

## **P 2660 DETENTION**

---

### **Students Discipline**

The provisions of a detention program for student violations of policies, rules and regulations shall provide principals with an additional alternative for dealing with disciplinary problems that occur in the schools. Detention is an assigned before-school and/or after-school period, during which student activity is closely monitored and severely restricted. Students are expected to be quiet during the entire detention period and to work exclusively on assigned tasks.
