INDEPENDENT AUDITOR'S REPORT

Unqualified Opinion on Financial Statements

Board of Directors
Salvaging Teens at Risk, Inc.
dba Texas Education Centers
Little Elm, Texas

Members of the Board of Directors:

I have audited the accompanying financial statements of Salvaging Teens at Risk, Inc. dba Texas Education Centers listed in the table of contents as of and for the year ended August 31, 2012. These financial statements are the responsibility of Salvaging Teens at Risk, Inc. dba Texas Education Centers' management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Salvaging Teens at Risk, Inc. dba Texas Education Centers as of August 31, 2012, and the respective changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated January 21, 2013 on my consideration of Salvaging Teens at Risk, Inc. dba Texas Education Centers' internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

My audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. The other supplementary information is likewise presented for purposes of additional analysis and not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SALVAGING TEENS AT RISK, INC.

Notes To Financial Statements
For the Year Ended August 31, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Nature of Activities –

Salvaging Teens at Risk, Inc. dba Texas Education Centers provides an alternative learning environment for students. The School operates under an open enrollment charter granted by the State of Texas Board of Education. This charter was issued for a period of five years starting December 11, 2000 and is subject to review and renewal periodically. The school is currently operating under a charter renewal until July 31, 2015. The School is part of the public school system of the State of Texas and is therefore entitled to distribution from the State's available school fund. The School does not have the authority to impose ad valorem taxes or to charge tuition. The organization does business as Texas Education Centers and there is not currently any additional financial activity outside of the charter school.

The School was incorporated in 1997 and has been recognized as an organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

B. Accounting Policies –

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. The Financial Accounting Standards Board is the accepted standard setting body for establishing not-for-profit accounting and financial reporting principles. The accounting system is organized under the *Special Supplement to Financial Accounting and Reporting – Nonprofit Charter School Chart of Accounts*, a module of the Texas Education Agency Financial Accountability Resource Guide. The significant accounting policies are as follows:

To insure observance of limitations and restrictions placed on the use of resources available to the School, the accounts are maintained in accordance with the principles of fund accounting during the year. Resources for various purposes are classified into funds according to their nature and purposes. Separate accounts are maintained for each fund; however, the accompanying statements of financial position and of activities focus on the organization as a whole and reports the amounts of its total assets, liabilities, net assets and changes in net assets in accordance with Financial Accounting Standards Board Statement No. 117.

The statement of financial position reports the amounts of each of three classes of net assets: temporarily restricted, unrestricted net assets and permanently restricted (currently zero).

- ❖ Temporarily restricted net assets result from contributions and other inflows of assets that are limited by donor imposed stipulations that can be fulfilled and removed by actions of the School pursuant to those stipulations. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- ❖ Unrestricted net assets are the remaining part of the School's net assets that is neither permanently restricted nor temporarily restricted by donor imposed stipulations. Property and equipment are included in unrestricted net assets.
- ❖ Permanently restricted net assets result from contributions and other inflows of assets that are required to be maintained in perpetuity with only the income to be used for the School's activities due to donor-imposed restrictions.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

C. Cash and Cash Equivalents –

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks and includes highly liquid investments with an original maturity of three months or less.

D. Fixed Assets and Depreciation –

All assets acquired with a value of \$5,000.00 or greater and an estimated useful life of three years or more are recorded as fixed assets and are valued at cost or estimated cost. Donated assets are reported at the fair market value at the time of acquisition. Depreciation of building improvements and equipment is provided over the estimated useful lives of the assets on a straight line basis. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

E. Revenues –

Revenues from the State of Texas available school fund are earned based on reported attendance.

Contributions received are recognized as revenue in the period received and are reported as either restricted or unrestricted support, in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*.

- ❖ Contributions with donor imposed restrictions are reported as restricted support. Restricted support increases temporarily restricted net assets.
- ❖ Contributions without donor imposed restrictions are reported as unrestricted support. Unrestricted support increases unrestricted net assets.

Government grant contracts that are entered into by the School are recognized as revenue when services are rendered or when expenses in connection with those services are incurred.

F. Donated Goods and Services –

Donated goods and services that can be measured and meet certain other requirements are recorded in the financial statements as in kind contributions and expenses of a like amount.

G. Personal Leave –

All employees earn five days of paid personal leave per year. However, unused balances do not accumulate; therefore, there is no liability accrued on the financial statements.

H. Estimates –

In preparation of the financial statements and in conformity with generally accepted accounting principles, management's estimated useful lives of asset classes were used in the calculation of depreciation.

6. PENSION PLAN

Plan Description

The School contributes to the Teacher Retirement System of Texas (the "System"), a public employee retirement system. It is a cost-sharing, multiple-employer defined benefit pension plan with one exception: all risks and costs are not shared by the School, but are the liability of the State of Texas. The System provides service retirement and disability benefits, and death benefits to plan members and beneficiaries. The System operates primarily under the provisions of the Texas Constitution and Texas Government Code, Title 8, Subtitle C. The Texas legislature has the authority to establish or amend benefit provisions. The System issues a publicly available financial report that includes financial statements and required supplementary information for the School. That report may be obtained by writing the Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698 or by calling (800) 877-0123.

Funding Policy

Under provisions of State law, plan members are required to contribute 6.4% of their annual covered salary and the State of Texas contributes an amount equal to 6.0% of the School's covered payroll. The School's employees' contributions to the System for the year ending August 31, 2012 were \$175,483.77 and were equal to the required contributions. The State of Texas' contributions should approximate \$165,000.00.

Additional Plan

Employees of the charter holder are also covered under Medicare. Under provisions of federal law, covered Employees contribute 1.45% of their annual covered salary and the charter holder matches that amount.

7. OPERATING LEASES

The School has entered into a lease agreement for office and classroom space at 4420 Country Club Road, Denton, Texas at a monthly rate of \$5,750.00 through May 2013. The School has entered into a lease agreement for office space at 100 East Park Drive, Little Elm, TX at a rate of \$3,700.00 through December 2014.

Future minimum lease payments are as follows:

8/31/2013	96,150

INDEPENDENT AUDITOR'S REPORT

Report on Internal Control over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance
With Government Auditing Standards

Board of Directors
Salvaging Teens at Risk, Inc.
dba Texas Education Centers
Little Elm, Texas

Members of the Board of Directors:

I have audited the financial statements of Salvaging Teens at Risk, Inc. dba Texas Education Centers as of and for the year ended August 31, 2012, and have issued my report thereon dated January 21, 2013. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Salvaging Teens at Risk, Inc. dba Texas Education Centers' internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting.

A deficiency in control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Salvaging Teens at Risk, Inc. dba Texas Education Centers' financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, others within the entity, The Texas Education Agency and other federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

Report on Compliance with Requirements Applicable to Each Major
Program and on Internal Control over Compliance in Accordance with
OMB Circular A-133

Board of Directors
Salvaging Teens at Risk, Inc.
dba Texas Education Centers
Little Elm, Texas

Compliance

I have audited the compliance of Salvaging Teens at Risk, Inc. (a non-profit organization) dba Texas Education Centers with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended August 31, 2012. Salvaging Teens at Risk, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Salvaging Teens at Risk, Inc. dba Texas Education Centers' management. My responsibility is to express an opinion on Salvaging Teens at Risk, Inc. dba Texas Education Centers' compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Salvaging Teens at Risk, Inc. dba Texas Education Centers' compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination on Salvaging Teens at Risk, Inc. dba Texas Education Centers' compliance with those requirements.

In my opinion, Salvaging Teens at Risk, Inc. dba Texas Education Centers complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended August 31, 2012.

Internal Control Over Compliance

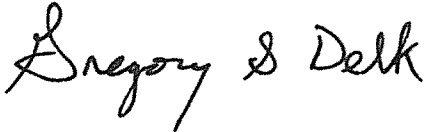

The management of Salvaging Teens at Risk, Inc. dba Texas Education Centers is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Salvaging Teens at Risk, Inc. dba Texas Education Centers' internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Salvaging Teens at Risk, Inc. dba Texas Education Centers' internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Board of Directors, management, others within the entity, The Texas Education Agency, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
