Dear Parents and Guardians,

Beginning May 2, 2022 students in grades 5-6 will be participating in the New Jersey Student Learning Assessment (NJSLA), which assess student's knowledge and understanding of the New Jersey State Learning Standards in English Language Arts/Literacy, mathematics, and science (only grade 5). Below are the statewide assessment unit times:

	ELA Grades 5-6	Math Grades 5-6	Science Grade 5
Unit 1	90	60	45
Unit 2	90	60	45
Unit 3	-	60	45
Unit 4	-	-	45

Please have your student arrive at school on time with their school-issued Chromebooks fully charged. Personal computers will not be able to access the testing platform. Please also remind your student that cell phones are prohibited in testing rooms during testing. Test administrators will collect all phones to avoid causing a security breach.

Components of the NJSLA-ELA and NJSLA-Science test may include audio clips and therefore, students are permitted and encouraged to bring their own earbuds/headphones; a supplemental supply will be available in each school building for testing sessions. Please encourage your child to do his/her best work possible.

If you have any questions, please contact your student's counselor.

Thank you for your continued support in making this a positive experience for your child.

Sincerely,

Patricia Blood, Superintendent of Schools
