

# ***CPMS Announcements***

***Wednesday, March 6th***

Be sure to register for Maker Monday on March 11, if you would like play Nintendo games with friends. We can take the first 16 students who register.

The Social Studies Department would like to congratulate the following February students of the month: Sabiha Thind, Jaxen Grantham, Cazmin Tomamichel, Jasmine Sandhu, Kiersten Achs, Cian Cribbs, Alina Hernandez, RJ Buchanan, Paige Engleman, Simmaron Kaur, and Troy Yaste.

Congratulations to the following 6th grade students for being chosen for February Science Students of the Month: Benjamin Lavender, Keegan Lane, Allison Reyes, Brady Meece, and Jaskirat Mann.

Spring Pictures are tomorrow. Unlike Fall pictures where everyone gets a picture taken ....Spring pictures are optional so only students who order will have pictures taken. You must have your packet and money if you wish to get Spring Pictures. Your parents or guardians may also order online. You will need to provide a receipt in order to have your picture taken. There are more packets available in the office if you need another one.

Any 8th grader interested in auditioning for the high school show choir needs to see Mrs. Billingsly in the choir room before Friday.

Rehearsal for the spring play will go until 5:00 on Thursday and Friday this week. Cast and crew are expected to be there both days.

Reminder girls tennis practice starts today after school. Girls who are staying should remain in their last period until car riders are released, then head to the Competition gym to meet coaches. Practice will end at 5pm.

FCA will meet this Friday in Room C212 at 7 am.

The Best Buddies program is selling footprints for \$1 through your first period teacher. The class that sells the most footprints gets a donut party. Color your footprint, cut it out and turn it into the office. The footprints will be displayed down the main hallway. Our goal is to have them walk from the office to the cafeteria.

The next Best Buddies meeting is on Monday, March 11 from 3:00-4:15. See the google classroom for details.
