Grievance Procedure

This Grievance Procedure, hereinafter referred to as "Procedure", stipulates the conditions under and the procedures by which grievances alleged by certain school employees as defined in this Contract shall be processed. If any such grievances arise, there shall be no stoppage or suspension of work because of such grievances; but such grievances shall be submitted to the following grievance procedures.

I. DEFINITIONS

As used in this Procedure:

"grievance" means, and shall be limited to, an alleged violation of a specific Article or Section of this written Contract, except where such Article or Section is exempt from this Procedure.

"superintendent" means the chief administrative officer of the School Corporation, or any person(s) designated by the Superintendent to act in the Superintendent's behalf in dealing with school employees.

"grievant" means the teacher and/or Association directly affected by the alleged violation making the claim.

"principal" means the head building administrator or the immediate supervisor of the teacher or any person(s) designated to act on behalf of the principal or immediate supervisor in dealing with school employees.

"days" means calendar days.

II. STRUCTURE

1. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to proceed independently of this Procedure.
2. The grievant may be represented by any person(s) of the grievant's own choosing at all levels of the Procedure, limited however to a total of two (2) representatives.
3. There shall be no additional evidence, material, allegation, or remedy submitted by the grievant or the grievant's representative during the grievance process, once a formal grievance has been filed at Formal Level One, provided, however, that

the Superintendent may waive the restrictions on additional evidence or material stipulated herein upon request of the grievant provided that the Superintendent determines said additional evidence or material was either not known or not available to the grievant at the time said grievance was filed at Formal Level One.

III. PROCEDURE

The number of days indicated at each level should be considered as maximum. The time limits specified may, however, be extended by mutual agreement of the grievant and Board.

A. Informal Grievance

Within ten (10) days of the time the grievant first knew or should have known of the act or condition upon which it is based, the grievant must present the grievance to the teacher's principal by meeting with the principal individually in an informal manner during nonteaching hours. The grievant may be accompanied by a representative as provided herein, provided the principal is informed in advance of the grievant's desire to have a representative present. Failure to so meet and discuss said alleged grievance as provided herein shall prevent the grievant from filing said alleged grievance at any formal grievance level(s). Within ten (10) days after presentation of the grievance, the principal shall give the principal's answer orally to the grievant.

B. Formal Grievance

1. Level One

- a. Within ten (10) days of the oral answer, if the grievance is not resolved, it must be filed by the grievant with the principal, in writing, signed by the grievant, on the appropriate grievance form.

The written grievance shall name the grievant, shall state the facts giving rise to the grievance, shall identify by specific reference all Articles or Sections of this Contract alleged to be violated, shall state the contention of the grievant with respect to the provision(s) of said Articles or Sections, and shall indicate the specific relief requested.

- b. Within ten (10) days after receiving the written grievance, the principal shall communicate the principal's answer, in writing, to the grievant.

2. Level Two

- a. In the event that the grievance is not resolved at Level One, or if no written decision has been rendered within the time limit provided, the

grievant may appeal the decision to Level Two, provided said appeal is filed with the Superintendent within ten (10) days of receipt of the written answer at Level One. The appeal shall include a copy of all materials and evidence previously submitted. At the same time a copy shall be given to the principal involved.

- b. The grievant shall submit the written claim signed by him, to the Superintendent of Schools. Within ten (10) days from the receipt of the grievance the Superintendent shall render a written decision to the grievant as to the resolution of the grievance. The Superintendent may hold a formal hearing(s) prior to the rendering of the written decision, and an additional fourteen (14) days beyond the ten (10) days shall be allowed if the Superintendent determines further investigation is necessary.

3. Level Three

- a. In the event the grievance is not resolved at Level Two, or if no written decision has been rendered within the time limit provided, the grievant may submit the grievance to the Board provided the grievant files said written appeal with the Board within ten (10) days of the receipt of the Superintendent's written answer. Upon receipt of said appeal, the Board shall consider and finally rule on the disposition of the grievance.

General Provisions

1. Decisions rendered at Formal Level One, Level Two, and Level Three of this Procedure shall be in writing.
2. All documents, communications and records dealing with the processing of a grievance shall be filed separate from the personnel files of the grievant.
3. All necessary forms for grievance procedures set forth in this Procedure shall be provided by the Superintendent or the Association Co-Presidents.
4. Failure at any level of this Procedure to render the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next level, unless said time limits be extended by mutual consent of both parties. However, the grievance must be appealed by the grievant to the next level within the specified time limit for that level or said grievance shall be deemed resolved by the Board's answer at the previous level and abandoned.
5. Any hearing at the Informal Level and at Formal Level One, Level Two, and Level Three shall be held during non-teaching hours unless otherwise directed by the Board.

6. No teacher shall use this Procedure to dispute any action by the Board, which is applicable to Indiana Code.
7. No teacher shall use this Procedure to appeal any decision by the Board or administration if such decision is applicable to a State or Federal Regulatory Commission or Agency.
8. Teachers shall follow all written and verbal directives, even if such directives are allegedly in conflict with this Contract. Compliance with such directives will not in any way prejudice the teacher's right to file a grievance with the time limits herein, nor shall compliance affect the ultimate resolution of the grievance.
9. This Procedure supersedes and cancels all previous grievance policies or procedures, verbal or written or based on alleged past practices or procedures, and constitutes the entire procedure for the processing of grievances.

ARTICLE VI

Buy Out of Retirement Benefits

A. Entitlement to Retirement Benefits and Vesting Requirements

Upon retirement from the Corporation, a teacher shall be fully vested in the retirement benefits described in this Article if the retiring teacher has satisfied the following requirements:

1. The retiring teacher has reached the age of fifty-five (55); and
2. Immediately prior to retirement, the teacher must have completed not less than fifteen (15) full years of service as a professional educator with the Corporation.
3. The teacher must submit a binding written resignation of duties no later than March 1 of the last year of service, and the teacher shall designate a beneficiary. By Board resolution both March 1 deadlines may be waived. Part-time teaching with an Indiana public school corporation following retirement shall not disqualify a teacher for early retirement benefits if the earnings from such part time teaching do not exceed the maximum allowable Indiana public school earnings limit established by Indiana law or the regulations of the Indiana Teachers Retirement Fund.

B. Buy Out Contributions

1. VEBA. The school corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501(c)(9) of the Code, fifty percent (50%) of the amount representing the present value of the Retirement Pay as

calculated for all employees under subsection C above. The terms and conditions for the administration and operations of the VEBA shall be as follows:

- a. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
- b. Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Article, the employee shall have no access to the assets held in his or her separate VEBA account.
- c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's VEBA account shall be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. Qualified members of that school year will receive an equal share of the forfeited amount. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:
 - (i) Employees who forfeited their VEBA accounts in the same year;
 - (ii) Employees who previously forfeited their VEBA accounts; and
 - (iii) Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of fifty-nine (59), but who have not terminated employment may share in the reallocated forfeiture.

- d. Following retirement and the satisfaction of the requirements set forth in this Article, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums, term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee who had otherwise satisfied the requirements of this Article, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses of the employee's spouse and dependents. At no time may the VEBA make loans to an employee, his/her spouse, or his/her dependents.
2. 401(a) Plan. The school corporation shall establish a qualified retirement plan as described in section 401(a) of the Code. Fifty percent (50%) the total sum of the amount calculated by Educational Services Corporation as the present value for the

Retirement Pay shall be contributed by the school corporation to the 401(a) plan by the 31st day of December, 2004. The 401(a) plan's terms and conditions for the administration of the 401(a) plan shall be as follows:

- a. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan.
- b. Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Article, the employee shall have no access to the assets held in his or her separate 401(a) plan account.
- c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts. Qualified members of that school year will receive an equal share of the forfeited amount. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:
 - (i) Employees who forfeited their 401(a) plan accounts in the same year;
 - (ii) Employees who previously forfeited their 401(a) plan accounts; and
 - (iii) Employees who have attained age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401(a) plan accounts of employees who have attained the age of fifty-nine (59), but have not terminated employment may share in the reallocated forfeiture.

- d. Following retirement and the satisfaction of the requirements set forth in this Article, a retired employee may elect to commence distributions from his 401(a) plan account. If an employee dies after having satisfied the requirements of this Article, the deceased employee's 401(a) plan account shall be distributable to the descendant's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) plan account.
- e. The school corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the administration of the 401(a) plan and investment fees shall be paid from the 401(a) plan assets.

C. Future Adjustments

The parties agree that this Article, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Article shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.

ARTICLE VII

Retirement Savings 401 (a) Annuity Plan

- A. The school corporation shall establish a qualified retirement plan as described in section 401(a) of the Code. The Board agrees to contribute into each individual's separate 401(a) account three quarters of one percent (0.75%) of the teacher's annual salary.

There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan.

Each bargaining unit member shall be 100% vested in these individual 401(a) accounts upon the signing of the sixth contract with the Corporation. All employees currently on the 403(b) schedule from the previous contract will continue their current placement on the schedule. The teacher's 403(b) accounts are fully vested at all times.

ARTICLE VIII

Retirement Savings VEBA Plan

- A. The school corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501 (c) (9) of the Code. The Board agrees to contribute three quarters of one percent (0.75%) of the teacher's annual salary into each teachers account.
- B. The Board shall make equal monthly contributions throughout the school year, and will complete its contributions on or before August 1 of each succeeding year. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the VEBA Plan.
- C. Each bargaining unit member is considered vested in these individual VEBA accounts upon signing the sixth contract with the corporation.

ARTICLE IX

Sick Leave Bank

The Sick Leave Bank is not designed to give unlimited sick leave to all teachers. Its primary purpose is to give a teacher substantial income protection in the event of a medical catastrophe. It is also designed to provide a maximum benefit to teachers who have utilized the regular sick leave days in a professional manner.

A voluntary sick leave bank shall be established whereby a teacher, as defined herein in Article I who is absent from assigned duties due to personal illness and who has utilized all sick leave and personal leave may petition a committee, as established herein, for sick leave days from the bank under the following conditions:

1. The number of accumulated days in the bank shall not exceed one hundred eighty (180) days, provided, however, that:
 - a. a veteran teacher who is not a current member of the bank may become a member by contributing one (1) sick leave day to the bank not earlier than August 1st nor later than September 15th any subsequent year, and;
 - b. a teacher who is newly hired in the School Corporation shall have two years, from the date of hire, to enroll in the bank by contributing one (1) sick leave day, even though such contribution by such veteran or newly hired teacher would cause an accumulation of days in excess of the maximum specified herein;
 - c. All certificated personnel who do not enroll during their initial two years of employment, shall have their enrollment rights restricted as follows:
 1. They shall not be eligible to enroll in the Bank for a period of two (2) years from the end of their second initial year of employment.
 2. If after the two (2) year waiting period, a certificated employee enrolls in the bank, he/she must wait an additional year from his/her enrollment date before being eligible to borrow from the bank.
 - d. A retiring teacher may contribute up to five (5) days to the sick leave bank of his/her remaining days.
2. Said employee may be granted days from the bank under the following conditions:

- a. However, in the event that the number of accumulated days in the bank at the beginning of a school year is sufficient number that a contribution of one (1) sick leave day by all teachers who are current members of the bank would cause the maximum number of days specified hereinabove in Paragraph One (1) to be exceeded, the current year's contribution by all such current members shall be suspended, except that in case the bank is depleted during the school year, the current year's contribution shall be assessed at the time of such depletion;
 - b. The teacher must have utilized and exhausted all paid leaves applicable to personal illness of whatever nature, including said teacher's own accumulated sick leave and personal leave;
 - c. Written certification will be provided from said teacher's physician substantiating the illness and certifying that the absence will continue during a period of at least twenty (20) consecutive days;
 - d. Written application by the teacher or legally designated individual who carries power of attorney must be made no later than twelve (12) days after exhaustion of said paid leave benefits;
 - e. The teacher must have been absent for at least (10) consecutive days after exhaustion of said paid leave benefits. Said ten (10) consecutive days of absence must be taken as unpaid leave, and sick leave bank days shall be applied upon the eleventh (11th) day of absence. The ten (10) days of unpaid leave shall apply for each separate case of a teacher's qualifying as a medical catastrophe;
 - f. The teacher may return to work on a partial schedule with written certification provided by said teacher's physician stating that the teacher is able to work a modified schedule. Partial day withdrawals from the sick leave bank in the event of a modified work schedule shall be taken in half (1/2) day units.
3. A four (4)-member sick leave bank committee shall be established to receive written requests and allot days from the bank according to the provisions herein, under guidelines established by the committee. The committee shall be composed of two (2) bargaining unit members proportionately appointed by the Association and two (2) persons appointed by the Board. All committee members shall be certificated personnel in the Randolph Central School Corporation. The teacher appointments shall be made in accordance with IC 20-29-5-7.

Records and procedures shall be in compliance with the Indiana State Board of Accounts rules and regulations.

4. Any days granted by the committee to an individual teacher shall terminate effective the earliest date as hereinafter provided:
 - a. The day after the last day of the term of employment for the school year, or
 - b. The day after the last day of allotted number of days granted by the committee, or
 - c. The first day of return of full-time employment subsequent to the granting of days by the Committee.

5. All donated days are a permanent contribution to the Bank and are not transferable to another school corporation should a participant leave the Randolph Central School Corporation.
