Indicators Assessed

Objectives Planned For

Monitor (updates made)

Discussed Key Indicators and how we might choose next indicators to work on.

A4.06 - New counseling referrals are going well. Info sharing between counselors and teachers is going well. Lunch and learns have started.

A4.16 - Hawk Quest is meeting on Mondays. Counseling will create monthly guides to help teachers know what they can be talking about with students. Hawk Quest advisors are making referrals to counseling, which is good in getting kids with needs identified early.

B3.03 - Administrators will monitor curriculum and instruction.

E1.06 - All teachers should continue to make sure websites are updated and that parents have all the information they need.

We need to continue to look at the rest of the 12 key indicators.
