#Building our Future

Construction Update: RHS EXPANSION - Week ending 3/8/19:
Footings were poured for the Kiln and Fire Pump building in preparation for masonry work next week. Storefront windows will be going in on the north exterior wall; exterior brick veneer and metal wall panel installations continue. Inside, door frame installations, MEP work and finishing of concrete floors is underway.

2017 BOND PROGRAM
RIDGEFIELD SCHOOL DISTRICT

Footings being poured for the Kiln and Fire Pump building in preparation for masonry work next week.

View of various mechanical, electrical and plumbing (MEP) installations inside a hallway ceiling.

Door frame installations are underway. Framing for a second floor classroom is shown here.
