**IV. PLEDGE OF ALLEGIANCE, STATEMENT TO THE PUBLIC**

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred for Board review at a Board Committee meeting. The members of the Board work via committees with the Superintendent and the Administration to assure that the members fully understand the matter. When the Board and Administration are satisfied with the matter, it is placed on the agenda for action at a public

meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.
