The program is designed to provide a meaningful educational experience. The courses represent a wide range of enrichment opportunities for students to pursue. **The remedial component of this program will also be offered through recommendation from elementary and middle school building principals.** Our faculty members are all New York State certified educators.

This program will run Mondays through Thursdays beginning **Monday, July 10** and ending **Thursday, August 3, 2023**. There will be two sessions each day: [Session 1: 9:00-10:50 am](#) & [Session 2: 11:10 am-1:00 pm](#).

The cost will be \$3.00 for each course or a total of \$6.00 for both sessions. Please refer to the **Course Selections**, which provides a detailed list of course offerings and their objectives.
