

2017-2018 Academic and Career Plan

Barneveld School District

304 S. Jones Street • Barneveld, WI 53507
(608)924-4711 • Fax(608)924-1646 • www.barneveld.k12.wi.us
Brett Stousland, District Administrator Erin Eslinger, Principal

Barneveld School District's Academic and Career Planning mission is to create a student-driven adult-supported process in which students get to KNOW themselves, EXPLORE careers and interests, PLAN for their future and GO forward in success.

Students begin this process in elementary school as they examine personality traits, jobs within the community and careers around the world. As students enter middle school they begin further study while using the Wisconsin Department of Public Instruction's internet-based resource, *Career Cruising*. Academic and career planning intensifies in high school through course selection and continued exploration and planning.

Barneveld School District's academic and career plan is a living document. Our world around us is continuously changing. Input from teachers, students, parents and community plays an important role in our academic and career plan. In order to support Barneveld students' overall success in life after high school, we will need to adjust as does our ever changing world.

PI-26 is the legislation that requires Academic and Career Planning to take place in all public schools in the State of Wisconsin. Each school district must provide evidence of their implementation of PI-26. Below you will find the District of Barneveld's PI-26 evidence of implementation.

6th Grade	
KNOW	<ul style="list-style-type: none"> • Explore careers through <i>Matchmaker</i> • Complete <i>Learning Styles Inventory</i> • Reflect on my learning styles in <i>My Journal</i> • Academic Assessments and Progress Monitoring: Forward Exam and STAR • Student led conferences • Get Started in 6th grade-summer? • CTE electives
