Our

GOALS

Maintain a positive, safe, learning environment

- ◆ Maintain a comprehensive safety plan
- ◆ Utilize best teaching practices to ensure students will foster positive relationships and make productive life choices
- ◆ Conduct safety audit of district facilities

Increase academic success of all students

- ◆ All classrooms will be centers for reading, writing, reasoning, and relationships through the utilization of high-yield instructional practices in all classes.
- ◆ All students will show growth toward proficiency on the Mississippi Department of Education Accountability Model.
- ◆ All students will achieve success according to their academic plan.
- ◆ Students will illustrate life-readiness through improved performance on ACT College and Career Readiness Benchmarks and Workkeys assessments.

Foster a collaborative school culture that embraces achievement, transparency, and lifelong learning

- ◆ Provide quality instructional practices
- ◆ Embrace collaboration through leadership teams in every school
- ◆ Identify and offer opportunities to all students to be engaged in co curricular activities

Support an environment which enhances learning for all

- ◆ Reduce energy costs through effective energy management strategies
- ◆ Evaluate, monitor, and revise technology plan
- ◆ Continue restoration of historic auditorium
- ◆ Establish strategies to address middle and high school facility needs

Foster an open dialogue with our community to provide clear communication

- ◆ Continually and intentionally seek feedback from our community
- ◆ Increase parental and community engagement
- ◆ Utilize multiple means of media to communicate with our community

Our Vision *is to* empower ALL STUDENTS *to be* **life ready.**
