

Ennis School District 52
Notice of Intent to Impose an Increase in Levies
March 2019

As an essential part of its budgeting process, the Ennis Board of Trustees is authorized by law to impose levies to support its budget. The Ennis Board of Trustees estimates the following increases/decreases in revenues and mills for the funds noted below for the next school fiscal year beginning July 1, 2019. These estimates are based on current year's taxable value with no increase, as required by state law. If the District's taxable value increases as expected, the mill and taxpayer cost increases will be less than presented here. These estimates are preliminary and changes are expected before the final budgets are set in August. Please contact the district office at (406)682-4258 if you have questions or need additional information.
