

Dear Parents and Athletes,

On Monday evening March 11, 2019, we are planning to have the South Holt High School Winter Sports Banquet. The dinner will honor the student-athletes who participated in basketball and cheer this year. The banquet will be held at the TJ Hall Building in Oregon and will begin promptly at 6:30 PM. The athletic department, along with help from the Booster Club, will furnish some meat for the dinner. They will also provide the paper products and drinks for the meal. The rest of the dinner will be a potluck meal with each family bringing the following items:

- **Boys Basketball (16) ----- Meat/Hot Dishes and Vegetable Dishes**
- **Girls Basketball and Cheer (15) ----- Salad and Dessert Dishes**

Please remember we will be feeding “hungry” people when you are preparing your dishes. We will have a total of approximately 40 boys, girls and coaches plus parents attending this event. If you feel like bringing more than one dish, that would be great.

Parents of each class will also be responsible for certain areas in helping prepare for the banquet. Please coordinate with all parents who have athletes participating in the banquet for set up and decorations. We will have the TJ Hall Building open all day for set up and decorations. These responsibilities are as follows:

**Junior and Seniors ----- Set up and Decorations**  
**Sophomore and Freshman ----- Clean up**

Due to the limited space, we are only able to invite the student-athletes, cheerleaders, and parents.

We are looking forward to this evening of honoring our youth as they have done an outstanding job representing the South Holt community this year.

Yours in Athletics,

Colby Morris  
John Plummer  
Josh Petersen  
Michelle Schulte  
April Allen  
Mark Anderson  
Bob Ottman
