

Preschool Inclement Weather Procedures

1. You chose an address when you enrolled your child in the case of an Early Dismissal Form,
 - a. If you are unsure of the address, contact your child's teacher.
 - b. If you need to change it, please do so now in the **Front Office**.
 - c. No transportation changes will be allowed during early dismissal days.
2. **If school is running on ANY time delay, the morning preschool session will be cancelled.**
3. **If school will be dismissing early, the afternoon preschool session will be cancelled.**
4. If either of these events occur, late starting time or early dismissal, you will be notified via the *school messaging system*.
5. Just a Reminder: you must be waiting at the bus stop near the road to load or receive your child.
6. Children should wear their bus vests to and from school. This helps the driver to know they are preschool. If you have lost yours, you can pay the replacement fee in the office.

We want to thank you in advance for helping us follow these procedures to ensure all of our children are safe in the event of inclement weather. If you have questions please feel free to call me at 270-586-3241.
