You are also encouraged to upload lessons to Schoology (3-12) or Seesaw (PreK-2) for NTID Days, if needed for inclement weather or other emergencies.

**WVEIS 2.0 Courses are available for independent professional development for any staff member to complete as needed at your own pace. The link to the video collection can be found on the MCS website.**

With the migration to the new WVEIS 2.0, many staff members will want to access support materials for our new statewide platform. MCS and WVDE strongly recommend all personnel to explore the WVEIS 2.0 Support Page to familiarize themselves with applications, protocols, and procedures pertinent to their positions.
