

EDISON SCHOOL SUPPLY PLAN FOR 2023-24

June 2022

Dear Edison K-8 Families,

Just a reminder that students are not to bring any school supplies other than a backpack and headphones/earbuds. Instead you will be asked to pay a supply fee of \$25 per child to help cover the cost of school supplies. If you are unable to give \$25, please give what you can. If you are able to give more than \$25, your donation will help support another Edison student. We made this change to a supply fee rather than supply list for a variety of reasons:

- As a district we are interested in reducing the cost of school supplies to families.
- Through our district pricing and buying in bulk, we are able to purchase high-quality school supplies for significantly less than the cost at retail stores.

Our typical supply list purchased at retail stores has an average cost of \$60.

Purchasing quality supplies through bulk, district pricing, is an average cost of \$25.

- Teachers will be able to put resources to the supplies most needed in their classrooms.
- An effort to reduce stress on families of both purchasing the right supplies on a supply list and reducing cost to families.
- With all of the same supplies purchased by the teacher and used for communal distribution, no student will arrive at school the first day feeling embarrassed due to lack of supplies or poor quality of supplies.

As an Edison Staff we are very excited about this opportunity to better support our students and families. **Please send in \$25 cash or a check made out to Edison Booster Club the first week of school. All supply fee payments are due by Friday, September 16, 2022.** Please let me know if you have any questions.

Thank you,

Mrs. Staudenraus, Principal

Cut along dotted line. Attach money (\$25 per student) to this slip and return to your child's teacher by Friday, September 16, 2022.
