

WHAT IS TITLE I

Title I, Part A of The Elementary and Secondary Act provides assistance to state and local agencies to meet the needs of the educationally deprived, at-risk children.

The goal of title I is to provide instructional services and activities to meet the needs of disadvantages children identified as failing or most at-risk of failing the state's challenging performance standards.

Title I, Part A provides grants to school districts, which then allocates these funds to individual schools based on their number of low income children. Title I funds are most commonly used to improve instruction in reading and mathematics. Schools can also elect to hire additional personnel to assist at-risk students if funds are available.
