Winters ISD to Hold Hearing for Public Discussion of Annual School Performance Report

TAPR and HB 3 Review

Winters— February 6, 2023 — Winters ISD will be doing their annual review of The Texas Academic Performance Report (TAPR) released by the state in late December and the district’s progress towards meeting House Bill 3 goals. This will be data from the 2021-2022 school year and includes the elementary, junior high, and high school campuses.

District moves to “A” rated district.
