

Joyce Anderson, Interim Superintendent (effective April 29, 2022)

Helena west Helena School District

Dear Community Member:

It is my honor and distinct privilege to serve as the Interim Superintendent of Schools for the Helena West Helena School District (effective April 29, 2022). I take this opportunity very seriously and will perform my job with efficiency, enthusiasm, and commitment. I will “begin at full speed on listening and learning” in order to gather as much information from stakeholders within the schools, as well as from parents and community members.

I am looking forward to a productive partnership with all stakeholders to ensure that every child achieve their highest potential. Whether your child thrives in a gifted and talented learning environment or has special needs HWHSD provides a welcoming, nurturing educational atmosphere for all students.

I want to thank you for the opportunity and sharing your most precious gift - your child - with us. We will strive to make this a continuous great school year for all students, and I want to assure you that our staff strives for "Every Child, Every Day, Whatever It Takes." I look forward to working with you all for the benefit of our children.

Joyce Anderson, Interim Superintendent

Helena West Helena School District
