We went over the budget report. A purchase has been made that was between \$8,000-\$9,000 for Virtual Reality Goggles, 30 student devices, teacher laptop, 4 chargers, router, and 3 carrying cases. We will purchase 2 mounted chromebook charging stations to try out. Mr. Conyers hadn't heard back from Jill Hendricks about the FS Educational Coalition. He will follow up with Mrs. Wolfram about this. The motion to approve the budget was made by Natalie McCutchen; second by Justin Mitchell.

We will table the discussion on the safety plan and will vote on it in our May meeting. We were given the Safe School Assessment report to review. The report isn't mandated but there are suggestions. This was given for informational purposes.

We talked about the potential changes to the master schedule and the possibility of having 4 advanced classes-one per core class. We also discussed the amount of class and whether it should be increased or not. We will continue to discuss this more going forward.

There haven't been any changes made to the Handbook yet. Mr. Conyers asked us to ask teachers to add in changes and comments if they have any questions. We will touch base on this at a later date.

The motion to adjourn was made at 4:51 pm by Cindy Burke; second by Natalie McCutchen.

The next SBDM meeting will be May 8th
