VI. Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

B2.01 School culture will promote and support the physical, social, emotional, and behavioral health of all school personnel.(5855)

Monitor (updates made)

B2.021 School Culture supports SEL of all school personnel

Have Wellness Committee determine what that goal will be, what will be the timestamp and the actions to reach that goal

Ex: fitness room open to staff, step challenge, etc

Voted to send to Wellness Committee

VII. Other Business

Action Taken:

Hats → teacher autonomy within the classroom → only allowed on Fridays this semester

No hats beyond shoulders

Nothing offensive or suggestive

5 and Done

Listed in student handbook → after last faculty meeting teachers looked at school handbook and wondered why consequence of playing is not being adhered to once a student has had 5 days of OSS

Is the Consequence adapted for NBHS or is this a BCS Policy

If we are not going to adhere/administer then should it be removed from student handbook

Dr Sircey → not about playing but about attending events

Athletics are governed by rules of NCHSAA and Athletic Handbook (each team has their own consequences)

Was written to exclude for “fun” extracurricular activities and not athletics → students do have the right to earn back

Members pointed out that wording says participating and attending

Agreed to discuss in PLC on Thursday and Dept Heads will report back to Dr Sircey any concerns or clarifications

NC Star Best Practices Checklist

SIT went through the checklist and made sure the team was addressing and adhering to the standards

Kira has been duly elected by a body of her peers to represent the support staff and fulfill Ms

Melikiens term

Called for election of a Note Taker → Ms Schule was voted on and accepted

Need to look over the committee purpose and notes during a future meeting → located in shared drive
