

Important info regarding MPPS athletics for the 2022-23 school year

Please read all the following Information in detail.

Physicals

All athletes must have a physical on file with the Athletic Office before their first day of practice. HS fall sports start Monday August 8th.

Mt. Pleasant High School has partnered with CMU's College of Health Professions Physician Assistant Program to offer sports physicals for the upcoming 2022-23 school year on August 5 from 9 am-2 pm. Cost is only \$10. This will likely be the last chance to get physicals before the start of the fall sports season which starts August 8th. Staff from MPPS athletics will be on site to collect physicals and answer any questions. Please see information below in regards to details. You will need to have the physical form and consent form filled out and signed before seeing the medical staff on site. Those forms along with the information letter can be found at <https://www.mtpleasantschools.net/o/mps/documents> and will also be available on site when you arrive (parent signatures required). Parents do not need to be present as long as students have paperwork and releases pre-signed. Due to the nature of the agreement between CMU and MPPS this event is for Mt. Pleasant student-athletes only.

Participation fees:

Mt. Pleasant Public Schools is excited to announce that through the use of federal grant funding we are able to offset the athletic fees for the next two years. Fees for the next two year will be as follows:

The fee for on-campus high school sports will be \$100 while off-campus athletics such as swim, ski and golf will be \$200. Fees for self-funded sports such as hockey, dance and middle school football are based on the required amount to fund the sport and are not eligible for the district grant funding.

Furthermore, in an effort to increase more multi-sport participation, a student athlete will only be required to pay for two sports per year and a family will not have to pay more than \$500 in total.

The participation fee can be paid directly to the Athletic Office via check (made out to MPPS) or cash. If you would like to take care of fees using eFunds please visit the following website and do the following steps:

- Login
- Choose Optional Fee
- Choose Student to pay for using Student ID
- Choose HS Athletic Fees
- Enter the Total
- Begin Checkout (there is a fee incorporated with this way of paying)

****Participation fees need to be taken care of BEFORE the FIRST athletic event of your athlete's sport****

Mt. Pleasant Sports Boosters is committed to making sure all Mt. Pleasant Public School students have the opportunity to compete in Mt. Pleasant athletics. Support is available for anyone who may need assistance with participation fees for MPPS athletics. Options for assistance include payment plans, partial assistance and full assistance. Please email jmcintyre@mp.edzone.net or call 989-775-2204 to discuss options. All conversations are confidential.

Cashless Admissions and Digital Ticketing

Starting this school year Mt. Pleasant will be going to digital ticketing for all high school athletic events. Many of you know that the other schools in the Saginaw Valley League, as well as all MHSAA tournament events, use digital ticketing and this was a necessary step in order to have a universal process in the league and increase security and accounting of our revenue. Mt. Pleasant's digital ticketing partner will be GoFan. Tickets can be purchased via the GoFan app on your phone (preferred) or with a credit card on site at the event.

For sports that have traditionally charged admissions (football, volleyball, basketball, wrestling, competitive cheer, track) there will be one general admission cost of \$6 (no additional costs included)

You can still purchase passes in the athletic office to avoid using GoFan for home events if you wish.

Adult Athletic Passes are \$90

Student Athletic Passes are \$50

Final Forms:

All student athlete information will now be stored and handled digitally through Final Forms. If you have a child who plans on participating in MP athletics this school year, please register your student on Final Forms at: <https://mtpleasant-mi.finalforms.com/>

Detailed instructions are provided below. When prompted to choose your child's sport please choose the grade appropriate sport for now. For example if you have a sophomore playing basketball choose JV basketball for now even if you think they might play varsity. We can easily adjust teams at a later date.

Student-athlete information must be uploaded into Final Forms and all forms signed by your athlete's first contest. (Please ignore the message on final forms that says forms must be completed by first practice)

By using Final Forms we can greatly reduce the time spent on collecting contact information and communication related to medical clearance and eligibility issues. Athletic department personnel will discuss some of these benefits at the fall parents night.

Parents of Fall athletes: due to the transition to Final forms you will have to complete some information you already have completed on your child's physical form again. This is unfortunately part of the transition process. However, once you have completed all your child's contact and medical information, you will simply have to double check it for future sports and school years.

If you have questions, reach out to our athletic department at 989-774-2204.
