Re: CHS Primeland Scholarships

CHS Primeland will be sponsoring eight \$750.00 non-renewable scholarships for the Fall 2019/Spring 2020 school year. Scholarships will be awarded mailed to the college, for the student's account, upon completion of enrollment and verification information turned into CHS Primeland. The eligible students must come from an area that CHS Primeland services and has operations.

Essay Criteria:

Current High School Seniors Only (Graduating Spring 2019)

Interested students must submit a 250-500-word essay answering the following questions:

"As you pursue a higher education, what is your choice of college major and how will that field of study positively impact agriculture in the future?"

CHS Primeland will judge the essays on quality and content then select eight students from the group of candidates to receive the scholarships.

Essays need to be postmarked by March 30th, 2019.

The school of the winners will be notified prior to graduation.
