

Annual Newsletter 2022

MISSION:

The mission of the Fairview School Foundation is to enhance educational experiences throughout the Fairview School District. We will accomplish our mission by:

- Providing funding for new and existing educational programs
- Providing post-secondary scholarships to graduating seniors
- Growing the financial base of the Fairview School Foundation for the future

VISION:

To build partnerships that provide sustainable support to the Fairview School District.

Dear Friends of the Fairview School Foundation,

YOU DID IT AGAIN! Your generosity helped the Foundation have another terrific year raising funds to help our Fairview School District “reach beyond” the ordinary to achieve great things!

The Fairview education team continues to amaze. We are so lucky to be able to support such a talented and dedicated group of professionals. I speak on behalf of our entire Board when I say we are proud to help provide a way that our entire community can support the work of these fantastic educators, who provide our kids with a truly world class educational experience.

Thanks to you, our fundraising efforts went well again this year. Our largest event, the 24th Annual Golf Outing, was our biggest ever and was a great success. Thanks to all the sponsors and golfers for your generosity and good spirits. Thanks to Allison Hodas and her Golf Committee for arranging a fantastic event.

So how does your money help our students? Your generous donations allowed us to do the following:

- Award 35 scholarships to well deserving 2022 Fairview High graduates.
- Through our “mini-grant” program, fund 12 different special educational programs. (See the mini-grants section of this report for all the exciting details!)
- Through our Student Support Fund, we spent over \$6,000 in emergency assistance to students and families suddenly finding themselves in need of money for shelter, food, clothing, personal hygiene products or other essentials.

I also want to recognize the great work of Carrie Ennis and Jim Lyons. Carrie and Jim left our Board this year after years of outstanding service. Carrie and Jim improve everything they touch, and we thank them for their dedicated work for our students.

And finally, I also want to acknowledge the great work of the professionals who make the foundation go – our Director of Operations, Kim Seth, and our Director of Development, David Williams. We do not have the space to list all the valuable work Kim and David do for the Foundation and our kids. It is sufficient to say we simply could not function without their tremendous service.

Please consider helping us again in the 2022-23 school year. We can't thank you enough.

Sincerely,

Craig Murphey
President, Fairview School Foundation

Choose Fairview School Foundation and a small percent of your purchase will go directly towards our mission of enhancing the educational experience of the students of Fairview!

Thank You!

Erie Gives Day

August 9th, 2022 was another record-breaking day for the Erie community! 11,234 donors participated in Erie Gives, raising \$8,178,207 for over 400 local non-profits. The Fairview School Foundation saw 70 donors give \$10,629 to support our programs throughout the school district. A huge THANK YOU to everyone who participated!

It is truly wonderful that we have such a generous community supporting the students of the Fairview School District. Your donations directly fund grants to teachers for enhanced educational opportunities in the classroom, assist us in supporting the financially disadvantaged students and families in the District, and scholarships to our graduating seniors.

Erie Gives started in 2011 in honor of the Erie Community Foundation's 75th Anniversary. On the second Tuesday in August ever since, donors have had the opportunity to make gifts to their favorite local charities, with those organizations receiving a prorated match for the donations. Every year, the number of donors and the total amount raised has significantly increased, making an enormous impact on our community! Mark your calendars now - the next Erie Gives Day is August 8, 2023. Thank you again for your support!

Golf Outing

Even though the day started a little gloomy, our 24th annual golf outing on Monday, July 18th 2022 ended up very nice. With 128 golfers and more than 50 sponsors and donors, this event was a huge success! Raising more than \$20,000, the golf outing is the Foundation's primary fundraiser and attracts a wide variety of participants. All funds raised through the golf outing support our teacher mini-grant program, scholarships to graduating seniors, and our Student Support Fund which financially assists disadvantaged students and their families.

Thank you to all of our volunteers and sponsors for helping us make this a great event. The students of Fairview say "Thank You"!

Always a Tiger!

Mini-Grants

FES - Summer Reading Celebration Tails & Tales with Jungle Terry

Every summer, the students at Fairview Elementary School are encouraged to complete a summer reading challenge. The purpose of the summer reading challenge is to help eliminate "summer slide", improve students' reading skills, maintain growth made during the school year, and continue to develop their love of reading. The entire school is included in this challenge, including the incoming kindergarteners and outgoing 4th graders.

To celebrate their accomplishments, Fairview Elementary School has a Summer Reading Celebration Day in the fall. Students who completed the challenge are recognized and celebrated, including prizes and free books to take home. In addition, we always have an assembly to celebrate our love of reading and our hard work over the summer.

For this year's theme, we collaborated with the Erie County public libraries and named our program "Tails and Tales". This theme opened up fun experiences exploring different types of animals for our summer reading program. 'Jungle Terry and Friends' from Ohio is an educational animal show that specializes in schools and special events. This traveling zoo will visit Fairview Elementary and give the students a hands-on experience with live animals. This program is the perfect opportunity to celebrate and reward those summer readers, and learn about animals, too!

The Foundation proudly funded this project with EITC donations.

FMS - Anti-Bullying Campaign school-wide assembly

October is National Bullying Prevention month. As part of our school-wide initiative, JLine Dance Crew performed an assembly focused on messages of anti-bullying, respect, responsibility, and setting goals on Friday, October 8th. Fairview School District's vision includes developing respectful students who are mindful of the needs of others. This presentation is a preventative school-wide intervention that emphasizes expected and appropriate behavior for all members of the Fairview community.

The Foundation supported this program through the Ann Moore Speaker Series fund.

FHS - Life Skills Community Inclusion Field Trips

The Foundation has partnered with other community members to provide funding for the Life Skills Community Inclusion field trips. Their teacher, Abby Yatsko, is excited to give her students the opportunity to explore their community and enjoy many of the activities enjoyed by their non-disabled peers. Students in community-based classrooms, such as ours at FHS, often take field trips to practice social skills. Studies have shown that it is imperative that these students gain social experiences outside of their classroom and school. Ms. Yatsko firmly believes there are so many life skills that can be gained through getting students out into the communities they will one day be expected to live in. The students need opportunities to see their community with the guidance of a caring adult and they need to practice becoming productive citizens in their communities. These trips are more than just fun outings. They're growing experiences.

For example, students learn how to pick the right movie for everyone in a group and respect majority rules, interact with cashiers. They also learn how to manage small amounts of money when paying for tickets, keep tickets and practice socially acceptable behavior in the theater during the showing. This is just one example! Ms. Yatsko and her team, turn every field trip into a learning opportunity.

We are excited to see how these students grow!

FMS - Financial Literacy Project

Middle school teacher, Sophia Arnone, was the recipient of this grant from the Foundation. As part of her curriculum, Ms. Arnone teaches her students about real world situations they will encounter such as applying for a job, receiving a paycheck, and paying bills. Currently, students are accessing an online virtual bank account to learn the important of managing, saving, and investing money through Stash101.com. Each student has the opportunity to manage a checking and savings account, pay bills, purchase assets, purchase from our class store, set up a 401K, and much more. This project introduces financial literacy to our students at an early age in 5th grade. Each student has a job that they have applied for. Each day, they clock in to their job on the website and get paid hourly. Once a month, students are required to pay a \$100 bill for "desk rent." This helps students realize the importance of budgeting. With what is left over, students may shop at our classroom marketplace. Once a month, the classroom marketplace opens which is where the teacher incentivizes the financial literacy project. This grant was used to fill the store to make sure there are enough items for each of Ms. Arnone's three periods to purchase items on that day. Prior to this, she was funding the store out of her own pocket. We are happy to fund this exciting program.

FMS - Three-dimensional geometry tiles

Three-dimensional geometry can be a difficult area of study for 6th grade students since visualization and manipulation are challenging. Math teachers, Kim Gerber and Kayla Perdue, wanted to make abstract concepts more concrete for the students. With the use of magnet tiles, the students will be able to construct three-dimensional shapes and evaluate their characteristics. The tiles can also be manipulated to create nets and be used to calculate surface area and volume. The Foundation was happy to purchase 7 sets of the Picasso Tiles to bring the curriculum to life.

FMS/FHS - Nathan Harmon speaker

The Foundation was proud to bring internationally recognized motivational speaker Nathan Harmon, from Your Life Speaks, to Fairview Middle and High Schools. Nathan's presentations powerfully address navigating adversity, mental health, overcoming adversity, the power of choice, leadership, character development, and bullying. We recognize that this year student mental health is at a low point and students of all ages are struggling to treat each other with kindness

and respect. Nathan's presentation is the impactful message that students need right now. Nathan provided four, hour long presentations (one for each grade block - 5th & 6th, 7th & 8th, 9th & 10th and 11th & 12th), a 45-minute breakout group for students identified as at-risk for mental health concerns, and a 45-minute teacher motivation presentation. This comprehensive presentation series will address many needs of our school community. All students participated in the school-wide presentation on character, bullying, and the impact of our words, a small group of at-risk students talked with Nathan about mental health and overcoming adversity, and teachers learned about self-care.

The Foundation funded this project with EITC donations.

FES - Virtual Reality Lab

Mr. Hineman and Mr. Bookhamer were awarded the funds for their grant request to expand the development of the Virtual Reality Lab at the Elementary School. This STEM based initiative is taking place in the Art Classroom at FES, exposing students to new technologies and software that allow them to design in the digital and virtual worlds. The VR Lab will expand the current virtual reality capabilities of the school district from small projects to whole grade level learning experiences. The VR equipment can be used for virtual art projects, computer science, and exploring a multitude of STEM concepts. The equipment will allow for multiple students at a time to learn, interact, and experience the Virtual Reality technology and curriculums. As the district continues to develop VR platforms, we can incorporate all core subjects into the learning experiences. FSD students will use cutting edge technologies to continue their learning pathway and prepare them for a future digital world. The VR systems that we are building will be designed to be mobile. This will allow the school district to move the equipment for future projects and expansion to other locations at FSD.

The Foundation proudly funded this project with EITC donations.

FES - Kindergarten Readiness Kits

The Foundation is proud once again to be able to purchase Kindergarten readiness kits for all of our new "Tigers" that will be starting school in the fall. These kits have great information and skill-building tools that students and parents can work on together to ensure a successful start to their career at Fairview. The kits include a usable draw-string bag, magnetic numbers and letters, scissors, a book about Kindergarten, crayons, a book of construction paper, and useful information about the Kindergarten teachers and other staff, as well as policies, procedures, and expectations at Fairview Elementary School.

The Foundation funded this project through EITC donations.

Mini-Grants (Continued)

FES - author Jerry Pallotta visit

On April 6, 2022, Fairview Elementary welcomed award-winning author, Jerry Pallotta for a special visit. Mr. Pallotta has written the best-selling series, Who Would Win, which is a high interest set of non-fiction books that match-up 2 animals against each other.

Jerry's talk is a behind the scenes tour of his various titles. While discussing his creative process, Jerry offers great lessons in problem solving, inspiration for writing, and lots of funny stories. He conducted three separate presentations, each one hour long. He also signed books for students and staff.

Having Jerry Pallotta visit Fairview Elementary School was very beneficial. Students felt empowered hearing Jerry's story of perseverance and how he was determined to follow his dreams. They were inspired to read more, after hearing the impact reading has had on Jerry's life and being exposed to all of his publications. Because many of his books are non-fiction, students will gained content knowledge through reading facts and information on a variety of topics. Contests were run before the day of his visit, encouraging students to explore his books and even write their own Who Would Win book.

The Foundation proudly funded this project with EITC donations.

FMS - AED trainers

Ms. Staab requested AED trainers to support the instruction of the CPR/AED unit in her 8th-grade class. This simulator teaches students how to use an AED in case of emergency and gets them comfortable hearing the prompts from an AED if they ever had to use one. The main goal is to teach students that it is possible for them to save a life!

FHS - Memory Project – Drawing and Painting

The Memory Project is a charity organization that allows art teachers and students to make portraits for youth around the world who may have been neglected, lost a parent, involved with violence, or lives in extreme poverty. This project is a great way for some of Fairview High School's best artists to use their talents to benefit others and to show kindness. The organization will send the art teacher both a physical print and a digital image of a child. The art student will draw or paint that child's portrait. It will then be sent back to the organization where they will hand deliver the finished portrait to the child. The art student will receive a video record of the event. This project is meant to help these impoverished children to feel valued and important – it also allows our students to become more empathetic and aware of what life can be like outside our small town. The Foundation is proud and excited once again to participate in a small act of kindness that can bring a difference to a child in another part of the world.

Junker Award

The Fairview School Foundation Board of Directors proudly named the Fairview Area Historical Society as the 2022 Barbara F. Junker Community Service Award recipient. The presentation took place at the Sturgeon House on October 19th. This prestigious award is presented annually to an individual, group, or organization which shares Mrs. Junker's commitment to the Fairview School District and embraces the characteristics of dedication, loyalty, and community service.

The Fairview Area Historical Society is a non-profit organization whose mission is to preserve and promote Fairview's rich history. This year they are celebrating 45 years of service to our community! Over the years they have researched, collected, and displayed countless archives and artifacts. They routinely educate our citizens and school children. We are very fortunate to have this amazing group of volunteers safeguard our heritage for future generations.

Please join us in congratulating them!

Past Honorees are:

2002 – Barbara F. Junker	2012 – Fairview Presbyterian Church Ministries
2003 – Dennis Ranalli	2013 – Joan Martter
2004 – Fairview Evergreen Nurseries	2014 – Gerald Drabina
2005 – Mary Lou Zone	2015 - Ginny Sundberg
2006 – Gregory A. Baran	2016 – Fairview Garden Club
2007 – Don & Fran Buseck	2017 – Amy & Jeff Brinling
2008 – The Weislogel Family	2018 – Barbara K. Wingerter
2009 – Guy Buell	2019 – Laura Symes
2010 – Judy Jones	2021 – Dr. Katie Kutterna
2011 – Jerome Simon	

Student Support Fund

In recent years, the number of Fairview students and families facing financial hardship has grown exponentially. The demographics of the Fairview community have changed dramatically over the last decade. The Student Support Fund was created in 2009 to provide assistance to qualified students who face pressing needs for school supplies, food, clothing and hygiene products. It also provides emergency assistance to students after a disaster, such as a house fire or other catastrophic event. This may include health emergencies as well.

It is difficult for a hungry or homeless student to do well in school. The Student Support Fund is there to help our students in need, both physically and emotionally. The identity of students receiving this help is kept strictly confidential. On behalf of everyone who benefits from this fund, thank you to those donors who make it possible.

Facebook and Instagram

You can find us on Facebook and Instagram to see photos from our events and to get information about our up-coming activities.

Internet

We also have a website at

www.fairviewschoolfoundation.org.

Here you will find descriptions of the scholarships we offer, information about our mini-grant programs, our honorarium and memorial programs, events, photos, and more. We also have a "donate" tab on our home page where you can make donations to the Foundation with a debit or credit card. As always, we thank you for your generous support!

Endowed Scholarships

Fairview School Foundation School Service Award

Giovanni Natalie (\$1,250)

Ian Richter (\$1,250)

Delaney Schwab (\$1,250)

Christopher Spriegel (\$1,250)

Four School Service Recognition Awards based primarily on the applicant's contribution to the school district are presented annually. Recipients are selected by an independent board upon extensive review of applications.

Mike George Memorial Fund

Nathan George (\$1,000)

A memorial award in Mike's honor is given to one senior who exemplifies excellence in athletics, academics, service, and leadership. This award is chosen by the high school faculty.

Jason Hunter Award

Giovanni Natalie (\$500)

This award is given in memory of Jason Hunter, FHS Class of 2015, to the football player who best exemplifies the qualities of a most valuable teammate: enthusiasm, positive attitude, and a strong work ethic.

Barbara Junker Memorial Fund

Glenn Louis (\$500)

Christopher Spriegel (\$500)

The considerations for this scholarship are the applicants participation in a sport and contributions to the community.

The winner of this award is chosen by an independent board upon extensive review of applications.

Julie Glennan King Memorial Scholarship

Jennifer Hunter (\$1,778)

Chosen by the high school faculty, the Julie King Memorial Scholarship is annually awarded to a female graduating senior who demonstrates scholarship, leadership, sportsmanship, and citizenship.

The Schell Family Engineering Scholarship

Christopher Spriegel (\$500)

The Schell Family has resided in Fairview for over 25 years and their children were educated in the Fairview School District. They decided to establish The Schell Family Engineering Scholarship as a way to give back to the Fairview community and to inspire students to pursue a career in engineering.

Jane Imhoff Grunden Scholarship

Kadyn Mahoney (\$500)

Mrs. Grunden, a 1960 FHS graduate, was a woman of high moral character, a strong work ethic, and the desire to help others. To honor her legacy, Mrs. Grunden's family established this award which is given to a graduating senior.

The financial need of the applicants is also considered when determining this awards' recipient.

Amy and Jeff Brinling Family Scholarship

Noah Lyons (\$500)

Through this award, the Brinling Family wishes to recognize a graduating senior who exemplifies outstanding service and commitment to the Fairview School District.

Christopher G. Batchelor Memorial Fund

Nathan Kisiel (\$1,800)

This scholarship is presented to a graduating member of the boy's tennis program who best exemplifies the spirit of a true team player. This award is chosen by the high school tennis coach and principal.

David and Colin Chivers Memorial Scholarship

Blake Palochak (\$500)

The Chivers family has created this scholarship for a graduating senior who has decided to go into the construction trades, however, other trades may be considered. The applicant should demonstrate hard work, leadership, entrepreneurship, creativity, and community mindedness.

June and Larry Kessler Educational Scholarship

Jacob Mehler (\$500)

This scholarship is named after one of Fairview School District's beloved Superintendent's. The scholarship will be awarded to a graduating senior who is planning to pursue a college degree in education.

David Orlin Lafferty, Sr. Scholarship

David Robertson III (\$500)

This scholarship is offered to a graduating senior planning to enter the work force in a vocation that would require tools, or skilled vocational training applicable to the desired career.

Named Scholarships

Michael McManus Scholarship

Christopher Spriegel (\$300)

This award is given to a senior who wishes to pursue a career in math or engineering. This recipient must also possess the same qualities Mike displayed: school spirit, academic excellence, and a willingness to help others.

Jack Taylor Community Service Award

Glenn Louis (\$1,000)

The family of Jack Taylor has presented this award since 1998. Mr. Taylor was a lifelong resident of Fairview and was extremely active in the community.

Superintendent's Extraordinary Character Award

Taylor Susman (MacBook)

This scholarship is given to a student who demonstrates the characteristics of kindness, respect, and compassion and who makes Fairview High School a welcoming environment for all students.

The Wingerter Family Scholarship

Merrikate Jensen (\$500)

This scholarship is in honor of Daniel and Barbara Wingerter and will be awarded to a graduating senior pursuing a career in nursing. The student will be selected by two or more teachers that teach science subjects, such as biology, chemistry, or anatomy that would be taken by students pursuing a BSN, RN, LPN or Nurse's Aid program.

Avis McClintock

Alivia Temple (\$100)

Started by two former students of Mrs. McClintock's, this award is given in honor of her love of reading and books. Mrs. McClintock served as a high school English teacher from 1955-1992. This award is chosen by the high school English department.

Fairview School District Board of Education Award

Delaney Schwab (\$500)

The members of the Fairview School Board of Directors created this scholarship to recognize a graduating senior who demonstrates a strong work ethic and involvement in school and community service.

The Bartlett Family Scholarship

David Robertson III (\$1,000)

The Bartlett family of Fairview is awarding their scholarship to a graduating senior who will be going into a trade school for welding, metal fabrication, electrical work, equipment operation, or graphic design. The guidance counselors will decide the winner of this scholarship.

First TEAM 156 RPM Award

Aravind Turaga (\$250)

This award is presented to a graduating senior that participated on the FIRST Team 156 RPM. FIRST (For Inspiration and Recognition of Science and Technology) and RPM (Robotics Plus Mayhem) pushes students to explore beyond traditional classroom curriculum and emphasizes STEAM, STEM and Art.

Thomas-Siegler Family Scholarship

Anthony Farrar (\$600)

This scholarship was created by the Thomas-Siegler family to recognize a member of the Fairview High School STEM Academy that consistently demonstrated the persistence necessary to complete their project and the willingness to collaborate with their fellow students to make the program a success. This award will be for a graduating senior who is pursuing a career in engineering. This award is chosen by a STEM educator.

Lake Shore Country Club Scholarship

Matthew Drabant (\$500)

This scholarship was created to recognize and honor a graduating senior who is a member of the Fairview Golf Team. The student athlete will be selected by the boys and girls golf team coaching staff and high school principal. It will award an individual who demonstrated exemplary character, sportsmanship, competitiveness, and success on the golf course and in the classroom.

The Murphey Family Scholarship

Emma Fohrt (\$1,000)

Joe and Rosemary Murphey have been active members of the Fairview community for over 40 years. They have supported Fairview Schools because of the great educations provided to their sons and grandsons. This scholarship is awarded to a graduating senior with superior academic performance and a demonstrated desire and ability to succeed in college and beyond. The students' overall grade point average and performance in Advanced Placement courses will be considered.

Purchase, George & Murphey, P.C. Scholarship

Christopher Spriegel (\$1,000)

This scholarship is given by the lawyers of Purchase, George & Murphey, P.C. to a graduating senior with superior academic performance, high moral character, and a record of community service who will attend St. Bonaventure University, the University of Pittsburgh, or Gannon University.

Andrew and Katie Bean Swim Scholarship

Noah Lyons (\$1,000)

Brother and sister, Andrew and Katie Bean were members of the Fairview Swim Team, coached by J.R. Jensen and his staff. Andrew graduated in 2009 and Katie in 2011. The swim team provided them with lifelong friends and instilled personal discipline. Through hard work they learned that perseverance could be its own reward. The swim team taught Andrew and Katie life lessons that helped them become dedicated and successful adults.

Eveline Warchol Health Sciences Scholarship

Laura Stephens (\$1,000)

Dr. Heather Hurst of Fairview Family Dental is honoring her grandmother by offering this scholarship to a graduating female senior who is pursuing a career in the health sciences field (Dentistry, physician, pharmacy, nursing, biologist, etc.) As a requirement the applicant must submit a 250 word essay on how they will use their degree to do good in the world.

Danny Best Memorial Scholarship

Merrikate Jensen (\$500)

The Best family along with his former classmates (Fairview Class of 1987), are offering this scholarship in memory of Danny. This award will be for a graduating senior who is pursuing a career that will be in the service of others. (Police, Fireman, Military, Medicine, Paramedic, etc.)

Career Academy Scholarships - \$500 each

Arts and Communication - Ava Stripp

Business - Delaney Schwab

Health and Science - Giovanni Natalie

STEM - Aravind Turaga

Career Academies provide a very specific framework and the foundation upon which students can build their high school experiences with a clear vision of their futures in mind.

EITC

Through the Educational Improvement Tax Credit (EITC) program, businesses make donations to educational non-profits in lieu of a portion of state tax payments (up to 90%). The Fairview School Foundation uses these funds to enhance our grant program for teachers, ensuring that our EITC contributions directly benefit the students in our district.

Thank you for supporting the students of the Fairview School District!

Honorariums

Parents and students honor Fairview School District employees by making gifts to the Fairview School Foundation in their name. This tax-deductible honorarium program is a wonderful way for students and parents to show appreciation to staff for their hard work and dedication. All honorees are notified when a gift has been made to the Foundation in their name.

Sophia Arnone	Ben Horn

NEED HELP WITH YOUR CLASS REUNION?

The Fairview School Foundation has a Reunion/Alumni committee that is ready to assist you with your next class reunion. Their services include the following:

1. Handle one complete mailing to your entire class, including postage. We will also maintain your mailing list, including updates and changes.
2. Provide a guided Fairview Schools campus tour.
3. Provide ideas for a named class gift.

If you would like to find out more about how the Fairview School Foundation can help you with your next reunion, please call the Foundation office at 814-474-3535.

Ways to Donate

If you would like to help the students of the Fairview School District in the best possible way, please consider a donation to the Fairview School Foundation. You can designate your gift to one of our many causes like the student support fund, teacher mini-grants, scholarships, or the "area of greatest need".

You can make checks payable to:

Fairview School Foundation
7466 McCray Road
Fairview, PA 16415

Call the office and make a credit card donation over the phone.

Kim Seth, Director of Operations (814) 474-3535

Make a donation on our website

www.fairviewschoolfoundation.org

Or scan the QR code to make a donation.

If you have any questions about donating, please contact Kim Seth at the Foundation (814-474-3535 or fairviewschoolfoundation@fairviewschools.org)
