Monitor (updates made)

Today all team members and parents shared their ideas about which indicators we want to start working on at NBHS. As a team we identified four indicators we feel would be the best focus for our school during this upcoming year:

- A4.01 - The school implements a tiered instructional system.
- A4.06 - All teachers are attentive to students' emotional states.
- C3.04 - The school has established a system of procedures for recruiting, evaluating, and rewarding staff.
- E1.06 - The school regularly communicates parents about the importance of the curriculum of the home.
