

The board endorses the goals of the Community Schools Act. The board will make specified indoor and outdoor school facilities available for use by eligible community groups under agreements developed in accordance with this policy. The board also will make some outdoor school facilities available for limited recreational use by the general public when not inconsistent with the board's use of the facilities. Any use of school facilities that disrupts school activities or that damages school property will not be permitted.

A. PRIORITY IN USE/FEE STRUCTURE

In accordance with G.S. 163-129, the county board of elections is entitled to use school facilities as a polling place on election days. School-sponsored groups and activities, such as school athletic events, and school drama and choral productions, and meetings of student organizations, including organizations permitted to meet under the Equal Access Act, will have first priority in the use of school facilities.

Priority in the use of school facilities by other groups and the fee structure for such groups will be in accordance with the following user categories. Priority in use among groups within the same user category will not be based upon the viewpoints of the groups. All groups within the same user category will be charged for facility use according to the uniform fee structure.

1. School-related groups (organizations formed to support the school in some manner, such as the PTA, PTO, teachers' and principals' organizations, and booster clubs).

Fees: Fees for use of kitchens will be charged, as applicable, to cover costs. Custodial or supervisory fees may be charged.

1. In accordance with G.S. 115C-527, political parties for the express purpose of annual or biennial precinct meetings and county and district conventions

Fees: Custodial and utility fees may be charged.

2. Local government and youth organizations, including, but not limited to, scouts and 4-H

Fees: Custodial, and/or supervisory fees will be charged. Fees for use of kitchens will be charged, as applicable, to cover costs. Utility fees may be charged.

3. All other not for-profit groups (all groups not included in the other categories as well as political parties when meeting for purposes other than precinct meetings or county or district conventions).

Fees: Rental, utility, and custodial and/or supervisory fees will be charged. Fees for use of kitchens will be charged, as applicable, to cover costs.

The superintendent shall adopt a schedule of fees for use of facilities, to be set out in Policy 5030R. The superintendent may modify the schedule of fees as needed and shall report any such changes to the Board at the regularly scheduled meeting of the Board prior to the effective date of such changes. Fees set out in Policy 5030R are intended to recoup a portion of the personnel, utility and maintenance costs of facility use by community groups and are not intended to result in a profit to Buncombe County Schools.

B. FACILITIES AVAILABLE FOR USE

The superintendent or designee shall develop and make accessible to the public a list of school facilities available for community use. Among the types of facilities that may be available for community use are auditoriums, athletic fields, dining areas, kitchens, designated classrooms, gymnasiums, media centers and playgrounds. School facilities not listed as available for community use may be used only in exceptional circumstances based on a justified need and in accordance with terms approved by the superintendent or designee.

C. RULES GOVERNING USE OF SCHOOL FACILITIES

The superintendent shall develop regulations consistent with this policy. The regulations will include an application process and provisions regarding the supervision of groups using facilities, the care of facilities, prohibited conduct and other issues deemed appropriate by the superintendent. The regulations will be made available to the public along with the facilities use application form. In addition to the regulations established by the superintendent, users of school facilities must comply with the following rules:

1. Users must comply with all federal, state and local laws and all rules established by the board, the superintendent or designee, and the principal.
2. Users must comply with the requirements of the Americans with Disabilities Act (ADA) (particularly Subchapter III pertaining to Public Accommodations and Services Operated by Private Entities) and the federal regulations that have been adopted for the implementation of the ADA.
3. Users must comply with board policy and legal requirements forbidding the use of tobacco products in school facilities and on school grounds (see policy 5026/7250, Smoking and Tobacco Products).
4. Users must not consume or possess alcohol or drugs on school grounds (see policy 5025, Prohibition of Alcoholic Beverages).
5. Users must not possess weapons or explosives while on school grounds (see policy 5027/7275, Weapons and Explosives Prohibited).

6. Users must not make any modifications, improvements, or alterations to school facilities without the prior written approval of the superintendent or designee.
7. Users must not display or distribute materials that are vulgar, indecent, or obscene or use vulgar, indecent, or obscene language while on school grounds.
8. Users are responsible for supervising their activities and the people present at their activities. Users are responsible for maintaining order and safety during their activities.
9. Upon departure, users must remove any materials or equipment they brought onto school grounds.

A user's violation of the provisions of this policy or any applicable regulations is grounds for suspending the user's privilege to use school facilities for a period of time deemed appropriate by the principal, subject to the review of the superintendent and the board of education.

D. FACILITY USE AGREEMENTS

A group that wishes to apply for permission to use a school facility must submit an application to the principal of the school at which the facility is located. If a facility use request is approved, the user will enter into a written agreement signed by the user and the superintendent or designee. Absent unusual circumstances, facility use agreements will not be granted for a term longer than one year. An agreement to span more than one year must be approved in advance by the board.

E. DAMAGES AND LIABILITY INSURANCE

Users of school facilities are responsible for the conduct of all persons involved in the users' activities while on school property. Users are responsible for all damage to school facilities, property or equipment that occurs while the facility is being used by the group, regardless of who caused the damage.

All user groups, except school-sponsored groups, must furnish a certificate of insurance for general liability coverage with a total limit coverage of \$1,000,000 for each claim made. Alternatively, the superintendent or designee may require the user group to execute a waiver of liability that states that no liability will be attached to the board of education, individually or collectively, for personal injury or personal property damage by reason of use of the school property.

F. REVIEW OF DECISIONS CONCERNING USE OF SCHOOL FACILITIES

Any person or organization may request a review of any decision made by a school employee pursuant to this policy in accordance with policy 1740/4010, Student and Parent Grievance Procedure.
