Indicators Assessed

Objectives Planned For

Monitor (updates made)

A2.04: Standards Aligned Units (Lisa)

Lisa will look at Wit and Wisdom for links to upload

A4.16: Transition Plans Between Grades and Schools (Kylie)

Poletti shared documentation of how we have demonstrated transition plans between BES and NWR. Lisa shared kindergarten transition documentation from last year. Can we mark this one off as complete? If so, do we need to pick another goal to replace it.

At the end of last school year, all teachers met with the principal to talk about students/ needs/scores etc... We'd like to add a component so that teachers from the next grade can join to hear about kids, and curriculum needs. This could also be a time to discuss cross-grade-level expectations, strengths/weaknesses.

C3.04: Hiring Procedures / Rewarding Employees (Connie)

Jason Hyatt and Ashley Edwards provided loads of documentation of ways they rewarded staff last year. Can we also mark this one off?

Connie shared with the principal survey for staff morale

Marked complete after documentation is uploaded

A3.04 (Holly)

Unit pre-tests and post-tests results are reviewed by the Instructional Teams to make decisions about curriculum and instructional plans and to flag students in need of intervention or enrichment. (5113)

We will look at BOY, MOY, EOY data from Mclass and MAP to look at growth.

Holly will upload data from our Data dig in October.
