

POLICY 1440 RESEARCH REQUESTS

General Administration School/Community Relations

Requests for research studies involving students and/or staff of the School District must be submitted to the Superintendent of Schools or the Superintendent's designee for approval. Any research utilizing human subjects must be authenticated by the sponsoring university. Written permission from parents of the students to be involved must also be obtained as well as approval of each principal whose school is to be involved.

Board Approved: November 9, 2017
