Lone Rock School Families,

Welcome to the 2023-2024 school year. My name is Robert DoBell and I am the Superintendent/Principal here at Lone Rock! I am very excited to open a new school year with the dedicated team of teachers and staff members here in the district! The district is committed to providing the very best education that we can with a host of dedicated teachers and staff members.

We have been working all summer to make campus a warm and inviting place as you begin this year. We strive to keep improving Lone Rock School in all aspects so that students may continue to learn in a safe, responsible and respectful environment. Our universal expectations are important to know and follow.

BE SAFE, BE RESPECTFUL, BE RESPONSIBLE, BE A LEARNER.

In this handbook document you will find guidelines and references to board policy that will enable staff, students, parents and guests to have the opportunities to contribute and participate in the positive educational experiences at Lone Rock. Some items are new or revised for this year, so please read carefully.

This handbook serves as a guide for the programs, expectations and procedures that we have in place. We urge you to keep this handbook and frequently use it as a reference guide throughout the school year. To assure that each child and his or her family have received this resource, we ask you to sign and return the form indicating you have read and understand this handbook. We ask that you read and discuss this document with your children.

At Lone Rock School, we wish you the best for the coming year. You are encouraged to visit our school and communicate with our staff as often as possible. In our student-centered campus, we value & encourage family input & involvement.

Sincerely, Robert DoBell, Ed.D. Superintendent (406)777-3314 (x201 or x202)

#### CAMPUS SAFETY

At Lone Rock we will continue to work diligently to tighten security around our school campus for the safety of our students and staff. <u>All visitors to campus need to check in at the Elementary Office and shall wear a visitor badge while visiting our campus. Parents picking up children after school from the Elementary building need to meet their children outside in the Bitterroot garden area.</u> Middle school parents can meet their students outside or wait at the front of the M.S. During the school day, office staff will retrieve all students from their classrooms while the parents wait at the office. We have found this limits disruption to instruction and provides a more secure campus.

## PARENT INVOLVEMENT

We believe that the parents' role in their children's education is to be an advocate for and be supportive of their child, as well as cooperate with the school. Parents and teachers should maintain open communications and work cooperatively for improvement of the school and their child's education. To provide parents an opportunity to participate in the formal education of their children, **you may expect Lone Rock School to**:

- 1. Invite parents to visit the school frequently and acquaint themselves with the staff and programs.
- 2. Encourage parents to telephone or email the teacher whenever they have a question or concern.
- 3. Provide parents with midterm reports as well as report cards issued at the end of each quarter. Likewise, we encourage all teachers to telephone parents whenever they have a concern, question, or special compliment.
- 4. Schedule individual Parent-Teacher Conferences November 8th, 3:00-6:00pm& Nov 9th, 4:00-6:00pm, and March 6th, 3-6pm and March 7th, 4-6pm.
- 5. Encourage participation in the **PTM**, our **Parent Teacher Membership** Organization, which welcomes all school parents as members. In the past, the PTM has sponsored such activities as an Ice Cream Social at the fall Open House, Take-Home Books for early readers, an end of school carnival, and the school supply

store, as well as contributing to many school needs. They also welcome your Box tops and Soup Labels as they use the funds to help with the costs of their efforts throughout the year.

PTM officer(s) for 2023-2024 are: President: Mandy King

<u>PTM@lonerockschool.org</u> crystalgrant755@yahoo.com

Vice-President: Crystal Grant\_ Secretary: Crystal Grant Treasurer: Michele Fauth

- 7. Encourage parents to join the Booster Club. The Lone Rock Booster Club supports student organizations and sports. The Booster Club fundraisers through sports concession stands and selling Rocket gear to help students attend academic and athletic competitions. Your child may not be involved in a sport or academic club now, but your support in the Booster Club ensures strong programs will be available in the future. Booster Club officers for 2020-21 include: Crystal Grant (406) 241-8134 <a href="https://crystalgrant755@yahoo.com">crystalgrant755@yahoo.com</a> and other volunteers are needed.
- 8. Encourage parents and community members to volunteer in school.
- 9. Invite parents and community members to serve on various committees for the improvement of school and special programs.
- 10. Classroom teachers may provide a weekly newsletter including upcoming events, recognition of student achievement, expressions of appreciation for the help received, community announcements and more.

# ANSWERING YOUR QUESTIONS AND RESOLVING PROBLEMS

If you have a question or a problem, please talk directly to the person involved. All school personnel wish to have open communication with parents and want them to feel comfortable asking questions and being involved in their children's education. If you are not able to get an answer or resolution to your concern, please contact your administrator, **Mr. Robert DoBell for K-8**<sup>th</sup> students, teachers, classified staff and district concerns. For more information on resolving problems, please review the Uniform Grievance Procedure in board policy.

# BREAKFAST AND LUNCH PROGRAM

Lone Rock Elementary School serves breakfast and lunch daily. Students will need to pay for breakfast and lunch for the 23-24 school year. There are forms in the office where students may eat free or at a reduced rate. This program is sponsored by the Office of Public Instruction and the USDA.

Lunch Prices: Breakfast - \$2.00 K-5 Students - \$3.00 6-8 Students- \$3.50

Kindergarten students have the opportunity to purchase milk each day for their snack/story time breaks. Milk is 40 cents and is <u>not included</u> in the free/reduced meal account program.

# Breakfast:

Breakfast will be served from 8:15-8:25a.m so that students have adequate time to finish their meal before they are expected in the classroom at 8:30. The bus schedule accommodates this schedule. Students walking to school or riding with parents must arrive at school prior to 8:15 to be served for breakfast.

# CAFETERIA

The school cafeteria serves nutritious, home-cooked breakfasts and lunches. A monthly menu is published so families can decide which days, if any, a student would prefer to bring a cold lunch from home. Milk is always available. **Parents, grandparents, or other adults are invited to join their child for lunch.** If you would like to come for lunch, please notify the lunch accountant two days in advance so the cook can be adequately prepared.

#### **Communication from School to Home**

Educating a child is a team effort and we look forward to working with you. We try to keep you informed and involved in many ways. However, if you are not getting the monthly newsletter or not hearing from your child's teacher, please let them know. You will be notified if your child is not meeting behavior or academic expectations at school. Infinite Campus will help you stay informed about the academic progress of your students. For assistance in establishing access to Infinite Campus, contact our Counselor Mrs. Jensen at ext. 232. In addition, mid-term reports and report cards will be sent home. If you have any questions about your child, feel free to contact his or her teacher.

## **ATTENDANCE**

Attendance is extremely important to a child's progress in school. In addition to academic success, good attendance is a life skill. Students who are frequently absent or tardy miss important classroom instruction and get behind in their studies. Poor self-esteem may develop as the student struggles to keep up because of being away from school. It is recognized that some absences are necessary due to sickness or circumstances beyond one's control, however, every effort should be made to insure your child is in attendance and on time every day.

- Phone the school prior to <u>8:20 am</u>, the morning your child is absent. If you do not call the school, a school representative will try to reach you to confirm consent for your child's absence.
- For those planned absences, i.e. family vacation, the parent or student should notify the classroom teacher several days before departure and request homework assignments. Some lessons can be completed with parental help. However, for those lessons which require teacher instruction the student will be given time to complete the work upon his/her return. If the absence is lengthy, the teacher may not have assignments planned.
- Please make every attempt to have children in school and on time. Instruction begins promptly at 8:30am. Parental cooperation is greatly appreciated and needed.
- Students with excessive absences may be reported to the Department of Family Services for investigation. Excessive absences are defined as 10 or more absences.

## Activities or Pre-planned Absences

It is the student's responsibility to notify teachers prior to being absent at least 24 hours in advance. Teachers may require the work to be completed and turned in prior to departure. If work is not requested by the teacher to be turned in prior to the absence, students will have one (1) day to make up work for each day missed upon return. Please make every effort to plan for absent work ahead of time. It helps the teachers do their best for the students.

Absences for school-sponsored activities are excused, but students are held responsible for the work missed. In order to participate in an extracurricular activity, including practice, students must be in school during the afternoon of the date of the event or in the afternoon on the last school day prior to the activity if the activity falls on a non-school day. Exceptions may be made by the administration. (Note, for activity bus rules, please

#### **Excused Absences**

Montana law states that a student is excused when absent due to:

- 1. Illness
- 2. Bereavement
- 3. Other reasons prescribed by the policies of the Board, including medical or legal appointments or family emergencies. Verification should be available prior to requesting an admit slip. School work missed during an excused absence can be made up at full credit, even those beyond ten (10) days (see Ten-(10)-Day Policy). Time allotted for make-up work is stated in this student handbook.

#### **Unexcused Absences and Tardies**

Unexcused absences and Tardies are not acceptable in the District. An <u>unexcused absence</u> is an absence for some other reason than specified in the Activities/Pre-planned Absence or Excused Absence sections or an absence for which the student did not receive prior approval from the building administrator. Each building administrator shall have the authority to determine the appropriate penalty for any student whose absence is considered unexcused or has accumulated excessive tardies.

#### Ten-(10)-Day Policy

Students can accumulate ten (10) absences each semester. This includes excused and unexcused, but does not include extracurricular absences. The student has two (2) days after the absence to provide supporting documentation that the absence was due to medical, legal, bereavement, school activities, or other acceptable reasons as approved by the building administrator. After the tenth (10<sup>th</sup>) absence, a note from parents is not sufficient. Written notification from a medical person, legal staff, or other pertinent persons of authority, verifying the student's reason for missing school, must be obtained by parent/student. Upon return, an excused admit will be provided if this documentation is in hand, and no penalty will be incurred. If the student does not have that documentation, an unexcused admit will be issued, and the student will have two (2) days to obtain the necessary paperwork. When the attendance office receives the proper documentation, the absence will be considered excused. The ten (10) days are computed on a semester basis; the grades are computed quarterly. Administration reserves the right to extend this policy, after parent consultation, in extenuating circumstances.

#### MAKING UP MISSED WORK

It is the student's responsibility to notify teachers prior to being absent and request make-up work. When a parent/guardian has requested at least 24 hours in advance, teachers may provide the work prior to departure. Please make every effort to plan for absent work ahead of time. It helps the teachers do their best for the students. Upon return, students will have one (1) school day to make up work for each day missed. The day of return is counted as day zero.

**For example,** if a student misses Monday and returns on Tuesday, the absent work is due on Wednesday. If a student is absent Mon. & Tues., and they return on Weds., their absent work would be due on Friday.

Absences for school-sponsored activities are excused, but students are held responsible for the work missed.

# ZAP (Zeros Are Not Permitted)

In our efforts to continue the long standing tradition of having high academic excellence for all students, Lone Rock has incorporated ZAP which stands for "Zeros Are Not Permitted". We have created space and teacher support for both the middle school and elementary students to have a place to finish work they have missed or have not completed in the classroom. Teachers will give input when students need to visit the "academic center" but students can request it too, which allows ownership of their own academic success.

#### ABSENCES AND PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

In order to participate in an extracurricular activity, including practice, students must be in school during the afternoon of the date of the event or in the afternoon on the last school day prior to the activity if the activity falls on a non-school day. Exceptions may be made by the administration.

Parents, guardians or legal custodians will provide a telephone number where they may be contacted in the event of an emergency or when the child is absent from school.

# STUDENT CHECKOUT POLICY

In order to provide for the safety and welfare of the students, the following procedure will be followed for the dismissal of students at other than regular school dismissal times. <u>All students need to be checked in and out</u> <u>through the Elementary School Office.</u> Whenever possible the parent/guardian will notify the teacher at least one day in advance of the student's early departure in order that the teacher may prepare instruction and/or materials for the child to help compensate for the lost instructional time.

- 1. At the time of checkout, the parent/guardian:
  - Notifies the office in person that he/she has come to check the student out of class;
  - Records the student's name, date, and time of departure;
  - The office will contact the student's classroom. The student will be sent down to the office to meet with parent/guardian. <u>Parents please do not go directly to the classroom</u>, as it is a disruption to the instructional program.
- 2. In the event the student is returned before the end of the regular school day, the student will be required to check back into school at the elementary school office.

#### TARDIES

Being tardy for school is an unacceptable disruption to the educational process for all students and the teacher. Excessive tardiness will result in detention.

• Any K-8 student arriving later than 8:30 AM to school needs to check in at the <u>Elementary Office</u>. Teachers will require late arriving students to have an admit slip from the office in order to join the class.

## VOLUNTEER PROGRAM

We have many volunteers active in our school. Parents, grandparents, and community members willing to

volunteer are encouraged to sign-up anytime during the year. Volunteers tutor children in reading, math, and other subjects and help teachers with special projects and events during the school year. The work a volunteer wants to do is matched with the work a teacher needs to have done. The number of hours and choice of days is up to the volunteer. If you have time you can lend to our children, please call the school, 777-3314. Volunteers are very important to our students' education. All volunteers are subject to background checks the same as all district employees and substitute teachers. Volunteers also need to check in and out at the office daily. For more information Volunteer Handbooks are available at the Elementary Office.

• All volunteers will be required to check in at the office and must wear their visitor's badge during the school day.

#### **CLASSROOM VISITORS**

You are welcome in the school and you are encouraged to visit your child's classroom. All visitors are required to make arrangements with the teacher at least 24 hours in advance and check in at the office. All visitors must wear their visitor's badge during the school day.

#### LATEX

Due to allergies, we are a Latex-free school. Please do not bring latex balloons or any other latex products into our school environment.

#### SPECIAL SERVICES FOR STUDENTS

A variety of programs and personnel are available to help students be academically successful. If you believe your child qualifies for any of these services, please visit with your child's teacher.

#### Counselor

Our school counselor, Tania Jensen, works with children, parents, and teachers to support children's emotional health. The counselor will work with individual students or small groups and present lessons in the classroom. Feel free to visit with our counselor if you have questions and/or concerns about your child's emotional well-being. She is also the liaison for homeless families and foster care students. Email tjensen@lonerockschool.org or call 777-3314 ext. 232 for an appointment.

#### **Homeless Students:**

Students are defined as homeless if they live in a homeless shelter, a hotel or motel, campground or RV, or are doubled up with friends or relatives because you cannot find or afford housing. You and your family may have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act. Lone Rock School and your local agencies can help you. Please contact Mr. DoBell, our School District Homeless Student Liason for information. You can also contact Pantry Partners in Stevensville

(http://pantrypartnersfoodbank.org) or Haven House in Hamilton

(<u>http://www.foodbanks.net/organization/938/haven-house/</u>). Please see Mrs. Jensen or Mr. DoBell for additional information or literature.

For more information on the Title programs, please contact Robert DoBell, Superintendent.

# **Special Education Programs**

Parents will be notified of results and recommendations. Hearing screenings for students in other grade levels may be done upon teacher or parent request with signed permission from the parents. Questions can be directed to the Speech-Language Pathologist.

#### Vision Screening

Vision Screenings are done annually at Lone Rock and notification is sent to parents if further testing needs to be done. This screening is provided by an outside source.

#### SCHOOL PICTURES

Professional photographers will take individual pictures of all students. Even though some families may choose not to purchase school pictures, all students will have their pictures taken for record purposes. Group/class pictures will be taken in the spring. Each year a Lone Rock School Yearbook is made available for all interested families to purchase. The yearbook includes pictures of students, staff, and school events. Please refer to the District Calendar for picture dates.

#### **LIBRARY**

All students are allowed and encouraged to check out books from our school library. In order for the library to be of the most benefit for all students, there are certain procedures for checking out books.

- a. Students will not be allowed to check out new books until other books are returned.
- b. If a book is lost or damaged, the student will be expected to replace it or pay for repairs. Replacement cost will be based on the current cost to replace the book.
- c. There will be no fine for late returns on books, however, it is requested that students renew books they wish to keep longer.

#### **AFTER-SCHOOL PROGRAM**

For the 2023-2024 school year, Lone Rock School will provide an after-school program for grades K-8. The After School Program is available after each school day until 5:30 p.m. Parents must sign up their students on the monthly calendar sign-up sheets for specific dates and activities. This is not a drop-in service, and students are required to participate in the activities assigned for the day. If there are changes in your child's attendance in the after school program, please contact Mrs. Cartwright, Program Coordinator, at 777-3314 x235 or pcartwright@lonerockschool.org.

#### **SCHOOL BUS TRANSPORTATION**

Riding the school bus is a privilege. Our main concern is to safely transport passengers. Those students that live within the 3 mile radius of the school district may ride the school bus, but if space becomes an issue families may be asked to seek alternate transportation. All students who wish to ride the bus will be expected to follow the rules governing bus conduct. Expectations for bus conduct are listed on page 19 of this handbook. Please contact the bus driver or school if you have questions about bus routes or other concerns. Your cooperation is appreciated. All students that ride the bus will have a mandatory assigned seat and must be seated while being transported.

#### STUDENTS WAITING FOR AFTER SCHOOL PICK UP

Parents or legal guardians (or their designees) of elementary students should meet their child in the office foyer or just outside on the lawn. Students will wait there until their parents arrive. We do not have the staff to supervise students after school unless they are at the after school program. The hallways are to be clear of students after dismissal time. At dismissal time, it is expected that students will go home where they will be under the supervision of their parents.

## CHANGE IN AFTER SCHOOL, GOING HOME ROUTINE

If your child will not be following his/her normal routine after school (walking vs. riding the bus, going on a bus other than the one to which they are assigned, or going home with someone other than immediate family) please let the teacher and the office staff know for his/her safety. It is critical that we know where students are after school each day. Students will not be permitted to change their route without a **signed and dated note from you or a phone call**. If we are not given proper notification, the student will be placed on his/her usual bus. Also, make sure your child understands your directions for the afternoon before he/she leaves home in the morning. The younger children especially become confused or frightened if we try to give them directions different from what they think their parents gave them.

## TELEPHONE USE

Students are permitted to use the classroom phone for matters of importance with the teacher's permission. Students are not allowed to phone home for "minor" forgotten items or to make social calls such as to get permission to visit a friend's house after school. <u>Students are not to use personal cell phones for calling or texting during the school day.</u>

- 1. Students are allowed to use their devices before and after school- this means phones and other devices must be turned off when entering the building for the day and can be turned on when students leave the building at the end of the day.
- 2. When students are sick, they must come to the office and then they can call parents. We are here to help your children and it is important we are aware of what is happening with your child.
- 3. Students are allowed to use their electronic devices on the bus with the exception of no videotaping or pictures taken. The bus drivers expect all other bus riding expectations to be followed.
- 4. Parents, if you need to get a message to your child before the end of the day, <u>call the office</u>. Please don't send a text message.
- 5. If parents phone during school time, we ask that they leave a voicemail message for the teacher or a message with the school secretary. We do not interrupt classes during instruction unless it is an emergency.

## FLOWERS, BALLOONS, GIFTS, AND BIRTHDAY INVITATIONS

Any flowers, balloons or gifts delivered to the school for students can be picked up by the student at the end of the day. Otherwise, these gifts are often a disruption to the learning process and other children's feelings are hurt if they cannot receive the same privilege. Birthday invitations will not be allowed to be passed out at school.

## **CHANGE OF ADDRESS OR TELEPHONE NUMBER**

When an emergency arises at school, we need to have a current local phone number where you can be reached. Please contact the school office (777-3314) if your home or work telephone number or address changes during the year. You may also request a change of telephone and/or address through in the Infinite Campus parent portal.

## **REQUEST TO NOT PUBLISH STUDENT WORK, PICTURES, OR NAME**

From time to time we have the opportunity to publish students' names, schoolwork, or pictures in the school newsletter, class book collections, public bulletin boards, on the Lone Rock Internet web page, social media, etc. However, any parent/guardian may prohibit such publication by filling out the opt-out form at the beginning of the year, or notifying the office or administration. If you do not wish to be published in this directory, please make sure to make note your wishes on the Lone Rock School District Parent Permission Form.

# **BAD WEATHER DAYS**

If the weather causes us to delay starting the school day or to cancel school for the day, the local radio and television stations will be called as early as possible. Please listen or watch for this information. The school will also make an attempt to contact all families via the automated phone messaging systems.

## EMERGENCY PROCEDURES FOR LONE ROCK SCHOOL

Lone Rock School has a Crisis Procedures Manual that is designed to minimize danger to anyone occupying the school should an emergency occur. Our main objective is to attend to the health and welfare of all persons in the event of a crisis and to see that all students get home safely. It is impossible to foresee all the possible emergencies, but we have researched the most effective way to use our resources to respond immediately to those emergencies that cannot be avoided. Any disaster will disrupt the "normal" way of doing things. It will cause inconvenience to all of us. In most emergencies your children will remain and be cared for at the school. In the rare event of an emergency affecting the school that prohibits re-entry to the buildings (such as a broken gas or water main, a fire or a sudden loss of utilities in bad weather) students and staff will be moved by bus to an alternate location.

We ask you to follow this procedure if you hear rumors of any school emergency:

# 1. TURN ON YOUR RADIO OR TELEVISION.

We will keep the media accurately informed of any emergency.

## 2. PLEASE DO NOT TELEPHONE THE SCHOOL.

We have limited phone lines. These MUST be used to respond to the emergency.

# 3. **DO NOT COME TO THE SCHOOL.**

Any emergency involving the school may mean emergency vehicles and disaster workers must be able to get to the building.

a. If, for any reason, Lone Rock School must be evacuated during regular school hours, your child will be transported by bus to and cared for at the **Masonic Lodge**, **300 Church Street**, **Stevensville**. We have a reunification procedure in place.

b. Stay tuned to the radio and television stations for updated accurate reports and information about when and where to pick up your children.

c. Children not picked up by a parent from the Masonic Lodge, will be bused home as close to their regularly scheduled time as possible if circumstances permit.

# **STUDENT INJURY OR ACCIDENTS**

If there is a severe injury or other emergency, the parent will be contacted immediately. If we are unable to reach the parent or legal guardian, we will call the emergency numbers listed for your child. It is very important that we have a number where we can reach parents.

# **MEDICATIONS AT SCHOOL**

# NON-PRESCRIPTION MEDICATIONS

If your child frequently has headaches, new braces, or another reason to take Tylenol or another non-prescription drug, you must sign a permission form for him/her to take that medication at school. To maintain a safe environment, students are not allowed to possess any medications including Tylenol, ibuprofen, cough syrups, etc. on school property, including the bus, with the exception of inhalers. Students may carry their inhaler or inhalers can be kept at the office.

# PRESCRIPTION MEDICATIONS

If your child is being treated with any prescription medications, other than an inhaler, either for a short term or every day, it is required that:

- 1. School must receive authorization from the parent or guardian to administer the specific medication.
- 2. Parents MUST deliver the medication in person to the superintendent, principal, school counselor or secretary.
- 3. The medication MUST be in a pharmacy bottle with the Doctor's orders on the label. The order must match the request by the parent. The quantity of medication in a container will be confirmed by the school personnel with the parent present.
- 4. If the physician changes the dosage of medication, it must be confirmed by a signed and dated order from the physician. Faxes are accepted.
- 5. Any medication missed at home will not be administered at school unless it is an emergency.

- 6. Expired medications will not be administered at school. Parents will be notified of the expiration and have seven (7) days to pick up the expired medication. After seven days, the school will dispose of the expired medication.
- 7. All medications will be kept in a locked cabinet. Only trained staff members will have access to that cabinet. For the safety of all students, these procedures will be strictly followed.

## **SEARCHES AND SEIZURES**

The School District provides that an authorized administrator shall be able to conduct any searches or to seize property on or near school premises if there is reasonable suspicion to believe that there are any items or substance which constitutes an imminent danger to the health and safety of any person or to the property of any person or the District. An authorized administrator may perform random searches of any locker, car, or container of any kind on school premises without notice or consent.

In any instance where an item or substance is found which would appear to be in violation of the law, the circumstances shall be reported promptly to the appropriate law enforcement agency.

## TOYS AT SCHOOL

Students are discouraged from bringing toys or games to school unless they are for Show and Tell. Students are encouraged to bring sports equipment that is suitable for outdoor use and that can be shared with everyone. If students bring toys or other equipment, the school is not responsible for any loss or damage that results from students having brought personal items to school.

## **FUNDRAISERS**

Please contact the principal for approval of any campus based fundraising activities, including Bake sales. We are a small community and having one person coordinate fundraising keeps us from duplicating services and items offered.

## **STUDENT FEES, FINES, AND CHARGES**

Within the concept of free public education, the District shall provide an educational program for the students as free of costs as possible.

A student may be charged a reasonable fee for any course or activity not reasonably related to a recognized academic and educational goal of the District or any course or activity held outside normal school functions. The Board may waive the fee in cases of financial hardship.

Fees may be required for the actual cost of breakage and of excessive supplies used in courses. A student shall be responsible for the cost of replacing materials or property, which are lost or damaged due to negligence. The student and parent shall be notified regarding the nature of the violation or damage, and how restitution may be made, and how an appeal may be instituted. A student's grades may be withheld until restitution is made by payment. The student or parents may appeal the imposition of a charge for damages to the Superintendent and the Board.

# **CELL PHONES AND OTHER ELECTRONIC EQUIPMENT**

Student possession and use of cellular phones, pagers, and other electronic devices (including, but not limited to iPods, Phones, PDAs, CD Players, and MP3 Players) on school grounds, at school sponsored activities , and while **under the supervision and control of school District employees\*** is a privilege which will be permitted only under the circumstances described herein. At no time will any student operate a cell phone or other electronic device with video or photographic capabilities in a locker room, bathroom, or other location where such operation may violate the privacy rights of another person.

Students may use cellular phones, pagers, and other electronic signaling devices on campus before 8:30 and after 3:30 or as determined by school procedures. Schools may regulate the use of cell phones by parents and other adults while they are on school property. In special circumstances, administration may authorize the use of cell phones or other electronic devices by students (for example; the use of iPods during a bus trip, or exception due to a specific student situation.) The Lone Rock School District is not responsible for lost or stolen devices.

Lone Rock School District No. 13 will encourage a technologically rich environment to students, teachers and staff to enhance and promote educational excellence through resource sharing, innovation and communication with direct guidance from faculty and staff. Although Lone Rock School supports opportunities to integrate technology in the classroom, teacher discretion will determine specific classroom use. It is the responsibility of users and their parents or guardians to honor the use restrictions of the District.

# \*Personal cell phones and other electronic devices may not be used in the hallways, common areas, lunchroom, or the playground.

We recognize that there are applications of electronic devices that can enhance learning in the classroom. However, unauthorized use of such devices disrupts the instructional program and distracts from the learning environment. Therefore, unauthorized use is grounds for confiscation of the device by school officials, including classroom teachers and supervisory aides. Confiscated devices will be returned to the student, parent or guardian. Unauthorized use of such devices may result in disciplinary action.

# <u>Parents please do not contact your students via cell phone during the school day. Contact should be made through the office 777-3314.</u>

## Lone Rock School's Core Beliefs for Discipline

- 1. We believe every attempt will be made to maintain the dignity and self-respect of both the student and the teacher/adult
- 2. We believe students will be encouraged to use problem-solving tools to solve their own problems (with adult guidance when necessary).
- 3. We believe that discipline should be considered an opportunity for personal growth, and students will be given opportunities to make decisions and live with the consequences.
- 4. We believe misbehavior will be handled with natural or logical consequences instead of punishment, whenever possible.
- 5. We believe misbehavior will be viewed as an opportunity for individual problem solving and preparation

for the real world.

#### **STUDENT EXPECTATIONS**

Our school wide behavior expectations consist of four main objectives. We call these objectives the **Lone Rock Launch Code** and ask that our students strive to be:

## SAFE, RESPECTFUL, RESPONSIBLE, A LEARNER

Students are expected to behave in a manner that contributes to a positive, safe school environment. We encourage student self-discipline and hold students responsible for their actions. Being a positive addition to Lone Rock School is encouraged.

At Lone Rock, we are an MBI school following the Montana Behavior Initiatives and using resources such as Time To Teach, Olweus, and Kelso's Choices that help set clear guidelines for student behavior and insure a school that is positive and safe for all students and staff. These expectations are reviewed with students regularly. Discipline problems are dealt with in a systematic fashion as defined in our discipline plan.

## **Discipline Plan**

#### I. Essentials of an Effective Discipline Plan

- a. Appropriate behavior needs to be taught BEFORE students engage in inappropriate behavior.
- b. Consequences of problem behavior must be TIMELY.

#### II. Implementation

- a. Teachers teach the expected behaviors (The Teach-Tos).
- b. Teachers look for appropriate behaviors to encourage.
- c. Teachers coach or prompt students' positive behaviors.
- d. Refocus-This means time for students to think about inappropriate behaviors and consider the appropriate behavior.
- e. Teacher/Adult will reconnect with the student

## III. Record Keeping & Consequences

a. Teachers keep track of Refocus slips. If expected behavior is not achieved, the student will receive a minor. Minor infractions will result in loss of privileges and when more than three minors have occurred in a quarter, parents will be notified as additional consequences may be imposed for students in Grades 2<sup>nd</sup>-8th.

## IV. Summary

Expectations governing appropriate behavior are established for each classroom, the building, and the playground. The students are made aware of these expectations at the beginning of each year and are reviewed on a regular basis.

#### SPECIFIC DISCIPLINE PROCEDURES

All discipline actions are dealt with under the discretion of the building administrator.

Afternoon breaks are scheduled at the discretion of the classroom teachers and typically scheduled for 15 minutes in grades K-2. 3-5 student will have a lunch recess, as well as an afternoon recess. Students in middle school will have a lunch recess before and after the lunch time.

Students also have playground opportunities before school. However, there will be NO playground supervision before 8:15am or after school. To ensure your child's safety, we ask students to arrive on the playground after 8:15am and to leave school grounds by 3:35 pm (2:30 on Wednesdays).

## **Designated Play Areas**

The students at Lone Rock are proud of their individual appearance and the freedom to express themselves through the latest fashions. It is our goal to continue to foster self-expression in a positive manner. We ask that students are well groomed and demonstrate personal hygiene, exemplified by excellent manners and respect for each other. Your peers and teachers will appreciate your cooperative spirit and working together to present

yourself by being your best. We respectfully request that you dress in a manner that does not distract from the learning of other students.

## DRESS CODE

- Student's dress should be neat, clean, properly fitting, non-revealing or low-cut. Student's dress shall not be offensive to others.
- Footwear must be worn at all times for sanitary reasons and for protection. Please consider the seasonal weather when selecting your footwear.
- Patches, accessories, or clothing advertising alcoholic beverages, drugs, or tobacco, or containing obscene or derogatory slogans or pictures will not be allowed. The school district will discipline a student for obscene, lewd, violent or drug-related expression or attire. (United States Supreme Court—Tinker v. Des Moines School District, 393 U.S. 503 (1969), and Bethel School District v. Fraser, 478 U.S. 675 (1986)
- Caps, hats, and dark glasses will not be worn in the school building during school hours. These items restrict vision and limit eye contact between the instructor and pupil, which is an integral part of the learning process.
- Undergarments and midriffs shall not be exposed and are considered inappropriate dress.
- Any strap-type shirt/blouse must have straps at least 2 <sup>1</sup>/<sub>2</sub> inches wide. Transparent blouses/shirts, halter-tops will not be allowed.
- Skirts, dresses, or shorts must have a bottom hem that reaches the tip of the middle finger when your arms are straight down the sides of the body.
- Children should be dressed appropriately for weather conditions. Cold weather and or snow will require students to wear gloves, snow boots, hats, and a heavy coat. Children will be expected to play outside except during severe weather. Generally, it is believed that children who are well enough to go to school are well enough to go outside. We will consider a student's needs on an individual basis. Do dress children for the ever-changing Montana weather. Often "layering" of clothes is helpful

# VIOLATION OF DRESS CODE FOR K-8

When clothing is inappropriate or in poor taste, students will need to change into other clothing. Parents will be notified if the dress code is violated more than once and the administrator will take appropriate action, including suspension, if circumstances warrant so. Additionally, please see <u>Specific Discipline Procedures</u>" on page 25.

# DRESS FOR SPECIAL ACTIVITIES

Special events such as sports trips, concerts, or field trips may require special dress. The school does NOT expect parents to purchase new, expensive dresses for special events. The dress requirements will be reasonable clothing that a student has available to them.

# DRESS FOR PHYSICAL EDUCATION CLASSES

All students should have a spare pair of clean indoor athletic shoes at school to be worn during PE classes. All Middle School students are asked to have a spare pair of comfortable shorts and T-shirt at school to be used in the event the student's regular school clothes are not appropriate for the physical activities planned for that day.

# GRADES, HOMEWORK, AND STUDENT RECORDS

## **REPORT CARDS, MID-TERM GRADES AND GRADING**

Halfway through each quarter, a mid-term report from the classroom teacher to parents is issued to all students in grades 1-5. For Middle School, mid-term reports are mailed only to students with a grade of D or F, but all students will receive a copy of their mid-term progress from their teacher. Kindergarten teachers will telephone parents if there is a need to visit about a child's progress.

Letter grades are given in grades 3 - 8. The grade scale used to report is:

100 = A +	93 - 90 = B +	84 - 81 = C +	$^{1}69 - 67 = D +$	59% and below = $F_{.}$
99-96 = A	90 - 88 = B	80 - 75 = C	67 - 64 = D	
95-94 = A-	87 - 85 = B-	74 - 70 = C-	63 - 60 = D-	

Second and third quarter report cards are given to parents at Parent Teacher Conferences. First and fourth report cards will be mailed home.

## HOMEWORK

Homework is a very important part of education as it gives students an opportunity to develop responsibility, improve their work habits, and practice skills which affect school achievement. Homework also helps parents maintain a closer connection with their child's education. Parents can help the child succeed by providing a quiet place to work, setting a specific study time, and expecting him/her to complete the assignments. The after-school program also offers homework support on specific days of the week and after the daily projects have ended.

If your child should have what you believe to be an excessive amount of homework or if he/she does not know how to complete the work independently, please contact the classroom teacher to determine if your student is using class time wisely or might need extra help at school. You may also consider enrolling him/her in the after-school program for their homework club.

Very often the difference between successful students and less successful ones is that successful students know how to study, organize their time, complete tasks, and get the most out of what they read. Homework practice helps students develop these skills, as does lots of practice reading.

## PARENT TEACHER CONFERENCES

Parent Teacher Conferences are scheduled to give parents and teachers an opportunity to share information, ask questions, and provide a chance for both parties to better understand the child's school progress.

## HONOR ROLL

Each quarter Lone Rock School recognizes the academic achievement of students by publishing the Honor Roll for grades 5 - 8. Students with a B or better grade average are honored. Watch the school newsletter for the Honor Roll.

## **Student Information System- Infinite Campus**

Infinite Campus is used to provide information. Parents and students can have full access to their student's academic progress, assignments, and attendance. Access to this system does not change from year to year so it will be the same as last year. If you are new or have forgotten your access, please contact Mrs. Jensen for access information.

# STUDENT RECORDS

State and federal laws grant students and parents certain rights, including the right to inspect, copy, and challenge school records. The information contained in school student records shall be kept current, accurate, clear and relevant. - 1. The right to inspect and copy the student's education records within a reasonable time of the day the District receives a request for access.

- 4. The right to a copy of any school student record proposed to be destroyed or deleted.

## STUDENT RIGHTS AND RESPONSIBILITIES

#### HARASSMENT STATEMENT

Lone Rock Elementary District No. 13 is committed to ensuring a harassment-free environment. The district prohibits discrimination on the basis of sex, race, color, creed, religion, national origin, age, physical or mental handicap, political belief, and marital or parental status. We are proud of our staff and students. It is this pride that makes us feel confident that we can all work together to eliminate harassment from the school and workplace.

Please refer to the Lone Rock School District's Policy Manual for the complete description of the Harassment Policy.

#### SEXUAL HARASSMENT/ INTIMIDATION OF STUDENTS

Sexual harassment is a form of sex discrimination and is prohibited. An employee, District agent, or student engages in sexual harassment whenever that individual makes unwelcome advances, requests sexual favors, or engages in other verbal, nonverbal, or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

- 1. Denies or limits the provision of educational aid, benefits, services, opportunities, or treatment, or that makes such conduct a condition of a student's academic status; or
- 2. Has the purpose or effect of:
  - a. Substantially interfering with a student's educational environment;
  - b. Creating an intimidating, hostile, or offensive educational environment;
  - c. Depriving a student of educational aid, benefits, services, opportunities, or treatment; or
  - d. Making submission to or rejection of such unwelcome conduct the basis for academic decisions

affecting a student.

The terms "intimidating", "hostile" and "offensive" include conduct, which has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include, but are not limited to, unwelcome touching, crude jokes or pictures, discussions of sexual experiences, pressure for sexual activity, intimidation by words, actions, insults or name calling, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Students who believe that they may have been sexually harassed or intimidated should contact a counselor, teacher, Title IX coordinator or administrator who will assist them in the complaint process. To the greatest extent possible, complaints will be treated in a confidential manner. Limited disclosure may be necessary in order to complete a thorough investigation. Retaliation against persons who file a complaint is a violation of law prohibiting discrimination, and will lead to disciplinary action against the offender. An individual seeking further information should contact the Superintendent and Title IX Coordinator for the District. ## **Recognition and Graduation Requirements**

An eighth grade student must pass 6 semesters of core subjects (English, science, math and social studies) during their 8th grade year. If a student does not pass 6 semesters of the core subjects, they may not be allowed to attend the eighth grade recognition ceremony.

Transfer students to Lone Rock Middle School must complete the above criteria or have transfer grades from an accredited public or private school. Students must be enrolled full time for at least their 8th grade year to be eligible to graduate.

If a student does not meet the above criteria, they may be retained in the eighth grade. However, before retention of any eighth grade student is considered, a committee of grade level teachers, an administrator and the student's parents will be formed and all factors will be analyzed. The committee could also decide that summer school at the parent's expense may be considered as an alternative to retention.

The ceremony for eighth grade Recognition will follow traditional guidelines with the following stipulations: -Dress should be appropriate for this event.

# MIDDLE SCHOOL EXTRACURRICULAR PROGRAM

## Philosophy of Extracurricular Program

The extracurricular program should provide for wide participation to those who wish to play with emphasis on sportsmanship and development of good health, nutritional habits and cleanliness. Each participant will be given meaningful playing time in game situations. While winning and competition is important, it is secondary to meaningful playing time for all participants regardless of their skill level. At the middle school level, attention should be given to teaching and honing fundamental skills in each particular sport.

## **Activity Fees**

Students participating in interscholastic activities will be asked to pay a one-time annual Activity Fee of \$55 at the beginning of the year. Activity fees cover referees, uniforms, and other costs associated with athletics and permits students to participate in each activity that is offered to them.

# Eligibility

Students participating in extracurricular activities are expected to maintain passing grades. All middle school teachers will have their grades current in the Infinite Campus grading system by Monday at 12 noon. The athletic director (AD) will run a report for eligibility at 12:00 (noon) each Monday. Any student with 2 D's or an F are not eligible for that week. The eligibility period will run from Monday at noon until Monday at noon the next week. It is possible that a student could be ineligible for the first game of the season. Students cannot

become academically ineligible when the school week is less than four days. It is the responsibility of the AD to notify parents in a timely manner if their child is ineligible for a particular week. Three consecutive weeks of ineligibility will result in suspension for the remainder of the season.

#### Home School Student Participation

Students not enrolled at Lone Rock School will be allowed to participate if:

1) they live within the district boundaries of Lone Rock School

2) the roster size of enrolled students does not meet the number specified below:

Boys and Girls Basketball	10 enrolled students per team
Flag Football	14 enrolled students per team
Volleyball	10 enrolled students per team
Track	No specific numbers to maintain program

Sixth grade students will participate exclusively on the 7th grade team.

The decision to split the team into two teams will be made in consultation with the AD, coaches and the Administration. The Administration, at their discretion, may ask the Board's approval.

It is expected that 7th grade students would participate on the 7th grade team unless the 8th grade team needs enrolled students.

## Middle School Extracurricular Program Rules

The following Extracurricular Rules will apply to all Lone Rock Middle School extracurricular participants. We encourage your questions, suggestions, and comments.

- A. The following are considered **unacceptable behavior** for any students participating in any extracurricular program:
  - 1) Possession or use of alcoholic beverages.
  - 2) Possession or use of drugs, tobacco/nicotine innovations or e-cigarettes, in any form.
  - 3) Use of materials classified as dangerous drugs outside of compliance with doctor's orders.
  - 4) Excessive discipline referrals.
  - 5) Illegal acts.

Violations of the Extracurricular Rules would bring about immediate suspension of the participant from that activity season. A second offense of the above would bring about suspension for the remainder of the school year.

- B. The following disciplinary actions will apply to any participant who engages in unacceptable behavior not listed in Section A above:
  - 1) **First Behavior Slip:** the student will be removed from one game/meet. Participation at practices is required and the student will be required to attend home games, but will not dress out and will not play. They will sit with team members. Students will travel to "away" games/meets and will sit with the team.
  - 2) Second Behavior Slip: same as for the first slip, but will not be eligible to play for 7 calendar days.
  - 3) Third Behavior Slip: the student will be off the team for the remainder of the activity season.
- C. **This section C only applies to athletics:** Students must have physical examinations at the beginning of each year before they will be permitted to take part in practice or games/meets. No physical = no practice.
- D. Students must be present at school on the day of a given activity in order to participate. A note from either a medical doctor or dentist would be the only exception.

- E. The referee/official's judgment will be accepted at all times. It doesn't do any good to complain or gripe. If there is something wrong contact your coach at once. Never speak to the officials.
- F. Profanity and/or unsportsmanlike conduct will not be tolerated. This type of action makes it tougher for us to win.
- G. Your dress and appearance should reflect your attitude. Wear neat clean clothes. Our school dress code applies to all activities, including away competitions.
- H. There will be no excuses accepted for missed practices, unless you have notified your coach beforehand. If you feel that you have a legitimate reason, or if an emergency arises, talk it over with your coach. One unexcused missed practice will result in the player missing the next game. Three unexcused missed practices will result in dismissal from the team.
- I. Good observance of participation rules must come from within the performer. It shouldn't be the coach's job to be constantly checking on you. Living with the participation rules is part of being on the team.
- J. Team members who misbehave at practice may be sent home for that day. That day will count as an unexcused absence from practice.
- K. Practice will last from to every (VARIES BY SPORT) Prompt pickup is expected and appreciated.
- L. All eligible participants must ride the team bus to the event. If a medical or dental appointment conflicts with the bus travel time, parental transport could be approved by the administrator if prearranged.
- M. Team members may ride home with parent or guardian only if the team member and parent have signed out with the coach. A child participating in an away game or activity may return home with a non-parent driver with written consent from a parent. A parent must designate an alternative adult driver by giving the coach a letter specifically stating who the alternate driver will be. The alternate driver must be at least 18 years of age. For any away game or activity, the designee must check out the student with the coach or teacher. Coaches and teachers will have sign out sheet available.
- N. If a MS student is removed from the route bus due to discipline, that student will also have no access to bus transportation for athletic events for the duration of the discipline. Therefore, athletes will not be allowed to participate in those events during the duration of the discipline that require school transportation.

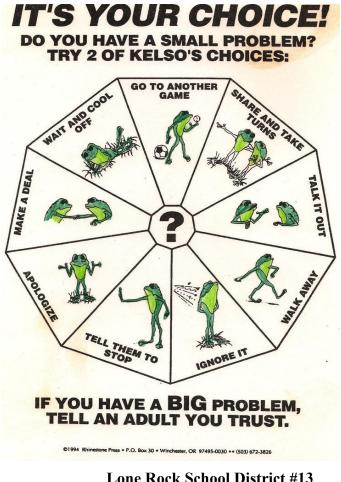

## A Kelso Reminder

Remember, when kids come to you with a small problem:

- 1) Ask, "Is it a big problem or a small problem?"
- 2) Ask, "What two of Kelso's choices have you tried?"
- 3) If needed, **remind** the child how to use each skill appropriately and have the child practice and or repeat using the skill.
- 4) **Suggest** skills that may work better when appropriate.

## Remember

Each complaint by a child is a teachable moment. The more time we can take **now** to teach, the fewer complaints we'll get later on.
