

## Summer Registration Information:

- Welcome to Lone Rock School District. If you reside within the school district boundary and wish to enroll, please contact Marcia Bloom in the elementary office at 406-777-3314. We have limited summer hours so please leave a message at ext. 200 and your call will be returned.
- If you know that you reside outside the District boundary, we **accept** out of district students. We are not charging tuition for out of district students. You will need to complete the [out of district application](#) and present your enrollment request to the school board.
- If you are not sure about your residency status, please contact the school or refer to [this map](#).
