IV. PLEDGE OF ALLEGIANCE, STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred for Board review at a Board Committee meeting. The members of the Board work via committees with

the Superintendent and the Administration to assure that the members fully understand the matter. When the Board and Administration are satisfied with the matter, it is placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.

VI. PUBLIC COMMENT

At this time, comments are invited on school matters of community interest. Upon being recognized by the presiding officer, anyone wishing to address the Board, please state your name and address. Each statement made by a member of the public shall be limited to three minutes. No member of the public may address or question individual board members or administration. Although the Board encourages public participation, it reserves the right, through its presiding officer, to terminate remarks to and/or by any individual not keeping with the conduct of a proper and efficient meeting. The Board discourages the public from speaking negatively about any employee or student. Individuals can be held personally liable for defamatory or libelous statements made at public meetings. Comments regarding employees, administrators, students, and security procedures cannot be legally responded to by the Board. The Board bears no responsibility for comments made by members of the public. In order to permit the fair and orderly expression of public comment, questions from the public will be responded to, if feasible, after the public comment portion of the meeting is closed.
