The Community Ed program is the part
of the school district designed to link the
schools and community. Because the school
buildings belong to you - the public- we like to
give you every opportunity to get into the
classrooms and do some learning yourself.

We are always looking for individuals
who would like to share their hobbies, talents,
and skills by teaching a Community Education
Class. Most instructors are not professional
teachers. They are community people like you
who enjoy being with people and sharing their
talents. Instructors are paid. If you have any

Register Early
Remember to register early so you won’t be disappointed. Often classes reach the maximum enrollment early. Occasionally, we cancel a class because enrollment is low. If a class you have signed up for is changed, canceled, or full, you will be called.

Are you in?
Yes - unless you hear from us. No class confirmations are sent. Simply show up for the class and enjoy!

Inclement Weather
If school is canceled, Community Ed. Classes and ECFE Classes are canceled as well. Check the district’s website for announcements or listen to a local radio station.

Cancellation Policy
If you have to cancel, we can give a full refund only if you notify us at 935-2211 at least 2 days prior to the first class meeting. Refunds after a class has begun will be given only in extreme circumstances. In the unlikely event your class is canceled, we will give a full refund.
