

PF 2930 Concussions - Brain Injury

Students

Activities and Athletics

Any District athlete suspected of sustaining a concussion or brain injury must be removed from practice and competition immediately and may not participate in contact athletic practice or competition for at least twenty-four (24) hours. Athletes suspected of sustaining concussion or brain injury will not be permitted to return to contact practice or competition until being evaluated by a licensed health care provider trained in the evaluation and management of concussions and receiving a written clearance from the provider to return to competition. (See Form 2930 - MSHSAA Concussion Return to Play Form). Information about concussions obtained from MSHSAA (Form 2930.2) or similar materials will be made available to all student athletes and to their parents/guardians.
