The Junior Class of '63 worked hard this year in preparation for the Junior and Senior Banquet. The theme of the banquet was "Blue Hawaii." To earn money for the Banquet, the Juniors sponsored cooked food sales, a box social, a pie social, and sold pie and cake at noon as well as selling candy and pop at ball games during the year.

Junior - Senior Banquet

Swaying palm trees and colorful leis helped to depict this year's junior-senior banquet theme of "Blue Hawaii." More than 50 people attended the gala affair given by the Junior class.

A highlight of the evening was the presentation of a scholarship to Sharon Anderson by the ICDA Insurance Company. Sharon plans to use the scholarship to continue her education at the Merritt Davis School of Commerce next year.
