### **FIREMEN'S DINNER.**

**As has become a tradition for our school, students in Mr. Shawn's class organize and serve dinner to our town's firemen, usually twice a year. This is done as a way to give back to our firemen, and it also serves as a fundraiser. The first dinner is scheduled for Tuesday, March 5th. Children will be needed to be at the firehouse from about 5 - 7pm. Parents of students in grades 4-6 are also needed to help prepare or donate food, and to help us set-up, serve and clean.**

**Once the details are set, we will be sending home more details and a sign-up; we hope you will be able to be a part of this great event!**
