To Whom It May Concern:

RE: Asbestos Management Plan Annual Notification

Staff, Building Occupants, Parents and/or Legal Guardians,

Falls City School District in accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations located in 40 CFR 763, Subpart E, is required to provide annual notification to all building occupants regarding the presence of asbestos within the district owned buildings, which are managed within the established Asbestos Management Plan(s).

Each plan contains information pertaining to the location of known or assumed asbestos-containing materials, applicable asbestos survey reports, notifications, periodic surveillances, re-inspections, abatement and response actions and other related documentation regarding the presence of asbestos in the school district buildings.

A Copy of the management plan is available for review upon request at each school site. The inquiries should be directed to Mr. Gilbert at 503-787-3521 ext. 312.

Respectfully,

John Gilbert  
Facility Manager
