February 25, 2019

Dear Bauxite Families:

It's time to start thinking about courses for next year. Our registration process is changing a bit, and we want you to be prepared for that. In the past, students have filled out a course selection sheet for required courses and elective courses. Students will continue to fill out this sheet; however, during their CAP classes, they will be entering their requests online through HAC. Then, at CAP conferences on March 14th, you and your student will sign off on your student's requests. If you need to make changes to the requests, you will do so at the time of your conference.

This week, students will receive their Course Selection Sheet and have access to the Course Catalog for the 2019-20 school year on Google Classroom for their class, as well as on the high school website and Facebook page. We encourage you to be involved in this process by helping your student fill out their Course Selection Sheet. Students must have their Course Selection Sheet completed by Wednesday, March 6th. Students need to bring their completed sheet to their CAP class beginning on Thursday, March 7th, as online registration will begin on this day.

We are excited about this new registration process and look forward to your involvement and support. If you have any questions or concerns, please contact the office at 501-557-5303.

Sincerely,

Ann Webb  
Principal
