Your Home Language indicates that your child and family's primary language is a language other than English. Therefore, the Buncombe County Public School System is required to test your child on the NC state language proficiency test.

The testing will be completed at the Intake Center, located at the Buncombe County Public Schools Administrative Offices (directions below). Bilingual staff (Spanish) will be available for translation, but speakers of other languages will have to bring an interpreter.

For more information or to make an appointment, please call us at **(828) 225-1137**.
