The PBIS Kick Off was held Friday morning, February 8. Staff and students attended assemblies lead by Principal Grupido to introduce our school wide behavioral expectations: Respectful, Responsible and Safe.

After each assembly, staff taught groups of students what the three behavioral expectations look like in the Jeter Center, hallways, restrooms and classrooms. These lessons included opportunities to practice. The following week, lessons were reviewed.

Lesson plans for teaching PBIS expectations throughout the building will continue until all areas of the school have been covered. All lessons will be reviewed and, if needed, retaught so that students can internalize the importance of a positive school climate for all.

The PBIS Rewards app will be used to acknowledge all students meeting the school-wide expectations: Respectful, Responsible and Safe. Rewards may be used to redeem prizes from the PBIS School Store!

Donations to the PBIS School Store will be much appreciated!

Questions should be directed to Jackie Lozano, PBIS Team Leader—lozanoj@michooldeaf.org.
