Administrative Procedure - Student Records

Student Records Defined

A student record is any record that contains personally identifiable information or other information that would link the document to an individual student if it is maintained by the District, except records kept: (1) in a school staff member's sole possession destroyed not later than the student's graduation or permanent withdrawal, and not accessible or revealed to any other person except a temporary substitute teacher, or (2) by law enforcement officials working in the school.

Maintenance of School Student Records

The District maintains two types of school records for each student: a *permanent* record and a *temporary* record. These records may be integrated.

The *permanent record* shall include:

- Basic identifying information
- Academic transcripts
- Attendance record
- Accident and health reports
- Scores received on the Prairie State Achievement Examination
- Information pertaining to release of this record
- Honors and awards
- School-sponsored activities and athletics

No other information shall be placed in the permanent record. The permanent record shall be maintained for at least 60 years after the student graduated, withdrew, or transferred.

The *temporary record* may include:

- Family background
- Intelligence and aptitude scores
- Psychological reports
- Achievement test results, including scores on the Illinois Standards Achievement Test
- Participation in extracurricular activities
- Honors and awards
- Teacher anecdotal records
- Disciplinary information, specifically including information regarding an expulsion, suspension, or other punishment for misconduct involving drugs, weapons, or bodily harm to another
- Special education files
- Verified reports or information from non-educational persons
- Verified information of clear relevance to the student's education

Information pertaining to release of this record

Information in the temporary record will indicate authorship and date. The District will maintain the student's temporary record for at least 5 years after the student transferred, graduated, or permanently withdrew. Temporary records that may be of assistance to a student with disabilities who graduates or permanently withdraws, may, after 5 years, be transferred to the parent(s)/guardian(s) or to the student, if the student has succeeded to the rights of the parent(s)/guardian(s).

The Building Principal is responsible for the maintenance, retention, or destruction of a student's permanent or temporary records. Upon a student's graduation, transfer, or permanent withdrawal, the Building Principal or designee shall notify the parent(s)/guardian(s) and the student when the student's permanent and temporary school records are scheduled to be destroyed and of their right to request a copy. Student records shall be reviewed at least every 4 years, or upon a student's change in attendance centers, whichever occurs first, to verify entries and correct inaccurate information.

The District uses students' Social Security numbers for intra-school identification purposes, if at all. However, school officials may not require students or their parent(s)/guardian(s) to provide them. Absent a court order or subpoena, school officials do not provide educational records to the Immigration and Naturalization Service.

Access to Student Records

The District shall grant access to student records as follows:

1. Neither the District nor any of its employees shall release, disclose, or grant access to information found in any student record except under the conditions set forth in the Illinois School Student Records Act.
2. The parent(s)/guardian(s) of a student under 18 years of age, or designee, shall be entitled to inspect and copy information in the child's school records; a student less than 18 years old may inspect or copy information in the student's permanent school record. Such requests shall be made in writing and directed to the records custodian. Access to the records shall be granted within 15 days of the District's receipt of such a request.

Where the parents/guardians are divorced or separated, both shall be permitted to inspect and copy the student's school records unless the District has actual notice of a court order indicating otherwise. The District shall send copies of the following to both parents/guardians at either's request, unless the District has actual notice of a court order indicating otherwise:

- a. Academic progress reports or records;
- b. Health reports;
- c. Notices of parent-teacher conferences;
- d. School calendars distributed to parent(s)/guardian(s); and
- e. Notices about open houses, graduations, and other major school events including pupil-parent(s)/guardian(s) interaction.
- f.

When the student reaches 18 years of age, graduates from high school, marries, or enters military service all rights and privileges accorded to parent(s)/guardian(s) become exclusively those of the student.

Access shall not be granted the parent(s)/guardian(s) or the student to confidential letters and recommendations concerning the admission to a post-secondary educational institution,

applications for employment or the receipt of an honor or award which were placed in the records prior to January 1, 1975, provided such letters and statements are not used for purposes other than those for which they were specifically intended. Access shall not be granted to such letters and statements entered into the record at any time if the student has waived his or her right of access after being advised of his or her right to obtain the names of all persons making such confidential letters and statements.

3. The District may grant access to, or release information from, student records without parental/guardian consent or notification to District employees or officials or the Illinois State Board of Education, provided a current, demonstrable, educational or administrative need is shown. Access in such cases is limited to the satisfaction of that need.
4. The District may grant access to, or release information from, student records without parental/guardian consent or notification to any person for the purpose of research, statistical reporting, or planning, provided that no student or parent(s)/guardian(s) can be identified from the information released, and the person to whom the information is released signs an affidavit agreeing to comply with all applicable statutes and rules pertaining to school student records.
5. The District shall grant access to, or release information from, a student's records pursuant to a court order, provided that the parent(s)/guardian(s) shall be given prompt written notice of such order's terms, the nature and substance of the information proposed to be released, and an opportunity to inspect and copy such records and to challenge their contents. However, the District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to or the consent of the student's parent(s)/guardian(s).
6. The District shall grant access to, or release information from, any student record as specifically required by federal or State statute.
7. The District shall grant access to, or release information from, student records to any person possessing a written, dated consent, signed by the parent(s)/guardian(s) or eligible student stating to whom the records may be released, the information or record to be released, and the reason for the release. One copy of the consent form will be kept in the records and one copy is mailed to the parent(s)/guardian(s) or eligible student by the Superintendent. Whenever the District requests the consent to release certain records, the records custodian shall inform the parent(s)/guardian(s) or eligible student of the right to limit such consent to specific portions of information in the records.
8. The District may release student records to the records custodian of another Illinois school, or an official with similar responsibilities in a non-Illinois school, in which the student has enrolled or intends to enroll, upon written request from such official.
9. Prior to the release of any records, or information under items 6 and 8 above, the District shall provide prompt written notice to the parent(s)/guardian(s) or eligible student of this intended action. This notification shall include a statement concerning the nature and substance of the records to be released and the right to inspect, copy, and challenge the contents. If the release is under 6 above and relates to more than 25 students, a notice published in the newspaper is sufficient.
10. The District may release student records, or information in connection with an emergency without parental consent if the knowledge of such information is necessary to protect the health or safety of the student or other persons. The records custodian shall make this decision taking into consideration the nature of the emergency, the seriousness of the threat to the health or safety of the student or other persons, the need for such records to meet the emergency, and whether the persons to whom such records are released are in a position to deal with the emergency. The District shall notify the parent(s)/guardian(s) or eligible student as soon as possible of the

information released, the date of the release, the person, agency or organization to whom the release was made, and the purpose of the release.

11.  - d. The release, transfer, disclosure, or dissemination consistent with the Family Educational Rights and Privacy Act.
13. Upon their request, military recruiters and institutions of higher learning shall have access to secondary students names, addresses, and telephone listings, unless an objection is made by the student's parent(s)/guardian(s). The Building Principal or designee shall notify parent(s)/guardian(s) that they may make this objection.
14. The District charges \$.35 per page for copying information in a student's records. No parent(s)/guardian(s) or student shall be precluded from copying information because of financial hardship.
15. Except as provided below, a record of all releases of information from student records (including all instances of access granted whether or not records were copied) shall be kept and maintained as part of such records.
