

Math

Grade 3 Essential Standards

Edited 4-18-23

Operations and Algebraic Thinking

3.OA.A - I can represent and solve problems involving multiplication and division.

3.OA.B – I can understand properties of multiplication and the relationship between multiplication and division.

3.OA.C – I can multiply and divide within 100.

3.OA.D – I can solve problems involving the four operations, and identify and explain patterns in arithmetic.

Number and Operations – Fractions

3.NF.A – I can develop understanding of fractions as parts and partitions, locate fractions on number lines, and compare fractions to find equivalencies.

Measurement and Data

3.MD.C – I can understand concepts of area and relate area to multiplication and to addition.
