## ANNUAL STAFF

# ADMINISTRATION

Mr. Earl Jambura, a former Falls City High School teacher, has been the superintendent of School District #57 for the past five years.

Under his direction, the school plant and programs have undergone many changes. The emphasis has been on academic excellence, involving a new grading system and a comprehensive K-12 curriculum. Both schools and the gymnasium have been remodeled, a new vocational building constructed, and property purchased and plans drawn for a physical education building on the elementary school grounds.

Mr. Jambura and the school board have given new life to District #57 and a renewed sense of pride to the students of Falls City High School.

# OUR SCHOOL CENTENNIAL

Falls City School Dist. #57 celebrated its 100th birthday on September 13, 1986.

Ex-students and alumni flocked to the open house at the high school, gym, and vocational building--some traveling from other states to see the results of the renovation program, meet old and new friends, have a good time, and wish Falls City Schools a happy birthday.

On Saturday, the buildings were open from 10 a.m. to 3 p.m., volleyball and football games followed at 1 and 3 p.m. respectively, with a Bar-B-Que following the football game. The 1986 Homecoming court was introduced at half-time, where Queen Jennifer Minahan was crowned. The court was introduced again that evening at the Homecoming Dance in the gym.

The Centennial celebration was the brain-child of Superintendent Earl Jambura. Sharon Houck, high school secretary, coordinated the activities and deserves much credit for the success of the event.

"One picture is worth a thousand words," so the following pages speak for themselves about Falls City Schools' 100th birthday celebration.

1947 FCHS graduate John P. Letterman attends the guest register.

FCHS alumni Helen (Bowman) and Ron Fisher sign the guest book.

President John Lindekugel

Vice-President Denny Luce

Secretary Jennifer Minahan

The Student Council consisted of the executive branch, representatives, and senators.

The executive branch was made up of the elected officers. In April, John Lindekugel was elected president; Denny Luce, vice-president; Jennifer Minahan, secretary, and Angie Rusco business Manager. Mr. Osborn advised the student government.

The executive branch was elected by an absolute majority vote of the student body. Representatives and senators were elected by the separate classes in September. These people were in charge of operating the student body and making decisions that concerned all students.

Meetings were held on a regular basis from 3:05 p.m. until business was completed.

Two of the Council's main activities were the Thanksgiving Potluck and student elections.

# FOREIGN EXCHANGE STUDENTS

This year Falls City High hosted five foreign exchange students for the very first time in the school's history. They included Albert Martin and Justi Calvo from Barcelona, Spain; Lana Vujadinovic and Biki Potkonjak from Belgrade, Yugoslavia; and Ilmo Virtanen from Kaarina, Finland.

Although Lana, Justi, and Biki left Falls City early in the year due to interest in attending larger schools, Ilmo and Albert remained. The families involved in the exchange program included the Lindekugels, who hosted Lana, Albert, Justi, and Ilmo, and the Connellas, who hosted Biki.

Upon being interviewed, the exchange students all seemed to agree that the experience of learning American culture first hand was well worth their trip to America.

# NEWSPAPER STAFF

The 1986-87 newspaper staff consisted of six students--five seniors: Kathy Headrick, Dianna Seth, Troy Irving, Ilmo Virtanen, and John Lindekugel--and one sophomore, Sherri Loiselle. They all chose journalism as an elective class. Mr. Silver, who teaches English, advises the staff and has been the editor of two issues of a literary magazine.

The name of the paper is the Falls City High Times. All writers type their own articles but edit as a group.

The purpose of the paper is to inform, entertain, and educate. Mr. Silver stated, "As we reach for those goals, it is hoped that some of our 'coverage' will cause some readers to think about the world around us, if only for a short time."

# DRIVER'S ED

Front: Michael Conway, Mike Connella, Sandy Vincent, Heidi Click, Nicole Taylor, Penny Rowell.

Back: Joe Isitt, Mr. Hoffar, Bill Diehm, Jeff Lodi, Layla Fisher, Dana Rancore.

The driver's education class began with eighteen students and was completed with twelve. It is a thirty hour class which is held after school. In addition to classwork, a student must drive for six hours and observe another student as a passenger for six hours.

Mr. Hoffar took student drivers two at a time in the driver's ed car to the coast, Corvallis, McMinnville, Salem, Dallas, and in and around Falls City. Tony Unger also drove to Portland. He is already a licensed driver.

A student may take the class at any time, but he/she must be fifteen and have a learner's permit before he/she may drive or ride.

Of the twelve students who completed the course, three have already attained their driver's licenses. Completing the course satisfactorily offers the advantage of a 10% discount on automobile insurance, and, in addition, completion of the class with a B average means an additional 10% discount.

# DRAMA

This year, for the first time in several years, the students of Falls City High School presented an evening of theatre for the public. In all, there were twenty-two students involved in the production of three one-act plays and two blackouts.

The plays were: Three Phone Calls, The Pattern is Broken, and Chickenman. The two blackouts were "I Object!" and "Putt! Putt!"

The public response to the presentation was enthusiastic and appreciative of the students' efforts, and Mr. Silver has expressed a fond hope that we at FCHS can continue this tradition and improve upon it every year.

# HOMECOMING

King Darin and Queen Jennifer

The FCHS '86-87 Homecoming Court ruled over Spirit Week in late October. The Court consisted of sophomore Queen Jennifer Minahan and King Darin Ferguson; princesses & princes seniors Lea Dickerson and Tony Unger and foreign exchange students Biki Potkonjak and Albert Martin; juniors Wendy Lynn and Denny Luce; freshmen Dana Ran-core and Mike Connella.

Spirit Week was held Oct. 19-24:

Monday - Opposite Day  
 Tuesday - Pajama Day or Backwards Day  
 Wednesday - Twin Day or Crazy Day  
 Thursday - Bum Day or Gangster Day  
 Friday - Purple and Gold Day

The Homecoming Dance and Spirit Week were sponsored by the cheerleaders. The dance was held on Oct. 31 from 8 to 12p.m. in the gym.

Spirit Week is traditional; it helps get students involved and increases school spirit.

## SPIRIT WEEK

Tyson and Scott enjoy their first potluck.

This year's Thanksgiving Potluck was held on November 27 in the new vocational building. Mrs. Buckovic and Mrs. Burgett helped the representatives set up, cook, and serve the traditional turkey, stuffing, potatoes, cranberries, salad, and pie.

Students in eighth through twelfth grades were invited, as were the faculties of both schools, board members, and special guests.

Prior to the potluck, the first annual Powder Puff football game was played by the girls, who hope to have a game every Thanksgiving.

# CHRISTMAS

Becky and Renee proudly present their new Christmas gifts.

The last school day before Christmas break was December 19. The juniors (who were the only class to have a party) celebrated by exchanging gifts and enjoying refreshments from home.

The bus for the Mohawk game left at 1:20 p.m., where, unfortunately, we lost.

Rodney's signs fit him well.

# JUNIOR - SENIOR BANQUET

The Junior-Senior Banquet was held at North's Chuck Wagon on April 25 at 6 p.m.

James Lindekugel, junior class president, welcomed the juniors, seniors, faculty, school board members, staff, & their guests. Dinner followed, & then some of the guests had dessert while listening to the seniors read their wills.

Academic and athletic awards were presented to junior high and high school students at the annual Awards Night in the gym on May 26.

A variety of awards were given by the teachers for excellence in math, science, English, social studies, home economics, and other elective classes and organizations. The coaches also presented awards for participation to the many who contributed to our athletic teams.

Kathy Headrick received the Student Athlete Award; Tony Unger and Kevin Lynn were co-recipients of the Musgrove Award.

This year's Awards Night was a hit, with about sixty or seventy people attending to watch the presentations.

## SPRING AWARDS

# ASB ELECTION

Candidates for 1987-88 student body officers were: president, James Lindekugel and Donna Esterbloom; vice-president Jennifer Minahan; secretary, Angie Rusco and Bill Diehm, and business manager, Pauline Murray.

Speeches by the candidates were April 24 in the gym. Because there were no more than two candidates for each office, only one general speech was planned. Voting was directly after the speeches.

## RESULTS

President - Donna Esterbloom  
V-President - Jennifer Minahan  
Secretary - Angie Rusco  
B. Manager - Pauline Murray

With speeches over, candidates and campaign managers await election results.

Anything for money, huh, Troy?

## SENIOR SLAVE AUCTION

Mr. Owre was auctioneer for the Senior Slave Auction held in the gym on May 12. Eleven seniors & their advisor, Mrs. DePiero, were sold for a total of \$150. In addition, the whole class agreed to work three hours for the McReynolds' for \$50 more.

Tony Unger was the biggest money-maker for the group, bringing \$30. Kevin Lynn went for \$16.50, and John Lindekugel for \$15.

Senior Slave Day was the following Friday. Proceeds from the sale were added to the senior class fund to pay for graduation and senior skip.

# CHEERLEADERS

Linda doing what a cheerleader does best.

The girls who signed up to be cheerleaders were Donna Esterbloom, Jennifer Minahan, Linda Mack, and Pauline Murray.

Practicing a minimum of twice a week under the supervision of advisor Patty Irving, the girls' responsibilities included leading cheers, getting the crowds motivated, and organizing pep assemblies, the Homecoming Dance, Spirit Week, and the bonfire.

By basketball season, Linda was the only cheerleader left.

Donna, Linda, and Pauline get school spirit going at a pep assembly.

A momentary lull in the action at a football game gives Jennifer, Linda, and Pauline time to watch a play or two.

From the coach's desk....

I had hoped we would make it to the District Playoffs this year. We didn't, as you know, but I think each girl knows why and can't wait until next year to try again.

If I am correct in my assumption, then our year has been very successful.

I love the game, the players, and coaching. I am very fortunate to be a part of FCHS's volleyball program.

With a league record of six wins and two losses, the Mountaineers were one game away from making the district playoffs this year. The team was coached by Bob Dougherty.

Running back Tony Unger was the leading scorer for the Casco League, and quarterback Darin Ferguson led the league in touchdown passes.

The team was able to play some of their games on the new home field due to near-completion of the field renovations.

Five seniors, who will be missed next year, were named to the all-league teams:

Kevin Lynn - 1st team defense

Tony Unger - 2nd team all-league running back

Robert Kapple - 2nd team defensive guard

Troy Irving - 2nd team defense (corner back)

Will Labrado - 2nd team defense (lineman)

Senior John Lindekugel received honorable mention for a solid performance at center.

Robert Kapple sustained fractured ribs and a bruised kidney at midseason, and Darin Ferguson suffered a broken leg on the first play of the last game.

Tony puts on the moves.

## GIRLS' BASKETBALL

The Mountaineer girls' basketball team started with twelve players and ended the season with nine, losing one senior because of eligibility, and two sophomores.

The girls finished the season 5-8 and 2-6 in league. The first game, against Westside Christian, ended in an FC win in overtime. At Alsea, the team found the urge to win too late. The Mountaineers pulled within three points of a win.

The girls' team will lose three seniors: Kathy Headrick, Dianna Seth, & Lea Dickerson.

Success in a sports season is too often measured by the number of wins vs. the number of losses.

However, I believe that success is measured by individual growth and team development. Using that criteria, this was one of the most enjoyable and rewarding sports seasons of my career.

## TRACK

1987 was a great year for FCHS track and field. We did well not only as a team, but also often placed higher than some class A schools we competed against at nearly every meet.

In 1987 we saw an increase in the number of participants in the boys' team and, for the first time, fielded a girls' team which consisted of four members. We went from two meets in 1986 to seven in 1987. Every meet saw new personal bests for nearly everyone. I was especially pleased to see the improvement of some of the first-time members after only a few weeks of practice.

The girls' team was a pleasant surprise throughout the year. Kathy Headrick was the cornerstone of the team, placing 1st or 2nd in the shot and disc at almost every meet. Dianna Seth was one of the most improved athletes and often scored in the 800 meter. Sophomores Donna Esterbloom and Jennifer Minahan rounded out the team. Both improved immensely throughout the season and began placing towards the middle of the year.

The boys' team met or surpassed all expectations, the highlights being at state and league meets. At the State B meet we placed 1st in the 4 x 100 relay, took a 3rd and 4th in the 100 meter, and placed 10th overall out of twenty-eight teams. At the CASCO League meet, we placed in every event and tied for 4th out of nine teams.

The newest member, freshman Sean Burgett, was the biggest find of the season, as he often beat senior athletes in his events. Robert Kapple was one of our pivotal people who always hung in to pick up a 3rd or 4th place to help our team standings. Seniors Troy Irving, Kevin Lynn, and Tony Unger, along with sophomore Darin Ferguson, were the heart of the boys' team, each participating and almost always placing in four events—the maximum any one athlete is allowed to participate in. The relay team, consisting of these four members, set a mark that will stand as a school record for many years.

Next year should prove interesting, as we will be losing several seniors. Our main goal will be to try to replace those people leaving, and to add to the total overall numbers of participants on both the boys' and girls' teams.
