We went over the budget report. Letters have been sent home to parents about chocolate money that still needs to be turned in. We don't have a final total yet for chocolate sales. There were no big changes on the budget report. We noticed that Delk's admission to KASA was paid on 9/15 for \$419. We also paid money to Carnegie Learning for \$65 and \$363. Conyers will ask about both of these. We paid \$130 for technology for cables for the sound system. We have \$16,537.50 in Technology Supplies. The motion to approve the budget was made by Natalie McCutchen; second by Cindy Burke.

We have the KDE Continuous Improvement approval by the district on December 1st. There is lots geared towards community relations. At the beginning of next semester (January), a newsletter will hopefully start. First survey will hopefully be sent home in December. We went over the Needs Assessment School Diagnostic for 2017-2018. We also went over KDE Title 1 Annual Review for 2017-2018.
