South of Spring Valley</p> <p>How much does the district receive in title 1?</p> <p>Will we ever get to the point of having only full day kindergarten/no half day?</p> <p>How do schools qualify for title 1 funding?</p> <p>How many proposals and which does the board prefer?</p> <p>What are the disparities from overall class sizes from K-5th grade?</p> <p>Are redistricting boundaries the same for options 1 and 2?</p> <p>Will redistricting occur for the 2023-24 school year?</p> <p>How will students from Bauer be integrated into JCE?</p> <p>What if I want to drop off my students?</p> <p>With option 3, could the district limit enrollment or set a registration deadline?</p> <p>Where are the split classes?</p> <p>How do split classes work?</p> <p>In option 2, which buildings are 1-2 and which are 3-5?</p>	<p>Keep cohorts of students who move/are redistricted together so that they have someone familiar in class at new school</p> <p>Advocate for minimal mobility as possible.</p> <p>PTAs need to know for transitions of boards of education.</p> <p>Not all kids are the same. Transition is hard (3rd grader has been in 4 different schools).</p>
