Johnny Baxter Carriage House Foundation

It's origins and purpose...

In 1984, the men and women who comprised the franchised automobile and truck dealers of Nebraska resolved to create an organization whose dedicated purpose includes the use of charitable and education activities to enhance their industry.

Through the efforts of the Nebraska New Car & Truck Dealers Association, the Johnny Baxter Carriage House Foundation was formed as a 501(c)(3) non-profit corporation capable of receiving tax deductible contributions to provide the funding and create the programs necessary to accomplish the dealers' purpose.

*Mr. John Baxter,
a founder and
past President*

The Board of Directors has thus far identified three priorities to be addressed through funded programs.

Johnny Baxter Carriage House Foundation

It's priorities...

- Help to increase the number of trained and qualified service technicians in Nebraska
- Help to improve the dealers public image.
- Help the dealers' maintain high business standards through continuing education in all phases of dealership operations.

and it's programs...

SCHOLARSHIPS

To address the priority for more trained service technicians, a program of annual scholarships for students in automotive related studies at the State's six Technical Community Colleges has been established.

Planned programs include:

An ongoing statewide public relations campaign accentuating the positive contributions dealers make to their communities and

An ongoing series of educational seminars for dealers with industry recognized leaders speaking on critical business, management, financial and legal topics.
