship between EAV growth and revenue has changed. Under PTELL, increases in EAV cause the tax rate to decrease while decreases in EAV cause the opposite to occur. PTELL has also brought about a relationship between new tax revenue and the changes in the Consumer Price Index (CPI). Under PTELL, the increase or decrease in property tax revenue to a taxing body is related to the change in the CPI. Therefore, even if the economy causes a decrease in the EAV, as long as the CPI increases, so will property tax revenue. As a result, when EAV declined during tax years 2011 through 2014, District 205 still experienced increases in property tax revenue as a result of the increases in the CPI combined with new property growth within the District's boundaries. See the next page for a graphical representation of historical CPI rates as they compare to the District's historical changes in EAV and Operating Property Tax Extensions.

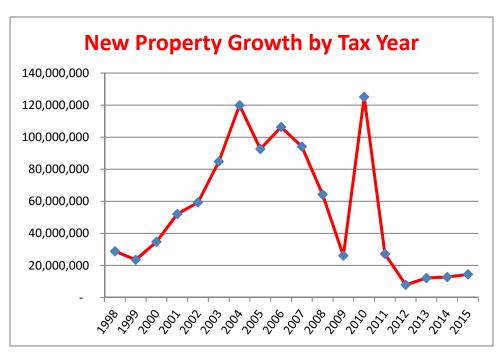

In times of declining EAV, PTELL helps school districts. Prior to PTELL, if the EAV in a school district decreases, so does the tax revenue. However, in times of increasing EAV, PTELL restricts the tax revenue of the taxing body to the CPI. The CPI for tax year 2016 is only 0.7%

while the average CPI since the inception of PTELL is 2.2%. As a result, despite the estimated increase in EAV of 4.8% for the 2016 tax year, LTHS tax revenue from existing taxpayers will be restricted to 0.7%. Previously, the Illinois legislature wanted to reduce

school district tax revenue for the 2016 and 2017 tax years even further by substituting 0% for the CPI increase in those years. However, tax freeze legislation appears to have been abandoned by the legislature. State legislators are currently focused on changing the Illinois education funding formula altogether. District Administration will keep a close eye on any legislation proposed that would impact the District's ability to levy property taxes or reduce the District's funding in any way.

New property in a tax capped school district very important because for the first year, new property it is not subject to the **Property** Tax Extension Limitation Law (PTELL). Therefore, any newly developed or improved property that is being assessed for the first time is not subject to the CPI limitation. District

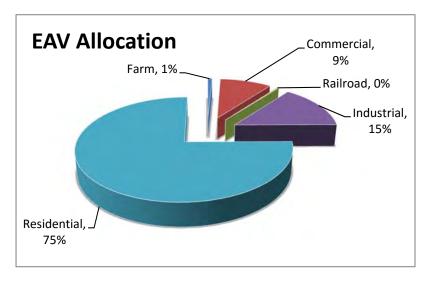

205 has experienced less new property in recent years due to the poor economy, which meant less tax revenue due to new property. This trend is slowly improving. However, 2010 was an exception due to an unusual occurrence. Will County School District 92 filed a PTAB complaint relative to the assessment of the PDV Midwest Refinery. The value of new construction that took place at the refinery was never assessed. District 92 won the PTAB complaint and the value of past construction was added to new property in tax year 2010. The total new property for tax year 2010 was \$125,121,437, a district record high.

During fiscal year 2014-15, District 205 Administration, along with administrators from District 92 and members of the Will County Supervisor of Assessments office, negotiated a five year agreement with PDV in which PDV released all claims to taxes previously paid for tax years 2010, 2011, 2012 and 2013 in exchange for stable, pre-determined EAV over the next 5 years. This is the first ever tax settlement agreement with PDV. It brings stability to the 16 taxing bodies, including District 205, that receive tax dollars from PDV. It also began

a partnership between PDV and District 205 to provide academic opportunities for students, faculty and staff of LTHS. Since entering into this agreement with PDV, LTHS administration and staff have worked with PDV to tour CITGO facilities, participate in a program in which an LTHS science teacher spent time at sea on board the Nautilus Exploration Vessel, and secure a \$70,000 CITGO grant to equip the new CITGO STEM learning and innovation laboratory at East Campus with state of the art 4-D technology.

District 205 continues to be composed primarily of residential property. Seventy-five percent of the taxable property values in District 205 are residential. Therefore, 75% of LTHS's property

tax revenue is paid by local residents. As the economy slowly rebounds and commercial and industrial development increases along the I-355 corridor, some of the tax burden on local residents will shift to these companies.

Other local revenue appears to be stable. The Board of Education froze the basic student fees for Fiscal Year 2017 making 2017 the seventh year in a row with no student fee increases.

State Revenue

A major concern to District 205 continues to be the financial condition of the State of Illinois and the ability of the state to meet its financial obligations to the public schools. In the last 10 years the Illinois Comptroller's Office released all of the fourth quarter mandated categorical payments in June only twice, in 2007 and 2014. Mandated categorical funding received by LTHS 205 includes Special Education Personnel, Special Education Funding for Children Requiring Special Education Services, Special Education Private Facility Tuition, Special Education

Transportation, and Regular/Vocational Transportation. As of this writing, LTHS has not received any of the mandated categorical payments that were vouchered by ISBE on June 15, 2016. Based on this information and to be conservative, mandated categorical payments have been budgeted at 75% of expected claims in the 2017 Budget. While these payments have been processed as much as six months late, they have not historically been cancelled. Therefore, the expectation is that all quarterly payments will be received, just not in the correct fiscal year.

Another significant measure expected to impact District 205's future state revenue is the legislature's push to reform the Illinois school funding formula. Senator Andy Manar filed bills in both 2014 (Senate Bill 16) and 2015 (Senate Bill 1) in an attempt to make the Illinois school funding formula more equitable. Neither of these bills made it through the legislative process and into the school code, but school funding reform is still a hot topic of conversation in Springfield. In July 2016 Governor Bruce Rauner created the Illinois School Funding Reform Commission and gave the bipartisan group the goal of presenting funding reform recommendations by February 1, 2017 so legislation could be drafted for the spring session. Considering the fact that under the last two school funding reform proposals, District 205 would have lost over 80% of its state funding, District administrators will immediately and thoroughly analyze the impact of the Commission's recommendations on LTHS. Administration will communicate our concerns to Lockport Representative Emily McAsey, who, as a member of the

Commission, may continue to speak on our behalf.

In 2017, the General State Aid (GSA) Foundation Level remains the same for the seventh consecutive year at \$6,119 per student. However, for the first time in eight years, GSA claims will not be prorated. The State began prorating GSA when the foundation level was increased to \$6,119 in 2010. The chart to the right shows the history of the Foundation Level as compared to the final General State Aid proration levels. Even with GSA claims paid at 100%, LTHS will only receive \$542 per ADA student in fiscal year 2017, or 4% of LTHS's 2015-16 operating expense per pupil of \$13,514.

In total, LTHS District 205's GSA increased approximately 6.7% from 2016 to 2017, which is

	,			
General State Aid				
\$3,000,000				
\$2,500,000				
\$2,000,000	HH1			
\$1,500,000				
\$1,000,000				
\$500,000				
\$0				
	50,50,50,50,50,50,50,50,50,50,50,50,50,5			

Year	ndation Level	GSA Proration
2007	\$ 5,334	100.0%
2008	\$ 5,734	100.0%
2009	\$ 5,959	100.0%
2010	\$ 6,119	98.3%
2011	\$ 6,119	99.9%
2012	\$ 6,119	95.0%
2013	\$ 6,119	89.2%
2014	\$ 6,119	88.7%
2015	\$ 6,119	87.1%
2016	\$ 6,119	92.1%
2017	\$ 6,119	100.0%

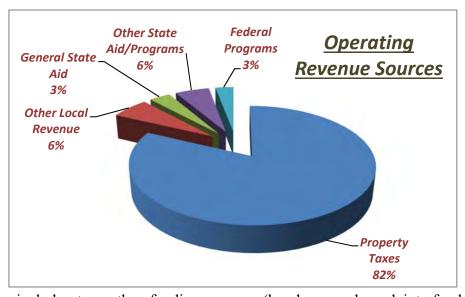

entirely due to the lack of proration for 2017. Had the 2017 GSA been prorated at the same percentage as the 2016 claims, LTHS's 2017 GSA would have decreased by approximately 1.7% due to LTHS's Best 3 Months ADA decreasing from 3,501.41 for the 2014-15 school year to 3,499.17 for 2015-16. LTHS is fortunate to have sufficient local revenue to make up for the deficiencies in state funding. Unfortunately, some of LTHS's neighboring districts are struggling financially.

Federal Revenue

Lockport Township High School District 205 receives Federal Revenue in the form of NCLB Title Grants, IDEA Grants, a Department of Rehabilitation Services Grant, a Perkins Vocational Grant, and the Build America Bond Rebate Program. In Fiscal Year 2017 District 205 will continue to be a Title I School. Similar to last year District 205 will spend the majority of its Title I funding on tutoring programs and summer school. IDEA Part B Flow Through funds are primarily used to pay for a number of paraprofessionals to be in the classrooms assisting our special education students. The Department of Rehabilitation Services (DRS) Grant has grown over recent years as the number of vocational outcomes achieved by our 16 to 22-year-old special education students who are competitively employed in the community has increased. In fiscal year 2017, funds from the DRS Grant will be paying for the purchase of a wheelchair accessible activity bus, which was approved by the Board of Education in June 2016. Revenue received from all Federal Programs is more than last year primarily due to increased IDEA Room & Board funding. Title II funding was originally expected to drop off in 2017; however, since the new Every Student Succeeds Act that replaces No Child Left Behind didn't become effective until August 2016, federal funds were allocated in 2017 for one more year of Title II Teacher Quality funding.

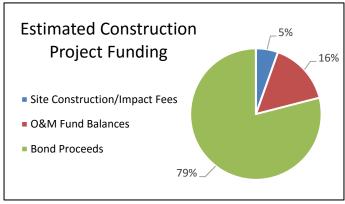

Revenue Summary

District 205's operating expenditures continue to be supported primarily bv local funding sources, the majority of which is local property taxes. This year 88% of the district's operating revenue will come from local sources. sources account for 9% of all operating revenue and federal sources account for only 3% of all operating revenue.

The 2016-17 budget also includes two other funding sources (bond proceeds and interfund transfers) that are not considered direct revenue, but rather are considered non-operating revenue.

LTHS is currently in the planning stages for a construction project at East Campus that will include four new science labs and six additional classrooms, which will replace the ones in the mobile unit. The mobile unit will be removed once the construction project is complete. The project also includes remodeling of both the Family and Consumer Science and Technology Education sections of the building. The remodeling will give the District's award-winning culinary program updated kitchen facilities as well as more storage space. The District's highly enrolled auto mechanic programs will get an additional diagnostic bay and updated classroom and storage spaces. The current Community Room in the East Campus Community Wellness Center will also be updated to a "Porter/Archives Room," which will house LTHS memorabilia,

veterans' displays, and other historical artifacts that will memorialize the history of Lockport Township High School District 205. The final area that the District is looking to remodel with this project is the East Campus Media Center. This project will be funded in part by accumulated site contribution and impact part by **Operations** fees. in Maintenance Fund revenues, and in part through a limited bond issue.

estimated \$7,600,000 in bond proceeds is budgeted in 2017 for this project as follows: \$179,987 in the Debt Service Fund to cover the estimated cost of issuing the bonds and \$7,420,013 in the Working Cash Fund.

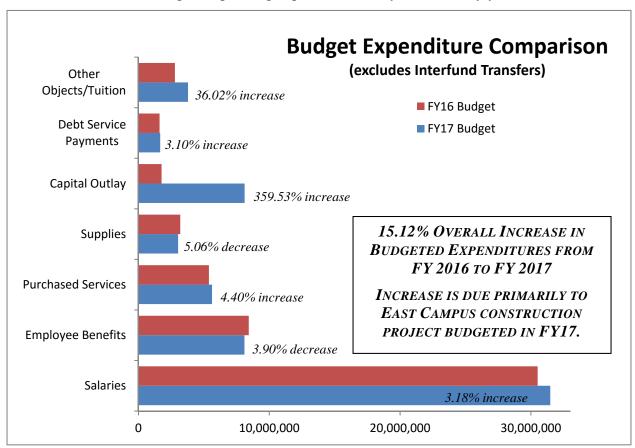

The Illinois State Board of Education requires that school districts account for capital project expenditures, like the construction project discussed above, in a capital projects fund. Accordingly, LTHS District 205 has budgeted all expenditures for three 2016-2017 projects in the District's Capital Projects Fund (Fund 60): the addition/remodeling construction project, phase I of a parking lot repair/reconstruction project, and a visitor press box project at Porter Stadium. The parking lot and visitor press box projects will both be funded by normal operating revenues of the Operations and Maintenance Fund (Fund 20), like approximately 16% of the addition/remodeling project. As a result, transfers of funds from the Operations and Maintenance Fund to the Capital Projects Fund are budgeted in 2017 to cover these expenditures. Interfund transfers are shown in the budget as both revenue to the fund receiving the transfer and expenditures to the fund making the transfer out. Budgeting for these interfund transfers does not authorize the LTHS Business Office to post any transfers to the general ledger of the District. All interfund transfers need to be approved by the Board of Education prior to posting.

Since 79% of the East Campus addition/remodeling project will be funded by bond proceeds that will be deposited into the Working Cash Fund, but the expenditures will be paid from the Capital Projects Fund, the Board of Education will need to approve resolutions abating, or permanently transferring, part of the Working Cash Fund to cover the expenditures as they are paid by the District. An estimate of the total Working Cash Fund abatements needed to cover fiscal year 2017 project expenditures is part of the 2016-17 budget. The abatement is shown as non-operating expenditures to the Working Cash Fund and non-operating revenues to the Operations & Maintenance Fund.

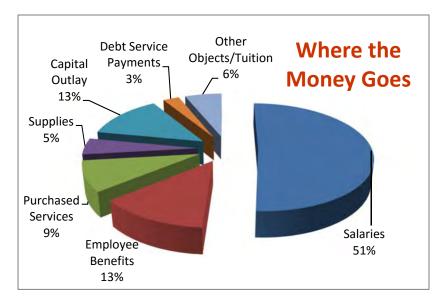

Expenditure Summary

District expenditures in many categories fluctuate significantly in fiscal year 2017. Some changes are the result of one-time expenditures while others are more permanent in nature and will affect the District's regular operating expenditures this year and many years in the future.

Lockport Township High School provides Chromebooks to every student upon entering Central Campus as a Freshman. Students keep and use the Chromebooks all four years of attendance at LTHS. The District phased in this 1:1 initiative from 2014 to 2016. In 2017, the District will continue to switch out textbooks for electronic resources. This is the primary reason for the shift in expenditures from supplies to purchased services. Textbooks are budgeted as supplies, while electronic resources, like interactive e-books, that are accessed through vendor websites are budgeted as purchased services. The 2017 budget includes over \$300,000 for educational electronic resources.

The District 205 Board of Education approved a new food service vendor for the staff and students of LTHS for the 2016-17 school year in May 2016. The contract guarantee amount from the new vendor, Quest Food Management Services, Inc., is budgeted in local revenue while the amount the District will pay Quest for the cost of free meals provided to eligible students is budgeted in a supply expenditure account. Quest will take over management of the District's food service satellite lunch program to both Milne-Kelvin Grove School District 91 and Fairmont School District 89 in FY 2017 as well. This is the fourth year of the program for District 89 and the third year for District 91. This satellite lunch program is intended as a community relations program, and as such District 205 is charging both feeder districts just enough to cover the cost of food, transporting the meals, and program oversight expenditures. There are offsetting revenue and expenditure line items in the budget for this program.

Salaries and employee benefits combined make up 64% of District 205's budgeted expenditures for 2017. Fiscal year 2016-17 is year two of a 3-year collective bargaining agreement with the District 205 Council American Federation of Teachers Local 604 in which teachers agreed to increase their contributions toward health insurance in exchange for slightly higher salary raises. As a result, the 2017 budget reflects increase of 3.18% in salaries,

which is slightly higher than the District-wide average 3% raise. However, the employee benefits budget for 2017 has decreased from 2016 by 3.90%. This decrease is only partially due to the teachers' contribution toward health insurance increasing from 14% to 17%. The other significant reason for the decrease in employee benefits is the extremely favorable insurance renewal that BlueCross BlueShield of Illinois (BCBS) gave the Lockport Area Benefit Plan (LABP) for 2017. LTHS is one of five members of the LABP, a self-insured cooperative for health, dental, vision and life insurance, which leverages its size and positive claims experience to continually receive favorable insurance rate renewals from insurance carriers. The other members of the LABP are the Lockport Fire Department, Lockport Park District, Taft School District 90 and the Lockport Area Special Education Cooperative (LASEC). In 2017, BCBS gave the LABP credit for the increasing number of LTHS employees taking the less expensive high-deductible plan offering that is coupled with a health savings account (HSA). LTHS currently has 91 employees in the high-deductible HSA plan and that number keeps growing each year.

Lockport 205 pays tuition to other public and private schools for students that have special educational needs according to their individualized education plans (IEP) as well as students that attend vocational programs like cosmetology, veterinary science, criminal justice and fire science. This tuition varies every year based on the number of students enrolled in the programs. For the 2016-17 school year, the number of LTHS students enrolled in vocational programs has more than tripled the number enrolled in 2015-16. This is the primary reason for the 36.02% increase in other objects/tuition expenditures.

In fiscal year 2016 District 205 made the final payment on its 1996 General Obligation Capital Appreciation Bonds. In 2017, the District will make the first of two principal payments on the 2008 Limited Tax General Obligation School Bonds. After this payment is made in January 2017, District 205 will have less than \$5.5 million in outstanding long-term debt. The two remaining bond issues (2008 and 2010) will be paid off in fiscal years 2018 and 2031, respectively.

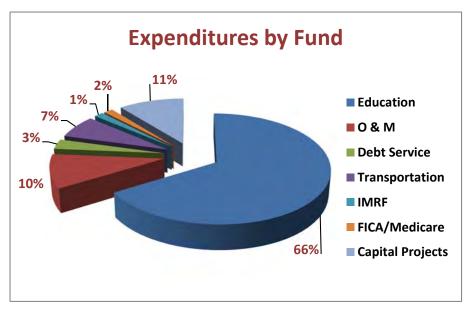

The extinguishment of most of the District's long-term debt over recent years leaves room in the District's Debt Service Extension Base or DSEB for the issuance of future debt, for the East Campus addition and remodeling project. The \$7.6 million in limited bond proceeds that is budgeted in 2017 to pay for the project will increase the District's total debt to just over \$13

million, but still leave room in the District's DSEB for future borrowings, if needed, for maintenance of other District facilities.

In 2016-17 there are three projects budgeted in the District's Capital Projects Fund (Fund 60) (the addition/remodeling construction project, phase I of a parking lot repair/reconstruction project, and a visitor press box project at Porter Stadium), whereas there were no major projects budgeted in the Capital Projects Fund in 2015-16. This is the reason for the significant increase in capital outlay expenditures in the 2017 budget. The only expenditures budgeted in the Capital Projects Fund last year were the lease payments for the mobile unit. The mobile unit is expected to be removed at the completion of the East addition/remodeling project, which is projected to be August 2017.

The administration of Lockport Township High School District 205 will continue to monitor all of expenditures to provide the most cost effective means to deliver a high educational quality experience to our students.

The chart to the right shows the expenditures by fund of LTHS District 205. Below is a definition of each of the funds.

<u>Education Fund</u>: The main fund of a school district. This fund accounts for all expenses related to the education of students including the regular school day as well as all after school activities. Teachers and administrators are paid from this fund.

<u>Operations & Maintenance:</u> This fund pays for all building and grounds related expenses. Expenditures include salaries for maintenance and custodial staff, cost of utilities, cleaning supplies, and maintenance of the outdoor facilities.

<u>Debt Service</u>: This fund is responsible for the payment of all district debt. Principal and Interest for the four outstanding bond series are paid from this fund.

<u>Transportation:</u> This fund pays for all expenses associated with the transportation of students. This includes the bus driver expenses, the purchase and maintenance of school buses, and fuel expenditures.

<u>IMRF:</u> This fund is for retirement expenses for non-certified staff who are members of the Illinois Municipal Retirement Fund.

FICA/Medicare: This fund pays Social Security and Medicare expenses for all employees.

Capital Projects: All expenses for capital projects must be paid from this fund.

<u>Working Cash Fund:</u> There are no expenses from this fund. The fund is used for internal borrowing or permanent transfers (abatements).

Program Changes and Enhancements

Each Year School District 205 makes changes to its Educational Programs to improve services to students. There are also facility improvements and other maintenance issues which are addressed and supported in the school district budget. Despite the impact of state cash shortages and a general poor economy, District 205 is still able to support the following initiatives and projects which are included in the budget for Fiscal Year 2017.

- ❖ In order to further the District's goal of using technology to deliver the curriculum, the FY 2017 budget includes \$345,568 for web-based software. Licenses will be purchased for various programs across the curriculum including Carnegie Learning for Math, NoRedInk for Grammar, and online textbook subscriptions for English, History and Science.
- ❖ Chromebooks were budgeted for the freshman class. The estimated cost of this purchase is \$286,000.
- ❖ Purchase of a wheelchair accessible activity bus funded by Department of Rehabilitation Services grant funds in the amount of \$62,302.

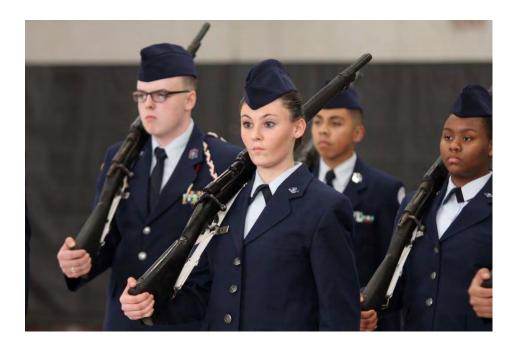

- ❖ State of the art zSpace STEM lab equipment along with a new 4-D printer and other equipment was purchased with a \$70,000 grant from CITGO Petroleum Corportation.
- ❖ To replace aging vans previously used to transport students, the 2017 budget includes lease expenditures of \$48,102 for six activity buses versus only four in 2016.
- ❖ Approximately \$60,000 has been budgeted for a Life Safety Survey of the District's facilities, which is required every 10 years.
- ❖ To assist the District's bus mechanics in diagnosing mechanical problems with the buses and other district vehicles, \$3,100 was budgeted for new diagnostic software.
- ❖ According to the District's bus replacement schedule, replacement of six 72-passenger school buses was budgeted for a cost of \$415,098. A bid was performed for these buses in fiscal year 2016 so they would be ready for the start of the 2016-17 school year.
- ❖ Approximately, \$244,000 was budgeted in 2017 for phase I of a multi-year parking lot repair/reconstruction project. Phase I consisted of reconstructing and repaving the front drive/bus lane at East Campus. Subsequent phases will be budgeted in future years.
- ❖ To alleviate concerns about too many people being in the press box in the home stands of Porter Stadium, a second press box for visiting teams will be constructed for an estimated cost of \$68,000.
- ❖ In addition to the items listed above, the following facility improvements have been budgeted for the Central Campus:
 - ✓ Roof, flashing and tuck pointing repairs \$39,100
 - ✓ Replace ten classroom doors on second floor \$22,850
 - ✓ Automate boiler controls/water alarm \$20,000
 - ✓ Install card access system \$21,500
 - ✓ Replace five unit ventilators \$15,000

- ✓ Replace 64 traditional student desks with flexible mobile desks \$19,500
- ❖ In addition to the items listed above, the following facility improvements have been budgeted for the East Campus:
 - \checkmark Replace floor mats and tile in the main entrance \$25,000
 - ✓ Add card access to the Porter Stadium locker rooms \$16,000
 - ✓ Replace oldest built-in band lockers \$23,490
 - ✓ Install LED parking lot lights \$20,000

Future Concerns

This year the District will undergo its next 10-year Life Safety Survey as required by Illinois School Code. Typically, that inspection reveals a number of building concerns that the District has to address to remain compliant with the law as well as other maintenance concerns. Due to the advanced age of Central Campus, it is expected that the District's 2016 Life Safety Survey will list a number of concerns about that building. Also, district Administration maintains a 5-year facility needs report that lists other costly mandatory repair projects for both East and Central Campus, like roof and HVAC replacement that will need to be addressed by the Board of Education.

As of fiscal year 2017, Lockport Township High School District 205 is in good financial health. District Administration, at the direction of the Board of Education, will continue to budget and spend conservatively according to the goals of the District. These actions will preserve the District's resources in the event items outside of District control threaten those resources. Currently, the largest threat to District resources is potential legislative action to change the school funding formula or pass the state's pension obligation to school districts. District 205 is in the best position possible to respond to any of these items individually. However, if both of them occur at the same time, educational programs may be impacted.

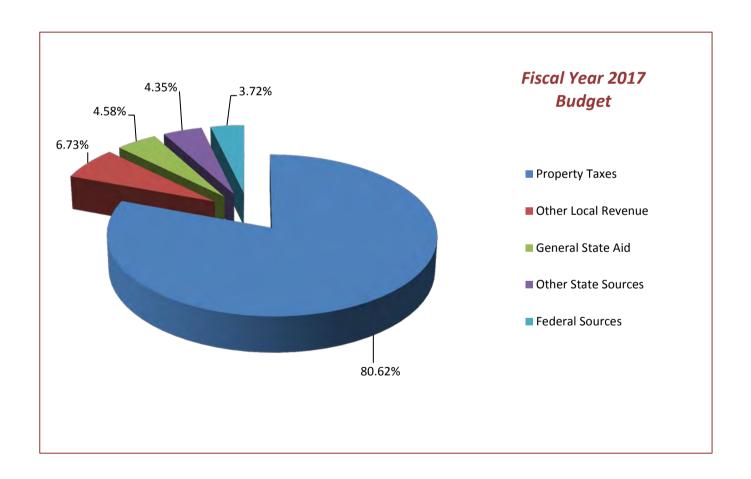

Lockport Township High School District 205 2016-2017 Overall Budget Summary

7	Balanced budget, no deficit reduction plan is required.						
10	A deficit reduction plan is required if the local board of education adopts (or amends) the 2015-16 school district budget in which the "operating funds" listed above result in direct revenues (line 9) being less than direct expenditures (line 19) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81).						
12	Note: The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.						
14	The School Code, Section 17-1 (105 ILCS 5/17-1) - If the 2014-2015 Annual Financial Report (AFR) reflects a deficit as defined above (page 36), then the school district shall adopt and submit a deficit reduction plan (found here on page 20-24) to ISBE within 30 days after acceptance of the AFR.						
15	The deficit reduction plan, if required, is developed using ISBE guidelines and format.						

ESTIMATED LIMITATION OF ADMINISTRATIVE COSTS

(For Local Use Only)

This is an estimated Limitation of Administrative Costs Worksheet only and <u>will not be accepted for Official Submission of the Limitation of</u>
Administrative Costs Worksheet.

The worksheet is intended for use during the budgeting process to estimate the district's percent increase of FY2017 budgeted expenditures over FY2016 actual expenditures. Budget information is copied to this page. Insert the prior year estimated actual expenditures to compute the estimated percentage increase (decrease).

The official Limitation of Administrative Costs Worksheet is attached to the end of the Annual Financial Report (ISBE Form 50-35) and may be submitted in conjunction with that report.

An official Limitation of Administrative Costs Worksheet can also be found on the ISBE website at:

REPORTING OF PUBLIC VENDOR CONTRACTS OF \$1,000 OR MORE

In accordance with the School Code, Section 10-20.21, all <u>school districts</u> are required to file a report listing 'vendor contracts' as an attachment to their budget. In this context, the term "vendor contracts" refers to "all contracts and agreements that pertain to goods and services that were intended to generate additional revenue and other remunerations for the <u>school district</u> in excess of \$1,000, including without limitation vending machine contracts, sports and other attire, class rings, and photographic services. The report is to list information regarding such contracts for the fiscal year immediately preceding the fiscal year of the budget. All such contracts executed on or after July 1, 2007 must be approved by the school board.

See: School Code, Section 10-20.21 - Contracts

(Sheet is unprotected and can be re-formatted as needed, but must be used for submission)

Reference Description

- 1 Each fund balance should correspond to the fund balance reflected on the books as of June 30th Balance Sheet Accounts #720 and #730 (audit figures, if available).
- ² Accounting and Financial Reporting for Certain Grants and Other Financial Assistance. The "On-Behalf" Payments should only be reflected on this page (Budget Summary, Lines 10 and 20).
- 3 Requires the secretary of the school board to notify the county clerk (within 30 days of the transfer approval) to abate an equal amount of taxes to be next extended. See Sec. 10-22.14 & 17-2.11.
- 3a Requires notification to the county clerk to abate an equal amount from taxes next extended. See section 10-22.14
- ⁴ Principal on Bonds Sold:
 - (1) Funding Bonds are to be entered in the fund or funds in which the liability occurs.
 - (2) Refunding Bonds can be entered in the Debt Services Fund only.
 - (3) Building Bonds can be entered in the Capital Projects Fund only.
 - (4) Fire Prevention and Safety Bonds can be entered in the Fire Prevention & Safety Fund only.
- ⁵ The proceeds from the sale of school sites, buildings, or other real estate shall be used first to pay the principal and interest on any outstanding bonds on the property being sold, and after all such bonds have been retired, the remaining proceeds from the sale next shall be used by the school board to meet any urgent district needs as determined under Sections 2-3.12 and 17-2.11 of the School Code. Once these issues have been addressed, any remaining proceeds may be used for any other authorized purpose and for deposit into any district fund.
- ⁶ The School Code, Section 10-22.44 prohibits the transfer of interest earned on the investment of "any funds for purposes of Illinois Municipal Retirement under the Pension Code." This prohibition does not include funds for Social Security and Medicare-only purposes. For additional requirements on interest earnings, see 23 Illinois Administrative Code, Part 100, Section 100.50.
- ⁷ Cash plus investments must be greater than or equal to zero.
- 8 For cash basis budgets, this total will equal the Budget Summary Total Direct Receipts/Revenues (Line 9) plus Total Other Sources of Funds (Line 46).
- 9 For cash basis budgets, this total will equal the Budget Summary Total Direct Disbursements/Expenditures (Line 19) plus Total Other Uses of Funds (Line 79).
- ¹⁰ Working Cash Fund loans may be made to any district fund for which taxes are levied (Section 20-5 of the School Code).
- ¹¹ Include revenue accounts 1110 through 1115, 1117,1118 & 1120.
- 12 The School Code Section 17-2.2c. Tax for leasing educational facilities or computer technology or both, and for temporary relocation expense purposes.
- 13 Corporate personal property replacement tax revenue must be first applied to the Municipal Retirement/Social Security Fund to replace tax revenue lost due to the abolition of the corporate personal property tax (30 ILCS 115/12). This provision does not apply to taxes levied for Medicare-Only purposes.
- Only tuition payments made to private facilities. See Functions 4200 or 4400 for estimated public facility disbursements/expenditures.
- ¹⁵ Payment towards the retirement of lease/purchase agreements or bonded/other indebtedness (<u>principal only</u>) otherwise reported within the fund e.g.: alternate revenue bonds. (Describe & Itemize)
- 16 Only abolishment of Working Cash Fund must transfer its funds directly to the Educational Fund upon adoption of a resolution and at the close of the current school Year (see 105 ILCS 5/20-8 for further explanation)
 Only abatement of working cash fund can transfer its funds to any fund in most need of money (see 105 ILCS 5/20-10 for further explanation)

CHECK FOR ERRORS

This worksheet checks various cells to assure that selected items are in balance.

Out-of-balance conditions are accompanied by an error message.

Errors must be corrected before the budget is finalized and submitted to ISBE.

Errors must be corrected before the budget is finalized and submitted to ISBE.
