

**Testing Transparency**  
**Required by the Elementary and Secondary Education Act of 1965**  
**(as amended by the Every Student Succeeds Act in 2015)**

*ESEA requires LEAs to post testing transparency on all federal, state and local assessments on their websites. LEAs may modify this template as needed and must post the information to ensure compliance with the testing transparency requirement.*

Federal/State Required Assessments
<p><b>National Assessment for Education Progress (NAEP)</b></p> <p><u>Subject(s) Assessed</u> Mathematics, Reading, Science, and Writing in grades 4 and 8</p> <p><u>Purpose of the Assessment</u> The NAEP informs the public about what American students know and can do in various subject areas and compares achievement among states, large urban districts, and various student groups. The NAEP is a national assessment administered through a scientific sampling process which means that only a representative sample of selected students in selected schools take this assessment.</p> <p><u>Requirement for the Assessment</u> Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015 State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress</p> <p><u>Amount of Time to Complete the Assessment</u> Total time is about 2 hours</p> <p><u>Scheduled Assessment Window</u> Mathematics and Reading are assessed once every other year. Science and Writing are generally administered once every four (4) years. The National Assessment Governing Board decides the subject tested each year. The current schedule can be found on their website at <a href="http://naep.nagb.gov">Assessment Schedule (nagb.gov)</a>. The NAEP assessment window is a six-week period from the last week of January to the first week of March each year. Each sampled school is assigned a single assessment day during the six-week window.</p> <p><u>Time and Format for Dissemination of Results</u> The National Assessment Governing Board and National Center for Education Statistics release the national and state level reading and mathematics results via a website in the fall following the assessment administration. Only national level civics and U.S. history results will be released.</p>
<p><b>West Virginia General Summative Assessment (WVGSA)</b></p> <p><u>Subject(s) Assessed</u> English language arts (ELA), including writing, and mathematics in Grades 3-8 at grade level; Science in Grades 5 and 8 as a grade-band test.</p>

### Purpose of the Assessment

This assessment measures student performance on the state's content standards. The results give students, teachers, and families meaningful information on what students know and can do, and how well they are progressing toward college and career readiness.

### Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

### Amount of Time to Complete the Assessment

The WVGSA is an untimed test that takes approximately 2 hours for each content test session. The ELA test consists of two sessions, including one session that consists of an extended writing task.

### Scheduled Assessment Window

The WVGSA is administered in the spring of each year. The state establishes a statewide testing window, and each county then determines a county-wide testing window and a testing schedule for each school within the district. For spring 2023, the statewide testing window is April 3-May 26, 2023.

### Time and Format for Dissemination of Results

Testing results start appearing in the Cambium Reporting System on a rolling basis at the end of April. Scores for ELA, math, and science should appear very soon after a test is completed. ELA scores could be delayed up to ten (10) business days if a student's essay is routed to hand scoring. County and school personnel can access these results and analyze data at the district and school level. Printed individual student reports are provided to counties and schools to send home to parents/guardians in August each year. Scores are embargoed from public release or discussion until released during the summer by the WVDE.

## **SAT School Day**

### Subject(s) Assessed

Grade 11 students take the following test components: Reading, Writing and Language, Math, and Key Content Features (includes Science).

### Purpose of the Assessment

The SAT School Day is a nationally recognized college- and career-readiness assessment administered by the College Board and is accepted at colleges and universities throughout West Virginia and the nation for both college admissions and placement. SAT School Day also can be used to qualify for the Promise Scholarship.

### Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

Amount of Time to Complete the Assessment

Total time is 3 hours for Reading, Writing and Language, Math and Key Content Features.

Scheduled Assessment Window

For spring 2023, counties will select one of two options for SAT School Day Administration:

Option 1: Primary Test Day, March 22, 2023; Accommodated Window, March 22-April 4, 2023; and Makeup Day, April 25, 2023.

Option 2: Primary Test Day, April 12, 2022; Accommodated Window, April 12-22, 2023; and Makeup Day April 25, 2023.

Time and Format for Dissemination of Results

Student scores are available to students in College Board's Electronic Reporting System approximately three weeks after the makeup date. Counties and schools have access to test results in early June.

Printed individual student reports with West Virginia proficiency cuts applied are provided to counties and schools to send home to parents/guardians in August each year.

**West Virginia Alternate Summative Assessment (WV ASA), also known as the Dynamic Learning Maps Alternate Summative Assessment**

Subject(s) Assessed

English and Mathematics in Grades 3-8 and 11, and Science in Grades 5, 8, and 11.

Purpose of the Assessment

The WVASA is a summative measure of student academic performance based on the West Virginia Alternate Academic Achievement Standards administered in lieu of the WVGSA to students in grades 3-8 and grade 11 who have the most significant cognitive disabilities.

Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

Amount of Time to Complete the Assessment

The WVASA is an untimed series of testlets averaging 3-5 minutes per testlet, with 7-9 testlets per subject area.

Scheduled Assessment Window

The Alternate Summative Assessment (WV ASA) is administered in the spring of each year. The state establishes a statewide testing window, and each county then determines a county-wide testing window and a testing schedule for each school within the district. For spring 2023, the statewide testing window is April 3-May 26, 2023.

Time and Format for Dissemination of Results

OLM releases scores to the state in July. Schools and teachers can access scores in August. Individual student reports are provided in August each year to send home to parents/guardians.

## County Required Assessments

iReady

### Subjects Assessed

ELA and Mathematics Grades K - 8

### Purpose of the Assessment

iReady is a computer adaptive testing and instructional tool that provide students, parents, and teachers in-depth information regarding their child in the area of ELA and Mathematics. The Benchmarking process results in diagnostic-in-depth data in these areas that identify both domain strengths and weaknesses. In addition to data, iReady provides computerized, prescriptive pathways to facilitate student improvement as well as explicit teacher lesson plans for students failing to make progress.

### Requirement for the Assessment/Scheduled Assessment Window

All student in grades K - 8 will Benchmark three times each year- Beginning of the Year/Fall, Middle of the Year/Winter, and End of the Year/ Spring.

### Amount of Time to Complete the Assessment

Approximately one hour is required to complete each iReady Benchmark (ELA & Math).

### Time and Format for Dissemination of Results

Benchmark results are immediately available via the iReady platform. Scores will be sent home to parents after each benchmark assessment.

On To College

### Subjects Assessed

ELA and Mathematics Grades 9 -11

### Purpose of the Assessment

This assessment provides skill level data in both areas. This data informs instruction to enable students and teachers to target goals in order to improve student achievement in both areas. Student data is linked to learning platforms within the SAT system (Kahn Academy). Improved performance benefits students entering the workforce upon graduation and those entering higher education. There is a particular benefit for all 11<sup>th</sup> graders taking the SAT school day.

### Requirement for the Assessment

Students will Benchmark two times per year to obtain Pre and Post Scores in the Areas of ELA and Math. The assessment windows occur in the Fall (for Pre) and in the Spring (for Post). Post assessment coincides with SAT School Day.

#### Amount of time to Complete the Assessment

Time requirements mirror that of the SAT. Tests are time and administered accordingly.

#### Scheduled Assessment Window

Assessment will follow and Pre-Test, Post-Test Format. The Pre-Test will be administered in the fall of each school year. The Post-Test will be administered in the spring. The Post-Test will coincide with the administration of the SAT.

#### Time and Format for Dissemination of Results

Results are provided to students and parents via platform log ons and Schoology. Results are generated and available immediately upon completion of the assessment.
