Board of Directors  
Salvaging Teens at Risk, Inc.  
dba North Texas Collegiate Academy  
Little Elm, Texas

Members of the Board of Directors:

### *Report on the Financial Statements*

I have audited the accompanying financial statements of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy listed in the table of contents as of and for the year ended August 31, 2015 and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of the accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### *Opinion*

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy as of August 31, 2015, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

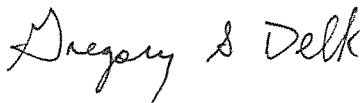

### *Other Matters*

My audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, I have also issued my report dated January 15, 2016 on my consideration of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's internal control over financial reporting and compliance.

FINANCIAL STATEMENTS**

**SALVAGING TEENS AT RISK, INC.**  
**dba North Texas Collegiate Academy**

**Notes To Financial Statements**  
**For the Year Ended August 31, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Organization and Nature of Activities –**

Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy provides an alternative learning environment for students. The School operates under an open enrollment charter granted by the State of Texas Board of Education. This charter was issued for a period of five years starting December 11, 2000 and is subject to review and renewal periodically. The school is currently operating under a charter renewal until July 31, 2025. The School is part of the public school system of the State of Texas and is therefore entitled to distribution from the State's available school fund. The School does not have the authority to impose ad valorem taxes or to charge tuition. The organization does business as Texas Education Centers and there is not currently any additional financial activity outside of the charter school.

The School was incorporated in 1997 and has been recognized as an organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

**B. Accounting Policies –**

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. The Financial Accounting Standards Board is the accepted standard setting body for establishing not-for-profit accounting and financial reporting principles. The accounting system is organized under the *Special Supplement to Financial Accounting and Reporting – Nonprofit Charter School Chart of Accounts*, a module of the Texas Education Agency Financial Accountability Resource Guide. The significant accounting policies are as follows:

To insure observance of limitations and restrictions placed on the use of resources available to the School, the accounts are maintained in accordance with the principles of fund accounting during the year. Resources for various purposes are classified into funds according to their nature and purposes. Separate accounts are maintained for each fund; however, the accompanying statements of financial position and of activities focus on the organization as a whole and reports the amounts of its total assets, liabilities, net assets and changes in net assets in accordance with Financial Accounting Standards Board Statement No. 117.

The statement of financial position reports the amounts of each of three classes of net assets: temporarily restricted, unrestricted net assets and permanently restricted (currently zero).

- ❖ Temporarily restricted net assets result from contributions and other inflows of assets that are limited by donor imposed stipulations that can be fulfilled and removed by actions of the School pursuant to those stipulations. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- ❖ Unrestricted net assets are the remaining part of the School's net assets that is neither permanently restricted nor temporarily restricted by donor imposed stipulations. Property and equipment are included in unrestricted net assets.
- ❖ Permanently restricted net assets result from contributions and other inflows of assets that are required to be maintained in perpetuity with only the income to be used for the School's activities due to donor-imposed restrictions.

**Notes To Financial Statements**  
**For the Year Ended August 31, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**C. Cash and Cash Equivalents –**

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks and includes highly liquid investments with an original maturity of three months or less.

**D. Fixed Assets and Depreciation –**

All assets acquired with a value of \$5,000.00 or greater and an estimated useful life of three years or more are recorded as fixed assets and are valued at cost or estimated cost. Donated assets are reported at the fair market value at the time of acquisition. Depreciation of building improvements and equipment is provided over the estimated useful lives of the assets on a straight line basis. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

**E. Revenues –**

Revenues from the State of Texas available school fund are earned based on reported attendance.

Contributions received are recognized as revenue in the period received and are reported as either restricted or unrestricted support, in accordance with Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*.

- ❖ Contributions with donor imposed restrictions are reported as restricted support. Restricted support increases temporarily restricted net assets.
- ❖ Contributions without donor imposed restrictions are reported as unrestricted support. Unrestricted support increases unrestricted net assets.

Government grant contracts that are entered into by the School are recognized as revenue when services are rendered or when expenses in connection with those services are incurred.

**F. Donated Goods and Services –**

Donated goods and services that can be measured and meet certain other requirements are recorded in the financial statements as in kind contributions and expenses of a like amount.

**G. Personal Leave –**

All employees earn five days of paid personal leave per year. However, unused balances do not accumulate; therefore, there is no liability accrued on the financial statements.

**H. Estimates –**

In preparation of the financial statements and in conformity with generally accepted accounting principles, management's estimated useful lives of asset classes were used in the calculation of depreciation.

Plan Description

The Organization participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms. No part of the plan is subject to a collective bargaining agreement.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system. Charter Schools are legally separate entities from the State and each other. Funds contributed by any one Charter School or ISD may be used to satisfy the obligations of all the Charter Schools and ISDs in the System. The unfunded obligations are shared by the other Charter Schools and ISDs. There are no withdrawal penalties for leaving the System.

Detailed information about the Teacher Retirement System is available in a separately-issued Comprehensive Annual Financial Report that includes financial statements and required supplementary information. That report may be obtained on the Internet at <http://www.trs.state.tx.us/about/documents/cafr.pdf#CAFR>; by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698; or by calling (512) 542-6592.

Benefits Provided

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description in (A) above.

Contributions

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year. Texas Government Code section 821.006 prohibits benefit improvements, if as a result of the particular action, the

time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

Employee contribution rates are set in state statute, Texas Government Code 825.402. Senate Bill 1458 of the 83rd Texas Legislature amended Texas Government Code 825.402 for member contributions and established employee contribution rates for fiscal years 2014 thru 2017. It also added a 1.5% contribution for employers not paying Old Age Survivor and Disability Insurance (OASDI) on certain employees effective for fiscal year 2015 as discussed in Note 1 of the TRS 2014 CAFR. The 83rd Texas Legislature, General Appropriations Act (GAA) established the employer contribution rates for fiscal years 2014 and 2015.

Contributors to the plan include members, employers and the State of Texas as the only non-employer contributing entity. The State is the employer for senior colleges, medical schools and state agencies including TRS. In each respective role, the State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA).

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public junior college or junior college district, the employer shall contribute to the retirement system an amount equal to 50% of the state contribution rate for certain instructional or administrative employees; and 100% of the state contribution rate for all other employees.

In addition to the employer contributions listed above, when employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

**Statutorily Determined Contribution Rates**

<b>Member</b>	6.7%	6.4%
<b>Non-Employer Contributing Entity (State)</b>	6.8%	6.8%

**For the Year Ended August 31, 2015**

**9. COMMITMENTS AND CONTINGENCIES**

The School receives funds through state and federal programs which are governed by various rules and regulations of the grantor. Expenses charged to the grant program are subject to audit and adjustment by the grantor agency. In the opinion of management, aside from the temporary restrictions on net assets as explained below, there are no contingent liabilities relating to compliance with rules and regulations governing the grants; therefore, no provision has been made in the accompanying financial statements for such contingencies.

**10. ECONOMIC DEPENDENCY**

During the year the School received the majority of its revenues from the Texas Education Agency through a Charter Agreement and through federal grants available to charter schools. The loss of this Charter Agreement would have a material effect on the ability of the School to continue to provide the current level of services to its students.

INTERNAL CONTROL**

## INDEPENDENT AUDITOR'S REPORT

Report on Internal Control over Financial Reporting and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in Accordance  
With Government Auditing Standards

Board of Directors  
Salvaging Teens at Risk, Inc.  
dba North Texas Collegiate Academy  
Little Elm, Texas

Members of the Board of Directors:

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy as of and for the year ended August 31, 2015, and the related notes to the financial statements, and have issued my report thereon dated January 15, 2016.

### *Internal Control Over Financial Reporting*

In planning and performing my audit of the financial statements, I considered Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's internal control. Accordingly, I do not express an opinion on the effectiveness of Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

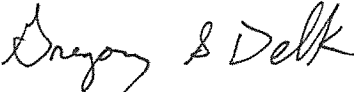

### *Compliance and Other Matters*

As part of obtaining reasonable assurance about whether Salvaging Teens at Risk, Inc. dba North Texas Collegiate Academy's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### *Purpose of this Report*

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an

audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
